

7 Key Body Safety Messages

1. **TALK** openly with your child - ensure they know they can talk to you about anything!
2. **TELL** your child never to keep secrets that make them feel bad and uncomfortable, even if threatened.
3. **BE WARY** of people who are always 'there' to help out and who take a special interest in your child.
4. **WATCH** for out-of-character behavioral changes in your child and investigate.
5. **LISTEN** to your child, even when you are busy and everything else seems more important - abused children often drop hints in conversations to gauge your reaction.
6. **ALWAYS** believe your child when they tell you about any forms of abuse; reassure them of your love and that they were never to blame - your initial reaction to a disclosure is very important.
7. **EDUCATE** your child in body safety before they are in the abuser's web, and their lives are changed forever.

WHAT IF I SUSPECT CHILD SEXUAL ABUSE?

Always remember boys and girls can become victims of child sexual abuse at any age. Never ignore a child who reports sexual abuse. Listen carefully to what the child says and call the Missouri child abuse hotline at 1-800-392-3738.
