Sports Great Michael Chang:

Sports Great Michael Chang Christin Ditchfield,1999 At the age of nineteen Michael Chang became the youngest man to ever win the French Open tennis tournament Since then his strong relationship with his family and his faith have kept him near the top of the tennis world and have made him perhaps the most successful Chinese American athlete of all time Author Christin Ditchfield takes the reader through an inspiring story of a man whose hard work and dedication have put him where he is today **The Great Delaware Sports Book** Doug Gelbert,1995 **Racer for Sport** Mike Lipschitz,2020-12-03 The

most effective coaching books make you analyse your approach to a sport introducing a concept or idea that can have a huge impact on you as a player a team a coach or an observer RACER and SELF are game changers which can help you make positive and constructive changes to aid improvement and boost performance at any level no matter what sport you play or coach Written by award winning coach Mike Lipschitz the unique RACER system explains in an accessible interesting humorous and anecdotal manner the essential principles that he has developed during a lifetime of experiences education and essential qualifications in sports coaching and academia At Mike s Tennis Academy Mike and his team of coaches implement this unique philosophy with students of all ages and abilities helping them to maximise their potential Now it s your turn **Holding Serve** Michael Chang,Mike Yorkey,2002 Tennis pro Michael Chang shares his personal story of faith family and the determination that made him one of America s greatest athletes **Asian American Athletes in Sport and Society** C. Richard King,2014-10-24 For more than a century sporting spectacles media coverage and popular audiences have staged athletics in black and white Commercial media and academic accounts have routinely erased excluded ignored and otherwise made absent the Asian American presence in sport This book seeks to redress this pattern of neglect presenting a comprehensive perspective on the history and significance of Asian American athletes coaches and teams in North America The contributors interrogate the sociocultural contexts in which Asian Americans lived and played detailing the articulations of power and possibility difference and identity representation and remembrance that have shaped the means and meanings of Asian Americans playing sport in North America This volume will be of interest to students and scholars of the Asian American experience ethnic relations and the history of sport The Catholic Library World John M. O'Loughlin,Francis Emmett Fitzgerald,1998 Sport Psychology Essentials Dave Collins,Andrew Cruickshank,2022-04-15 This comprehensive look at sport psychology presents current research based information and applied techniques to benefit coaches athletes performance specialists and sport psychology consultants Topics include making sport psychology work strengthening athletes performance mindset and enhancing team performance potential Special emphasis is placed on developing confidence increasing motivation and preparing individuals and teams for optimal performance **Kneeling in the End Zone** Josh Tinley,2009-10-27 Kneeling in the End Zone takes the often overlapping worlds of sports and religion and turns them upside down Athletes coaches fans and broadcasters often bring faith into the world of sports whether through on

field prayers post game interviews biblical bleacher signs or using faith language or scriptural metaphors to describe an incredible play or performance Kneeling in the End Zone aims to do the exact opposite using sports as a lens through which to look at the Christian faith It uses sports as a metaphor drawing parallels between scriptural stories and memorable tales from the field or court and looks at those transcendent moments in sports history that reveal larger truths about life
