Spectrum Of Decadence The Literature Of The 1890s:

Spectrum of Decadence Murray Pittock, 1993-01-01 **Spectrum of Decadence (Routledge Revivals)** Murray Pittock, Pro Vice-Principal and Bradley Professor Murray Pittock, 2014-04-15 The 1890s the Naughty Nineties was an exciting and flamboyant time in British life and literature First published in 1993 this title traces the genesis of the literary culture of the 1890s through some of the popular novels and literary texts of the period By examining works by such writers as Oscar Wilde Bram Stoker W B Yeats and Walter Pater Murray Pittock analyses the nature of the Decadent era and the artistic theories of Symbolism and Aestheticism Significantly he provides a full assessment of the lasting impact that the thought of the period has had on our own understanding of our cultural past *Spectrum of Decadence* explores the confrontations between art and science sex and mortality desire and virtue which the author argues are as much a part of modern society's fin de siècle as they were of the nineteenth century's This reissue bridges the gap between literary texts historical context and contemporary critical theory **Decadent Catholicism and the Making of Modernism** Martin Lockerd, 2020-06-25 Tracing the movement of literary decadence from the writers of the fin de siècle Oscar Wilde Aubrey Beardsley Ernest Dowson and Lionel Johnson to the modernist writers of the following generation this book charts the legacy of decadent Catholicism in the fiction and poetry of British and Irish modernists Linking the later writers with their literary predecessors Martin Lockerd examines the shifts in representation of Catholic decadence in the works of W B Yeats through Ezra Pound to T S Eliot the adoption and transformation of anti Catholicism in Irish writers George Moore and James Joyce the Catholic literary revival as portrayed in Evelyn Waugh's *Brideshead Revisited* and the attraction to decadent Catholicism still felt by postmodernist writers D B C Pierre and Alan Hollinghurst Drawing on new archival research this study revisits some of the central works of modernist literature and undermines existing myths of modernist newness and secularism to supplant them with a record of spiritual turmoil metaphysical uncertainty and a project of cultural subversion that paradoxically relied upon the institutional bulwark of European Christianity Lockerd explores the aesthetic sexual and political implications of the relationship between decadent art and Catholicism as it found a new voice in the works of iconoclastic modernist writers

The Poetics of Decadence Fusheng Wu, 1998-04-30 A reconsideration of Chinese decadent *tuifei* poetry which argues that this poetry is not a marginal trend but rather a vital part of the Chinese literary tradition *Fictions of British Decadence* Kirsten MacLeod, 2006-04-21 *Fictions of British Decadence* is a fresh account of the emergence development and legacy of fiction written in the era of Oscar Wilde It examines a broad range of texts by a diverse array of Decadent writers from familiar figures such as Ernest Dowson and John Davidson to lesser known innovators such as Arthur Machen and M P Shiel

Rediscovering Rubén Darío through Translation Carlos F. Grigsby, 2024-06-13 A long overdue examination of Rubén Darío's multilingual work and influences alongside the contexts and politics of canonization in world literature *Rediscovering Rubén Darío through Translation* addresses the peculiar obscurity of Darío by asking these questions How can one of the most

important writers of a major world language be almost entirely unknown in the English speaking world How is it that other writers of the same language e g Lorca or Garc a M rquez achieve widespread recognition in the anglophone world while he remains unnoticed What role does translation play in this What can it tell us about the way in which world literature is articulated Carlos F Grigsby approaches Dar o s oeuvre through translation In doing so he explores not only the place of Dar o in the translation of Spanish American literature into English but also the place of translation in Dar o s own writing The result is a double sided painting as it were the recto is titled Translation in Dar o and the verso Dar o in Translation This book challenges the field of world literature by revealing some of the biases present in its representation of Spanish American literature It adopts a multilingual framework chiefly using English Spanish French and to a lesser degree Latin and Catalan in analyzing Dar o s writing alongside that of his contemporaries As a result it reveals the multilingualism of Dar o s own writing opening new avenues for the study of his work and of Spanish American modernismo more generally **Diagnosing**

Literary Genius Irina Sirotkina, 2003-04-30 Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures from the Modern Language Association The vital place of literature and the figure of the writer in Russian society and history have been extensively studied but their role in the evolution of psychiatry is less well known In **Diagnosing Literary Genius A Cultural History of Psychiatry in Russia 1880 1930** Irina Sirotkina explores the transformations of Russian psychiatric practice through its relationship to literature During this period psychiatrists began to view literature as both an indicator of the nation s mental health and an integral part of its well being By aligning themselves with writers psychiatrists argued that the aim of their science was not dissimilar to the literary project of exploring the human soul and reflecting on the psychological ailments of the age Through the writing of pathographies medical biographies psychiatrists strengthened their social standing debated political issues under the guise of literary criticism and asserted moral as well as professional claims By examining the psychiatric engagement with the works of Fyodor Dostoevsky Nikolai Gogol Leo Tolstoy and the decadents and revolutionaries Sirotkina provides a rich account of Russia s medical and literary history during this turbulent revolutionary period **Walter Pater** Kate Hext, 2016-06-30 Repositioning Walter Pater at the philosophical nexus of Aestheticism this study presents the first discussion of how Pater redefines Romantic Individualism through his

engagements with modern philosophical discourses and in the context of emerging modernism *The World of Shakespeare's Sonnets* Robert Matz, 2014-07-15 Of Shakespeare s sonnets we know the crystalline meter exquisite diction and exhilarating surprise of the turn in the final couplet By contrast we know very little of their subjects and motives This book does not approach the sonnets as Shakespearean autobiography but instead delineates the customs that shaped the poet s world and thus his sonnets It argues for understanding them as brilliant edgy expressions of the equally brilliant edgy culture of the English Renaissance **Rhythmical Subjects** Laura Marcus, 2024-02-15 Drawing on extensive archival research **Rhythmical Subjects** shows the ways in which literature dance music the visual arts and architecture drew from and fed into the realms

of social and anthropological thought
