Richard Bradford

Sports Tough Guys:

Sports Tough Guys John Devaney, 1982 **Tough Guys** Dale Arnold, Shawn Thornton, 2023-11-07 There is only one sport outside of actual combat disciplines where two participants can square off in old fashioned bare knuckle pugilism without facing swift ejection Hockey has long held a place for two willing combatants and it has been said that no one goes for popcorn during a fight Fans know what to expect on the ice from players with nicknames like Knuckles The Grim Reaper The Bruise Brothers or The Hammer Yet off the ice the men who step into these brutish roles are often the kindest gentlest and most popular players on a team not to mention some of the best storytellers to ever lace up skates Tough Guys honors the experiences of these NHL enforcers throughout history Author and longtime broadcaster Dale Arnold profiles fighters across eras sharing their journeys struggles and moments of glory **Tough Guy** Richard Bradford, 2023-01-19 The first biography to examine Mailer's life as a twisted lens offering a unique insight into the history of America from the end of World War II to the election of Barack Obama Twice winner of the Pulitzer Prize firstly in 1969 for *The Armies of the Night* and again in 1980 for *The Executioner's Song* Norman Mailer's life comes as close as is possible to being the Great American Novel beyond reason inexplicable wonderfully grotesque and addictive *The Naked and the Dead* was acclaimed not so much for its intrinsic qualities but rather because it launched a brutally realistic sub genre of military fiction *Catch 22* and *MASH* would not exist without it Richard Bradford combs through Mailer's personal letters to lovers and editors which appear to be a rehearsal for his career as a shifty literary narcissist and which shape the characters of one of the most widely celebrated World War II novels Bradford strikes again with a merciless biography in which diary entries journal extracts and newspaper columns set the tone of this study of a controversial figure From friendships with contemporaries such as James Baldwin failed correspondences with Hemingway and the Kennedys to terrible but justified criticism of his work by William Faulkner and Eleanor Roosevelt this book gives a unique snappy and convincing perspective of Mailer's ferocious personality and writings **Pittsburgh Sports** Randy Roberts, 2000-02-22 Summer afternoons at Forbes Field playoff Sundays with the Steelers winter nights at the Igloo cheering for Mario and the Penguins Pittsburgh Sports captures all that and more With stories from sports fans historians and former athletes Pittsburgh Sports mixes personal experiences with team histories to capture the full range of what it means to be a sports fan in Pittsburgh or by extension anywhere A book that can be read cover to cover or in bits and pieces Pittsburgh Sports includes chapters on the ill fated Pittsburgh Pipers who won the American Basketball Association's first championship then folded four years later the Pittsburgh Crawfords and the Homestead Grays perennial Negro League powerhouses Johnny Unitas Joe Namath Jim Kelly Joe Montana Dan Marino and other legends of western Pennsylvania high school football boxing's illustrious past in the Iron City football reminiscences by a former Steelers punter and the ups and downs of the Pittsburgh Pirates *Sports Violence* Anne Wallace Sharp, 2011-08-19 Sports violence according to National Collegiate Athletic Association is a behavior that aims to harm

another player as a primary goal According to a NCAA Social Environments Study 45 percent of men and 29 percent of women are willing to do whatever it takes to win and more than a fifth of men believe winning is more important than good sportsmanship This accessible edition examines the issues surrounding violence in the world of sports and provides an overview of the topic Readers will be inspired to think critically about topics such as the reduction and prevention of violence in sports violence perpetrated by nonathletes such as spectators and coaches and the relationship between competition and aggression *Action TV: Tough-Guys, Smooth Operators and Foxy Chicks* Anna Gough-Yates, Bill Osgerby, Anna Gough Yates, 2013-10-18

From re runs of TV classics like *The Avengers* or *Starsky and Hutch* to soundtracks club nights and film remakes such as *Mission Impossible II* the action series is enjoying a popular revival Yet little attention has been paid to the history nature and enduring appeal of the action series and its place in popular culture past and present *Action TV* traces the development of the action series from its genesis in the 1950s From *The Saint* to *Knight Rider* contributors explore the key shows which defined the genre addressing issues of audiences and consumption gender and sexuality fashion and popular culture They examine the institutional and cultural factors influencing the action series and relate shifts in the genre to other forms of popular culture including film pop music fashion and popular literature Chapters include *Of leather suits and kinky boots* *The Avengers style and popular culture* *Who loves ya baby* *Kojak action and the great society* *A lone crusader in a dangerous world* *heroics of science and technology in Knight Rider* *Angels in chains* *feminism femininity and consumer culture in Charlie's Angels* *Who's the cat that won't cop out* *Black masculinity in American action shows of the sixties and seventies* **Sport, Masculinities and the Body** Ian Wellard, 2009-05-07

This groundbreaking work explores masculinity and the body within sports Through participant observations sporting life history interviews and research with children Wellard highlights the social processes which impact upon individual constructions and formulations of masculine identity and reviews these in relation to broader debates on gender embodiment and sporting participation **Sociological**

Perspectives on Sport David Karen, Robert Washington, 2015-03-02 *Sociological Perspectives on Sport* *The Games Outside the Games* seeks not only to inform students about the sports world but also to offer them analytical skills and the application of theoretical perspectives that deepen their awareness and understanding of social processes linking sports to the larger social world With six original framing essays linking sport to a variety of topics including race class gender media politics deviance and globalization and 37 reprinted articles this text reader sets a new standard for excellence in teaching sports and society **Fight Sports and American Masculinity** Christopher David Thrasher, 2015-06-14

Throughout America's past some men have feared the descent of their gender into effeminacy and turned their eyes to the ring in hopes of salvation This work explains how the dominant fight sports in the United States have changed over time in response to broad shifts in American culture and ideals of manhood and presents a narrative of American history as seen from the bars gyms stadiums and living rooms of the heartland Ordinary Americans were the agents who supported and participated in fight sports and

determined its vision of masculinity This work counters the economic determinism prevalent in studies of American fight sports which overemphasize profit as the driving force in the popularization of these sports The author also disputes previous scholarship s domestic focus with an appreciation of how American fight sports are connected to the rest of the world

The Best American Sports Writing 2009 Leigh Montville, Glenn Stout, 2009 Presents an anthology of the best sports writing published in 2014 selected from American magazines and newspapers
