Spotlight On Br British Railways 1948-1998:

The Locomotives of Robert Riddles Colin Boocock, 2023-11-09 The Locomotives of Robert Riddles guides the reader in the quest to understand how Robert Riddles career on the LMS and in war service shaped his knowledge and character and led to him becoming the obvious choice for leading the locomotive engineering function within the newly formed Railway Executive The book outlines the substantial impact Riddles had on the design and supply of locomotives that were to support the Allied military campaigns in the second world war including useful analysis of the types of locomotives specifically designed for that work The bulk of the book outlines the decision making processes that led to the twelve designs of standard steam locomotives that were intended to be the future stop gap before electrification and the political and practical reasons for successive policy changes that led to their unexpectedly short lives Those events include the 1955 Modernization Plan with its emphasis on dieselization and the subsequent railway rationalizations that reduced the need not only for new steam locomotives but also made relatively new diesels redundant Each BR standard locomotive type is described in its own chapter The performance of each class is given its rightful emphasis The book is comprehensively illustrated with largely unpublished pictures that cover a wide range of locations and locomotive duties *Ernest Marples* David Brandon, Martin

Upham, 2022-01-12 This biography examines the life and career of the conservative politician who led the charge to reshape British Railways in the mid twentieth century Ernest Marples was one of the most influential and controversial British politicians of the mid twentieth century As the Minister of Transport 1959-1964 he appointed Dr Beeching chairman of British Railways and commissioned him to produce his infamous Beeching Report Earlier as Postmaster General 1957-1959 he reformed Post Office accounting systems and launched postcodes and Subscriber Trunk Dialing Though Marples evaded implicated in the Profumo Affair which rocked the Conservative Party his political career was over soon afterwards Questionable business practices and a 1975 flight to Monaco drew scrutiny from Inland Revenue Beeching unhappy under a Labour government returned to private industry This biography of Marples draws on newly available archives to examine Marples s career as well as public and private transport policy the growing power of the pro road lobby and the successful campaign to identify personal freedom with driving *The British National Bibliography* Arthur James Wells, 2000 **The**
