Special Powers:

Special Powers and the Nine Rings Mike J. Rockeyfeller, 2012-06 In *Special Powers and the Nine Rings* author Mike J. Rockeyfeller talks about the clues left behind as each of the people from his life meet their fate From an early age Rockeyfeller was suspicious of his relatives as they discounted his right to property over the years His Uncle Gee just took his father's land car and truck as his own when he died never considering his nephew's right to his own father's property Rockeyfeller lives his life by accepting his intuition and recognizing that events do not happen by chance There is no specific time to relax one's senses and ignore intuition He recounts the instances where his intuition is borne out in the events that take place from a friend accidentally shooting himself with twenty three hours of his birthday to the death of his selfish Uncle Gee in a train crash Destiny has its own plan and once it's in place there is no going back There are dates that have special meaning in each person's life You can uncover the dates that have significance in your life and relate them to all that is meaningful to you Claim the good karma for yourself The Therapeutic Powers of Play Charles E. Schaefer, Athena A. Drewes, 2013-08-14 A practical look at how play therapy can promote mental health wellness in children and adolescents Revised and expanded *The Therapeutic Powers of Play* Second Edition explores the powerful effects that play therapy has on different areas within a child or adolescent's life communication emotion regulation relationship enhancement and personal strengths Editors Charles Schaefer and Athena Drewes renowned experts in the field of play therapy discuss the different interventions and components of treatment that can move clients to change Leading play therapists contributed to this volume supplying a wide repertoire of practical techniques and applications in each chapter for use in clinical practice including Direct teaching Indirect teaching Self expression Relationship enhancement Attachment formation Catharsis Stress inoculation Creative problem solving Self esteem Filled with clinical case vignettes from various theoretical viewpoints the second edition is an invaluable resource for play and child therapists of all levels of experience and theoretical orientations

The Journal of Jurisprudence, 1857 Northeast India Bhagat Oinam, Dhiren A. Sadokpam, 2018-05-11 Northeast India is a multifaceted and dynamic region that is constantly in focus because of its fragile political landscape characterized by endemic violence and conflicts One of the first of its kind this reader on Northeast India examines myriad aspects of the region its people and its linguistic and cultural diversity The chapters here highlight the key issues confronted by the Northeast in recent times its history politics economy gender equations migration ethnicity literature and traditional performative practices The book presents interlinkages between a range of socio cultural issues and armed political violence while covering topics such as federalism nationality population migration and social change It discusses debates on development with a view to comprehensive policies and state intervention With its a nuanced and wide ranging overview this volume makes new contributions to understanding a region that is critical to the future of South Asian geopolitics The book will be of great interest to scholars and researchers of contemporary Northeast India as well as history political science area

studies international relations sociology and social anthropology It will also appeal to those interested in public administration regional literature cultural studies population studies development studies and economics Chapter 31 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Law in Northern Ireland Brice

Dickson, 2018-06-28 Law in Northern Ireland is the essential textbook for all students of Northern Ireland's legal system. Changes to this new edition, some of them substantial, have been made to every section, taking full account of five years of developments. The book explores the evolution of law making in Northern Ireland, before going on to explain the relevant constitutional arrangements, how to identify and interpret applicable sources of law, and what are the fundamental rules and principles of public law, criminal law, and private law, highlighting where appropriate what may be unusual about them. It contextualises the myriad of legal institutions operating in the jurisdiction, sets out how criminal and civil proceedings work in practice, and provides useful information on how people become lawyers, what lawyers actually do once they become qualified, and how the legal system is funded. The appendices set out some sample sources of law so that readers can familiarise themselves with what is involved in handling legal documents. The language throughout is accessible, and there are Tables of Cases and Legislation, as well as a comprehensive index.

Cases & Materials on Trusts Mohamed

Ramjohn, 2004 This new edition has been considerably revised to take account of recent major statutory and case law developments. The Contracts (Rights of Third Parties) Act 1999 introduced a significant improvement in the rights of third parties to enforce contracts. The Trustee Delegation Act 1999 and the Trustee Act 2000 have had a profound effect in updating the law concerning trustees' duties and powers. Important new cases covered include *Foskett v McKeown* (tracing), *Pragon Finance Ltd v Thakerar* (constructive trusts), *Air Jamaica v Charlton* (resulting trusts), *Choithram International v Pagarani* (constitution of trusts), *Twinsectra Ltd v Yardley* (accessory liability), *Wight v Olswang* (exclusion clauses), *Southwood v AG* (charities), *Schmidt v Rosewood Trust* (disclosure of trust documents), *Pennington v Waine* (gifts of shares), *Le Foe v Le Foe* (indirect contributions to family assets), *Gwembe Valley Development Co Ltd v Koshy* (limitation periods), *Duggan v Governor of Full Sutton Prison* (intention to create a trust), *OT Computers Ltd v First National Tricity Finance Ltd* (certainty of objects), and many more. Each chapter includes an exposition of the fundamental principles of trusts law in a readable and intelligible form, supplemented by extracts from judgments of leading cases. References to other relevant cases, statutes, articles, and official reports are also incorporated where appropriate.

Health Care, Crime and Regulatory Control Russell G. Smith, 1998

Published with the Australian Institute of Criminology, Medicine has always been intimately involved with crime and criminology, whether it is through explanations of criminal behaviour or the attempt to modify this behaviour through treatment. This book looks at the interaction between the criminal justice system and regulating health care practice. Covering a variety of disciplines, the book addresses regulatory controls and the regulation in health care of alternative

health care methods sexual misconduct in health care unlawful killing and fraud *The Art of Living Foundation* Stephen Jacobs, 2016-03-09 The Hindu derived meditation movement The Art of Living AOL founded in 1981 by Sri Sri Ravi Shankar in Bangalore has grown into a global organization which claims presence in more than 150 countries Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality Exploring the nature and characteristics of spirituality in the contemporary global context Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity *Cases and Statutes on Trusts and Powers* George Folger Canfield, 1914

Telecommunications Law and Regulation in Nigeria Uchenna Jerome Orji, 2018-12-19 The Nigerian telecommunications industry has continued to grow in a phenomenal manner following market liberalization reforms that commenced in the 1990s As of 2017 the telecommunications industry was one of the fastest growing economic sectors in Nigeria and the fourth largest contributor to the country's Gross Domestic Product The telecommunications industry however remains a highly technical and naturally dynamic industry that has not been a usual area for legal research in developing countries such as Nigeria This book bridges that gap in knowledge by providing an analysis of the legal and policy instruments that regulate the industry It comprises eleven chapters that discuss the historical evolution of telecommunications and its regulation the development of the Nigerian telecommunications industry from 1886 to 2017 the legal basis for the regulation of the industry the licensing and duties of service providers the regulation of network infrastructure the protection of consumers the regulation of competition interconnection universal access and environmental protection and the resolution of industry disputes This book will be useful to policy makers legislators regulators lawyers law students investors operators and consumers as well as any person interested in the Nigerian telecommunications industry
