Sports Encyclopedia Pro Basketball:

The Sports Encyclopedia, Pro Basketball David S. Neft, 1975 The Sports Encyclopedia David S. Neft, 1992 **The Sports Encyclopedia**, 1990 **The Sports Encyclopedia** David S. Neft, 1991 **Historical Dictionary of Basketball** John Grasso, 2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball s inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men s women s Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game **Basketball** David L. Porter, 2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game *Basketball in America* Frank Hoffmann, Robert P Batchelor, Martin J Manning, 2016-05-23 Examine the social and cultural impact of basketball on America at the amateur and professional levels Basketball in America From the Playgrounds to Jordan s Game and Beyond is a pioneering analysis of the history of basketball and its effect on popular culture from the 1970s to today The popularity of basketball is undeniable and the subject allows for such a broad range of

interpretations in popular culture It cuts across economic racial and social boundaries and its major stars cross over into other forms of popular entertainment more than any other professional sport This book examines the entire scope of modern basketball history from the playgrounds where people first learn the fundamentals to the college and professional levels Basketball in America is a collection of essays that explores the intersection of basketball and popular culture in America The contributors are an eclectic mix of writers scholars journalists former players coaches and sports enthusiasts who all share an undying love for the game of basketball The authors analyze the sport from a cross cultural and historical perspective digging deep into the profound popular cultural influences of basketball and exploring the scope and depth of its influence This is the first book that examines the social and cultural impact of basketball on American society to reveal how tightly it is woven into America s cultural fabric Also included are photographs and tables to enhance your understanding of the material Topics covered in Basketball in America include Elgin Baylor the first modern basketball player Chocolate Thunder and Short Shorts The NBA in the 1970s Dr J Bird Magic Jordan and the Bad Boys The NBA in the 1980s The Jordan Era The NBA in the 1990s LeBron James and the future of the NBA the Nike brand and popular culture lessons learned from legendary UNC coach Dean Smith professional women s basketball and much more Basketball in America is a comprehensive analysis that will appeal to anyone interested in understanding how the sport has become an integral part of our national culture It is an insightful read for sports fans as well as for sports historians In addition this book can be used as a textbook in sports history or sociology of sports classes It will entertain and inform those who treasure basketball and the role it plays in the American consciousness Make it part of your collection today [The Basketball Draft Fact Book](#) Robert D. Bradley, 2013-05-02 On June 2nd 1947 the Basketball Association of America BAA and the National Basketball League NBL held the first college basketball draft in the history of the sport The two leagues selected a combined 100 college seniors including future Hall of Famers Harry Gallatin Andy Phillip and Jim Pollard Since then over 9 000 draft choices have been made by the major professional basketball leagues The Basketball Draft Fact Book is the first detailed and comprehensive listing of all professional basketball drafts in the history of the sport from the first draft in 1947 to the present In The Basketball Draft Fact Book each season s draft is summarized noting significant events and circumstances pertinent to that year and providing insight into the unique conditions and notable players involved Following the summary is a complete list of all players drafted that season This book includes not only the NBA but the American Basketball League American Basketball Association and the Women s National Basketball Association as well Additional sections cover expansion and dispersal drafts international players selected in the draft the processes used to determine the order of the drafts the impact of trades and more The Basketball Draft Fact Book provides an authoritative history of basketball drafts in the U S with more complete and accurate information than any other source Containing corrections to hundreds of errors in the draft information currently available this volume is a valuable resource for basketball fans historians writers and researchers *The Rise of the*

National Basketball Association David George Surdam, 2012-10-23 Today's National Basketball Association commands millions of spectators worldwide and its many franchises are worth hundreds of millions of dollars. But the league wasn't always so successful or glamorous. In the 1940s and 1950s the NBA and its predecessor the Basketball Association of America were scrambling to attract fans. Teams frequently played in dingy gymnasiums, players traveled as best they could, and their paychecks could bounce higher than a basketball. How did the NBA evolve from an obscure organization facing financial losses to a successful fledgling sports enterprise by 1960? Drawing on information from numerous archives, newspaper and periodical articles, and Congressional hearings, *The Rise of the National Basketball Association* chronicles the league's growing pains from 1946 to 1961. David George Surdam describes how a handful of ambitious ice hockey arena owners created the league as a way to increase the use of their facilities, growing the organization by fits and starts. Rigorously analyzing financial data and league records, Surdam points to the innovations that helped the NBA thrive: regular experiments with rules changes to make the game more attractive to fans, and the emergence of televised sports coverage as a way of capturing a larger audience. Notably, the NBA integrated in 1950, opening the game to players who would dominate the game by the end of the 1950s decade: Bill Russell, Elgin Baylor, Wilt Chamberlain, and Oscar Robertson. Long a game that players loved to play, basketball became a professional sport well supported by community leaders, business vendors, and an ever-growing number of fans.

African-American Sports Greats David L. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success. This is the first comprehensive multi-sport biographical dictionary of African Americans who reached the pinnacles of success in their sport. It contains more personal and career profiles of African American sports greats than are found in any other single source. Biographical profiles of 166 noted athletes, coaches, and administrators in team and individual sports include both historical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley, Ken Griffey Jr., Michael Jordan, Jackie Joyner Kersee, Shaquille O'Neal, and Emmitt Smith. Forty-four sports historians contributed the colorfully written biographies, which blend both personal background information and athletic career accomplishments. All information is current through the middle of 1995. The dictionary covers the contributions made by African American greats in football, baseball, basketball, track and field, boxing, wrestling, auto and stock car racing, golf, thoroughbred racing, tennis, cycling, and figure skating. More than two-thirds of the entries represent team sports. The dictionary is organized alphabetically by person. Each colorfully written profile is 800-1,000 words in length and traces the subject's personal life, family, and educational background, personal struggles, career accomplishments, records, set statistical data, awards, and honors, and overall impact, and features lively quotations by and about the sports luminaries. Each entry contains a handy bibliography of books and articles about the subject. Biographies of managers, coaches, and club executives describe their teams, statistical achievements, accomplishments, strategy, and sports impact. A general introduction

traces the historic struggle of African American athletes in professional and Olympic sports and appendices provide alphabetical listings of biographical entries and entries by sport A selection of photos complement the profiles For the sports fan or librarian this is a first stop for biographical information that captures the personality of the athlete and includes all the pertinent information about his or her accomplishments It is an essential addition to the reference sections of junior high high school and public libraries
