Sports Outreach Impact Team Studies:

Sport and Exercise Psychology Stewart Cotterill, Neil Weston, Gavin Breslin, 2016-06-13 SPORT AND EXERCISE PSYCHOLOGICAL This book is a joy to read and greatly needed The overall scholarly quality is very strong and the chapters are clear accessible helpful and interesting a rare combination There are few texts that examine sport and exercise from a practitioner s perspective and fewer that help students and trainees navigate the complex terrain of practice The editors should be congratulated on pulling together a book that educates inspires provokes and will be of practical use Professor Brett Smith School of Sport Exercise and Rehabilitation Sciences University of Birmingham Sport and Exercise Psychology Practitioner Case Studies is a contemporary text focusing on current issues in the discipline of sport and exercise psychology Integrating research and practice in order to develop a coherent understanding of existing knowledge future research directions and applied implications within the field the text explores issues pertinent to the applied practitioner supervisor and draws on expert commentary to investigate potential solutions to many key issues Each chapter uses a case study approach to allow internationally recognized contributors to highlight and evaluate their experience across a broad range of sport and exercise performance areas Practitioners are provided with a full range of available interventions to address specific types of psychological issue including performing under pressure working with teams injury rehabilitation working with coaches mental toughness career transitions athlete well being physical activity promotion exercise and body image lifestyle interventions exercise dependence and motor learning and control Sport and Exercise Psychology is supported by a range of online materials designed to help both study and practice It presents content that is directly applicable to those seeking to enter the profession and which can also inform the ongoing development of reflective practitioners **Research Handbook on Sports and Society** Elizabeth C.K. Pike, 2021-05-28 This state of the art Research Handbook provides a challenging and critical examination of the complex issues surrounding sports in contemporary societies Featuring contributions from world leading scholars it focuses upon the impact of their research together with significant social issues and controversies in sport *Routledge Handbook of the Global South in Sport for Development and Peace* Billy Graeff, Simona Šafaříková, Lin Cherurbai Sambili-Gicheha, 2024-07-18 This book explores the field of Sport for Development and Peace SDP putting Global South voices and perspectives at the centre of the analysis Covering a wide range of thematic and methodological areas that inform existing and emerging discourses in SDP it represents an unparalleled resource for researchers and practitioners working in this area Arranged into geographical sections covering Africa Asia South America North America and Oceania the book presents original research in Global South countries or by Global South researchers and practitioners sometimes in collaboration with colleagues from the Global North It highlights practices and theories created developed interpreted and reinterpreted by people who belong to the communities where these sporting experiences have been taking place and whose critical reflections and experiences have yet to gain attention in international academic

and practitioner communities in the English language The book presents the views of diverse stakeholders programme participants promoters coaching staff volunteers researchers teachers lecturers and other actors that have been difficult to access for researchers who do not usually speak languages other than English A landmark publication in the field of SDP this book is essential reading for any advanced student researcher practitioner or policy maker with an interest in the value of sport in international development *Psychological Aspects of Sport-Related Concussions* Gordon Bloom,Jeffrey

Caron,2019-03-13 Recognition of concussion as a serious injury informed by neurological and physiological research is now commonplace in sport However research on the psychology of concussive injury its psychological implications and outcomes and psychological interventions for prevention and recovery has largely been overlooked This is the first book to explicitly and authoritatively set out the psychological aspects of sport related concussion from a multidisciplinary and global perspective The book attempts to offer a global understanding of the injury by presenting an historical overview exploring the psychological implications of sport related concussion and the influence of gender and sociocultural context on concussive injury and recovery setting out practical guidance on working with special populations suffering from concussive injuries and discussing the theoretical and methodological considerations for research on concussion and future directions for this research Written by a group of leading international experts and offering a hitherto underdeveloped perspective on this crucial area of sports injury research this book is crucial reading for any upper level student researcher sport scientist coach or allied health professional working on sport related concussion It is also valuable reading for students and researchers interested in the psychosocial processes that impact injury and recovery or general professional practice in sport psychology **Towards a Pacific Island Sociology of Sport** Yoko Kanemasu,2024-10-10 Extending the horizon of regional sport scholarship beyond the Global North this volume offers an exciting opportunity for sociology of sport scholars to widen the scope of their research in search of fuller understandings of the forms meanings dynamics and impacts of sport for Pacific peoples Routledge Handbook of Sport and Corporate Social Responsibility Juan Luis Paramio Salcines,Kathy

Babiak,Geoff Walters,2013-07-18 As the role of sport in society becomes ever more prominent and as sports organisations become increasingly influential members of the global community so it has become more important than ever for sport to consider its wider social responsibilities The Routledge Handbook of Sport and Corporate Social Responsibility is the first book to offer a comprehensive survey of theories and concepts of CSR as applied to sport and the social ethical and environmental aspects of sport business and management It offers an overview of perspectives and approaches to CSR in sport examines the unique features of the sport industry in relation to CSR explores the tools models common pitfalls and examples of best practice on which managers can draw and discusses how CSR and corporate citizenship can be integrated into the sport management curriculum The book covers every key issue and functional area including implementation strategic benefits communication and corporate image stakeholder engagement and the measurement and evaluation of CSR

policies and practices and includes detailed international case studies from the NBA and the Olympic Games to Japanese soccer The Routledge Handbook of Sport and Corporate Social Responsibility is important reading for any student researcher manager or policy maker with an interest in sport business management ethics or development *Sport in Korea* Dae Hee Kwak,Yong Jae Ko,Inkyu Kang,Mark Rosentraub,2017-07-28 Korea has become a powerful force in global sport with South Korea finishing fifth in the medals table at London 2012 and hosting the Winter Olympics in 2018 This book brings together scholars from disciplines including sport history sociology journalism economics sport development and sport management to explore the significance of sport in contemporary Korea Presenting a variety of international perspectives it plots the dynamic evolution of sport in Korea and envisions the possibilities for its future Each chapter focuses on a key topic of current relevance such as sport in the context of shifting relations between North and South Korea or the role of sport in the expression of Korean nationalism Arguing that individuals institutions businesses and governments have actively leveraged or exploited sport to influence developments in various social economic cultural and political arenas this book sheds new light on the importance of sport as a catalyst for change in Korea This is indispensable reading for any student or scholar with an interest in sport history and culture in Korea *Sport Marketing* Windy Dees,Patrick Walsh,Chad D. McEvoy,Stephen McKelvey,2025-09-29 Now in its sixth edition Sport Marketing has all the tools students need to step into the ever changing arena of sport marketing Industry examples and practical projects along with case studies and interviews from top sports executives make this text indispensable for aspiring sport marketers **Corporate Social Responsibility and Governance** Panagiotis Dimitropoulos,Efthalia (Elia) Chatzigianni,2022-03-10 Corporate social responsibility CSR has developed into a crucial corporate and organizational issue around the world It has been incorporated into various sectors and countries and includes many types of activities and dimensions It is a common notion that organizations are more inclined today to broaden and shift their performance focus from short term goals towards long term social environmental and value added perspectives Under the framework of corporate governance organizations and companies are motivated to promote fairness transparency ethics and accountability in their transactions while concurrently maintaining enhanced standards of governance This means that organizations and corporations must align their activities with community aspirations which is an issue falling within the sphere of CSR Increased attention has been placed on the organizations regarding their approach towards the needs of various stakeholders However a crucial issue that this book attempts to address is the association intersection and inter relationship between governance and CSR within the EU region which are not adequately established in the existing literature The book will show that governance and CSR are highly connected With the purpose of studying the association of CSR with legal managerial and empirical aspects of governance in corporations and not for profit organizations in various sectors of the economy the book also intends to provide useful policy implications as well as to offer constructive directions for future research This book will be of value to researchers academics

practitioners policymakers and students in the fields of CRS and governance organizational theory marketing management business ethics and human resource management International Sport Management Eric MacIntosh, Gonzalo Bravo, Ming Li, 2019-03-05 International Sport Management is the first comprehensive textbook devoted to the organization governance business activities and cross cultural context of modern sport on an international level As the sport industry continues its global expansion this textbook serves as an invaluable guide for readers as they build careers that require an international understanding of the relationships influences and responsibilities in sport management Through a systematic presentation of topics and issues in international sport this textbook offers a long overdue guide for students in this burgeoning subfield in sport management Editors Li MacIntosh and Bravo have assembled contributors from all corners of the globe to present a truly international perspective on the topic With attention to diversity and multiple viewpoints each chapter is authored by distinguished academics and practitioners in the field A foreword by esteemed sport management scholar Dr Earle Zeigler emphasizes the importance of a dedicated study of the issues in international sport management All chapters in the text use a global perspective to better showcase how international sport operates in various geopolitical environments and cultures The text is arranged in five parts each serving a unique purpose To outline the issues associated with international sport management To examine sport using a unique perspective that emphasizes its status as a global industry To introduce the structure of governance in international sport To examine the management essentials in international sport To apply these strategies in the business segments of sport marketing sport media and information technology sport facilities and design sport event management and sport tourism Written to engage students International Sport Management contains an array of learning aids to assist with comprehension of the material It includes case studies and sidebars that apply the concepts to real world situations and demonstrate the varied issues challenges and opportunities affecting sport management worldwide Chapter objectives key terms learning activities summaries and discussion questions guide learning in this wide ranging subject area In addition extensive reference sections support the work of practitioners in the field With International Sport Management both practicing and future sport managers can develop an increased understanding of the range of intercultural competencies necessary for success in the field Using a framework of strategic and total quality management the text allows readers to examine global issues from an ethical perspective and uncover solutions to complex challenges that sport managers face With this approach readers will learn how to combine business practices with knowledge in international sport to lead their current and future careers International Sport Management offers readers a multifaceted view of the issues challenges and opportunities in international sport management as well as the major functional areas that govern international sport The text provides students academics and practitioners with critical insights into the practice of business as it applies to international sport
