Speaking Up In Church:

Speak Up for Just War or Pacifism Paul Ramsey, 2016-03-03 Paul Ramsey's provocative criticism sets the United Methodist bishops' peace pastoral in the context of a much broader discussion of the church's role in society. He reminds us as he has done before that good intentions also require clear thinking about where one stands in a tradition. Stanley Hauerwas' epilogue, written from a quite different pacifist perspective, accents the scope of Ramsey's issues. **Speak Up for Just War or Pacifism** should be of interest to everyone who cares about how churches think about public issues. Robin W. Lovin, The University of Chicago. Paul Ramsey offers a can-exploding critique of the particulars of the Methodist document and in so doing elaborates many of the broad insights into just war theory that have characterized his work over the years. His contrast of *In Defense of Creation* with the Catholic Bishops' pastoral *The Challenge of Peace* is especially helpful. The book is excellent both as a guide to current debates and as a general introduction to Christian ethical reflection on war and peace. It ought to be welcomed by pacifists and exponents of just war alike. Timothy P. Jackson, Yale University

Christian Men Speak Up Denise Strothers, 2021-05-11 Our communities are in trouble. Our children and grandchildren are not safe from the predators the enemy uses to destroy our families. We can't be so busy doing church that we do not see what is happening right before our eyes. They are hidden in plain sight. They are in our churches, schools, grocery stores, malls, nail salons, sporting events, and even our families. We must make our 8, 9, 10 year olds aware of the danger lurking on social media sites since many grown men seek to sleep with underage children. **Christian Men Speak Up** informs you of the root causes of sex trafficking and the steps your church or faith-based organization can take to make a difference in your community today.

Speaking Up for Animals Lisa Kemmerer, 2015-11-17 **Speaking Up for Animals** highlights eighteen courageous members of a growing international animal advocacy movement that is overwhelmingly powered by women. These remarkable activists take us with them as they lift factory-farmed chickens and cows from quagmires of filth, free gigantic sea lions caught in fishing gear, and secure undercover footage of dogs crying for mercy on stainless steel vivisection tables. In the process, these dedicated women expose the many ways that most of us are complicit in the suffering and exploitation of animals and creatively suggest a variety of ways in which we might help bring change.

When to Speak Up and When To Shut Up Michael D. Sedler, 2006-08 Practical guidelines and biblical and contemporary examples to help people improve their communication skills. Includes a discussion on the cost and purpose of silence.

When the Members Are the Missionaries A. Wayne Schwab, 2013-04-04 Member Wayne's words call us to the mission begun by Jesus Christ to heal the world and to nourish each other along the way, a valuable resource for clergy and lay people. Mary Ann Brody, Member. I like the basic hypothesis and the real people situations. Ransom Duncan, Pastor of an Urban Congregation. A clear map for clergy to take the Sunday experience into the rest of the week. No one is forgotten. Mary Martin

Paloma Brooks Harrington, 2022-06-02 Two people from very different backgrounds and circumstances struggle together to find God in a

world of random injustice and human evil Paloma has suffered bitter poverty and neglect as a child and exploitation and addiction as a teen and an adult John Levi is a lawyer from a privileged sheltered home who answers the call of God to pastor an inner city church Together Paloma and John Levi hunger and thirst for justice and mercy for the neighbors of the church and for Paloma and her daughter At first Paloma is angered by any talk about the presence and power of a God whom she believes has failed to answer her prayers John Levi is convinced that God is calling him to rescue Paloma from her plight but crosses a line in protecting her from evil men Facing the consequences of his actions John Levi struggles with the limitations imposed upon his hunger for justice by the Way of Jesus Both Paloma and John Levi transcend the crisis to find a new faith
