

# Carolyn Miller's Sportacular Warmups Book Two

## Foreword

The purpose of this series is to increase the student's technical ability. Each book contains material designed to strengthen fingers, increase flexibility, and help the student master the many technical skills needed to perform. *Sportacular Warmups* combines sports and music. Students can relate the musical exercise to a similar activity in the five sport areas. At the end of each section there is a solo that is made up of exercises from that section. This is a wonderful review.

I hope your students will enjoy *Sportacular Warmups* and will become "Sportacular" pianists!

Carolyn Miller
