Spotlight On Diamonds:

Spotlight on Diamonds Graham Rickard, 1988 Discusses the mining of diamonds and their processing for industrial use or as jewelry *Hornyheads, Madtoms, and Darters* Stuart A. Welsh, 2023-11-07 A collection of essays on nature naturalists and the natural history of fishes in central Appalachia A nature lover's paradise central Appalachia supports a diversity of life in an extensive network of waterways and is home to a dazzling array of fish species This book focuses not only on the fishes of central Appalachia but also on the fascinating things these fishes do in their natural habitats An ecological dance unfolds from a species and population perspective although the influence of the community and the ecosystem also figures in the text Stuart A Welsh's essays link central Appalachian fishes with the complexities of competition and predation species conservation parasitic infections climate change public attitudes reproductive and foraging ecology unique morphology habitat use and nonnative species The book addresses a selection of the families of central Appalachian fishes including lampreys gars freshwater eels pikes minnows suckers catfishes trouts trout perches sculpins sunfishes and perches These essays often refer to the works of naturalists who contributed to our knowledge of nature during previous centuries and who recorded their discoveries when science writing was less concise than it is today Although many of these works are nearly forgotten these early naturalists built a strong knowledge base that supports much of our current science and thus merits reexamination Most people are not scientists but many have an interest in nature and are in their own way naturalists This book is for those people willing to peer beneath the water's surface

Dictionary of Gems and Gemology Mohsen Manutchehr-Danai, 2013-03-09 Since World War II the amount of information generated in the science of Gemology has increased tremendously Therefore this book Dictionary of Gems and Gemology was written with the aim of providing a relatively complete dictionary to assist all students hobbyists scientists and interested parties in the fields of Gems and Gemology The forerunner to this book was called Dictionary of Gems and Gemology English Persian Persian English published in Tehran Iran in 1997 It was written with the aid of more than thirty reference books relating to gemology In response to the effort required to clarify the terms within I decided to compile a book that brings all the relevant terms into one book This new book eliminates the use of different reference books and compiles nearly all the relevant terms into a one stop useful text It took twenty five years to collect the terms and the information so as to present a complete and functional lexicon The text is supported by nearly 170 illustrations and 21 tables to provide detailed and succinct information I hope and trust that this book will reach the high standard of other gemological dictionaries If you have criticisms or suggestions please feel free to contact me Professor Dr Mohsen Manutchehr Danai Los Angeles Tehran Regensburg Acknowledgments The author acknowledges all those who were of valuable assistance during the writing and publishing of this book
