Spot On My Bum:

Who's My Bottom? Christopher Gillett, 2011 Very funny painfully honest and invariably true A real insight into a working opera singer's life Nicholas Hytner The descriptions of rehearsals are very funny Ian Hislop It's no exaggeration to say that Who's My Bottom made me laugh out loud abruptly and in public places many times and brought tears to my eyes at others Steven Blier LOVED it It was a terrific can't put it down read It arrived two days ago and is already dog eared I loved his style of writing and his frankness and honesty were both refreshing and beguiling Great Graham Clark I loved it I laughed till I cried and I think you are a bloody genius Susan Bullock Terrific By turns hilarious and touching Clive Bayley Mind is the Ride Jet McDonald, 2019-05-16 When Jet McDonald cycled four thousand miles to India and back he didn't want to write a straightforward account He wanted to go on an imaginative journey The age of the travelogue is over today we need to travel inwardly to see the world with fresh eyes Mind is the Ride is that journey a pedal powered antidote to the petrol driven philosophies of the past The book takes the reader on a physical and intellectual adventure from West to East using the components of the bike as a metaphor for philosophy which is woven into the cyclist's experience Each chapter is based around a single component and as Jet travels he adds new parts and new philosophies until the bike is built the ride to India is completed and the relationship between mind body and bicycle made apparent **Victory** Aimee Goodwin, 2014-08-15 After fighting a seven year battle with Lyme disease Aimee Goodwin has written of her struggles with the disease and with the medical community to receive a diagnosis and treatment She writes of the dark moments of sickness and of her eventual triumph over Lyme disease Passionate in the cause of Lyme awareness she desires her book to be a message of hope for all of those who may be on a similar path and to help others have a better understanding of those close to them that may be fighting this silent monster *The Lonely Detective* Charles E. Schwarz, 2001-08 Four absolutely funny culturally outrageous who done it stories whose unique detective a lonely disrespected anti hero sees sacred beliefs turned upside down as he solves the mysterious deaths of a rich Tasty Cake deliveryman a woman supporting the correct causes a bum exposing the correct causes and a disillusioned volunteer involved in the correct causes *Find a soft spot to land on* Michael Coatesworth, 2019-12-16 Another wonderfully warm and addictive tale from Michael Coatesworth We accompany him on a journey which takes us from him growing up in the 1950s through very testing times to almost present day A thought provoking tale of one man's sometimes difficult and traumatic journey through life and those people who touched his life along the way Discipline at home was strict and harsh and when his father decides that it's time that he stood on his own two feet he turns him out on to the streets at the tender age of 14 It is heart warming that after so much heartache and upset the author finds a woman to marry and share his life with Without her unwavering support from the good times to the sometimes very bad a new family unit is formed to provide the love support and companionship which was sometimes lacking in his earlier years **Danny Baker Record Breaker: The World's Biggest Bogey** Steve Hartley, 2010-01-01 Like many

young boys Danny dreams of making it into the record books Eternally optimistic he writes to Mr Bibby Keeper of the Records with hilarious accounts of his yucky endeavours In this book Danny Baker will attempt to break the following records Drumroll please Heaviest ball of snot DB attempt 1 4 grams Most nits on a single human head DB attempt 109 Smelliest feet DB attempt 205 children and 5 teachers rendered unconscious within 10 seconds [Arse-Up Creek](#) Al Lester,2010-08-02
