Specialist In Crime:

The Practice Of Crime Scene Investigation John Horswell,2004-04-13 *The Practice Of Crime Scene Investigation* covers numerous aspects of crime scenes investigation including the latest in education and training quality systems accreditation quality assurance and the application of specialist scientific disciplines to crime Written by authors specifically chosen for their expertise in this specialized field the book includes discussion on fingerprinting dealing with trauma victims photofit technology the role of the pathologist and ballistic expert clandestine laboratories and explosives This comprehensive book is a valuable reference for everyone interested in forensic science and the broader application of the justice system

Specialist Journalism Barry Turner,Richard Orange,2013-01-03 Combining practical how to skills with reflection on the place of each specialism in the industry this guide features the skills needed to cover specialist areas including writing match reports for sport reviewing the arts and dealing with complex information for science The book will also discuss how specialist journalists have contributed to the mainstream news agenda as well as analysing how different issues have been covered in each specialism such as the credit crunch global warming national crime statistics and the celebrity culture in sport Areas covered include Sport Business Politics Crime Environment Fashion Food Music Media Science Health Law Travel War Wine The Forum ,1905 Current political social scientific education and literary news written about by many famous authors and reform movements **Handbook of Internet Crime** Yvonne Jewkes,Majid Yar,2013-03-07 This book gathers together the leading scholars in the field to explore issues and debates surrounding internet related crime deviance policing law and regulation in the 21st century Contributions reflect both the global nature of cybercrime problems and the international span of scholarship addressing its challenges **Criminal Investigation** Peter Stelfox,2013-08-21 Criminal investigation has a high profile in the media and has attracted widespread interest Within the police it has been a rapidly developing field Important scientific and technological developments have had a considerable impact on practice and significant steps have been taken in the direction of professionalizing the whole process of investigation Within police studies criminal investigation has now emerged as an important sub discipline Criminal Investigation provides an authoritative and highly readable introduction to the subject from somebody ideally placed to write about it focusing on how police practitioners carry out investigations It looks systematically at the purpose and role of criminal investigation the legal policy and organizational context in which criminal investigation takes place the evidence and information that criminal investigators seek the process and methods of criminal investigation the knowledge techniques and decision making abilities that practitioners require to carry out criminal investigations how and why it is that some crimes are solved and some are not the supervision of criminal investigation and a review of some of the key contemporary issues that have a bearing on criminal investigation Criminal Investigation will be essential reading for both policing practitioners student police officers as well as officers taking higher levels of CPD within the police service and students taking courses in criminal investigation forensic

sciences and investigation police studies and police science and other courses where a knowledge of criminal investigation is required

Policing, Popular Culture and Political Economy Robert Reiner, 2017-07-05 Robert Reiner has been one of the pioneers in the development of research on policing since the 1970s as well as a prolific writer on mass media and popular culture representations of crime and criminal justice His work includes the renowned books *The Politics of the Police* and *Law and Order An Honest Citizen's Guide to Crime and Control* an analysis of the neo liberal transformation of crime and criminal justice in recent decades This volume brings together many of Reiner's most important essays on the police written over the last four decades as well as selected essays on mass media and on the neo liberal transformation of crime and criminal justice All the work included in this important volume is underpinned by a framework of analysis in terms of political economy and a commitment to the ethics and politics of social democracy

Theme Cities: Solutions for Urban Problems Wayne K.D. Davies, 2015-03-23 This book reviews a series of new urban ideas or themes designed to help make cities more liveable sustainable safe and inclusive Featuring examples drawn from cities all over the world the various chapters provide critical assessments of each of the various approaches and their potential to improve urban life New Urbanism creating new areas based on a more humane scale with neighbourhood cohesion Just Cities creating more fairness in decision making so all residents can participate and benefit Green Cities helping places become greener with environmental rehabilitation and protection Sustainable Cities avoiding the waste of resources and harmful pollution in settlements Transition Towns developing local initiatives for more sustainable actions Winter Cities making cities in cold climates more comfortable and enjoyable Resilient Cities strengthening cities to better enable them to withstand natural hazards Creative Cities supporting cultural industries and attracting talented individuals Knowledge Cities creating renewing and spreading knowledge and innovation Safe Cities ensuring that citizens are better protected against criminal actions Healthy Cities making improvements in the health of people in cities Festive Cities rediscovering the utility of festive events in settlements Slow Cities enhancing locally unique activities such as local cuisines and community interactions This volume offers a host of approaches designed to give a new direction and focus to planning policies helping readers to fully understand the advantages and disadvantages of each potential idea It seeks to solve the many current problems associated with urban developments making it a valuable resource for university and college students in urban geography urban planning urban sociology and urban studies as well as to planners and the general public

Applied Policing Policy Research Paul Dawson, 2025-07-08 This volume critically examines how the integration of evidence based research within police governance reshapes accountability decision making and policy development Focusing on the transition of a well established police research unit from the Metropolitan Police Service to the London Police and Crime Commissioner's office in 2014 the book explores the broader implications of this move for data driven oversight and police practice Bringing together contributions from experts directly involved in this transition the chapters combine original research case studies and applied analysis to

demonstrate how evidence informs policing at both strategic and operational levels The book introduces the concept of evidence based oversight offering a new framework for understanding the evolving role of research in shaping police governance and accountability structures With insights for PCC staff police professionals policymakers and scholars this volume provides a critical perspective on how empirical research can enhance policing practices drive reform and strengthen oversight mechanisms within criminal justice systems Crime Prevention Daniel Gilling,2005-10-05 First published in 1997 This work summarizes and synthesizes the substantial crime prevention literature to provide an approachable and comprehensive text for students It sets out a critical analysis in the context of the politics of criminal justice policy **The Scottish Police Officer** Daniel Donnelly,2014-05-16 The structure of policing is undergoing change in Scotland at present and the profile of the police officer differs from that of the past This book takes an informative approach and offers a unique account and insight into the Scottish police organisation describing the Scottish police officer from the point of recruitment through to training development and specialist policing Written by an ex senior police officer this book examines how the qualified police officer goes about his her daily work policing and how this has changed over time as a result of organised crime terrorism and the changing priorities of the public and politicians The contribution of non police officers such as police civilian staff auxiliaries and the private sector plays a key role in the policing of Scotland in the 21st century and is considered at length As police supervision and management is crucial to the organisation s success the subjects of personnel development promotion and management in the police is examined with comment on the suitability of the system in the 21st century The book concludes with commentary on the future profile of the Scottish police officer and makes some general comparison with their colleagues in the rest of the UK and European Union This will be an essential text for police officers in Scotland and elsewhere and students and academics in the areas of law politics management police studies criminology and criminal justice
