Spreading The Word Language And Dialect In America

John McWhorter

Spreading The Word Language And Dialect In America:

Spreading the Word John H. McWhorter, 2000 In *Spreading the Word* linguist John McWhorter proves that nonstandard dialects are not bastardizations of Standard English but alternate variations upon the basic plan of English of which the Standard is but one

Turning the Page Rachel Slaughter, 2022-04-13 The workbook and journal industry is exploding as people find a multitude of ways to supplement their academic engagement while learning online Designed to be a companion text to *Turning the Page The Ultimate Guide for Teachers to Multicultural Literature* this book offers a nonjudgmental space where educators can take an introspective dive into their feelings about multiculturalism in the effort to generate a list of multicultural books appropriate for schools In an educator's journey toward building a multicultural library including books that celebrate individuality finding quality bias free multicultural literature is paramount In *Turning the Page A Guide to Securing Multicultural Literature for Schools* readers can practice concepts found in the first *Turning the Page* book With charts and tables that illustrate the history of multicultural literature and the positive impact it has on society this workbook is part history textbook and part journal Also included are spaces where readers can write down ideas from the book that inspire them while completing worksheets and self surveys that examine the core of their belief system Organized in short paragraphs the information is easily digestible to keep readers engaged with the work of building a multicultural library where students can see themselves

Social Diversity within Multiliteracies Fenice B. Boyd, Cynthia H. Brock, 2014-12-05 Using a multiliteracies theoretical framework highlighting social diversity and multimodality as central in the process of meaning making this book examines literacy teaching and learning as embedded in cultural linguistic racial sexual and gendered contexts and explores ways to foster learning and achievement for diverse students in various settings Attending simultaneously to topics around two overarching and interrelated themes languages and language variations and cultures ethnicities and identities the chapter authors examine the roles that multiliteracies play in students lives in and out of classrooms In Part I readers are asked to examine beliefs and dispositions as related to different languages language varieties cultures ethnicities and identities Part II engages readers in examining classroom and community practices related to different languages and language varieties cultures ethnicities and identities

The Old Testament Is Dying (Theological Explorations for the Church Catholic) Brent A. Strawn, 2017-03-14 The Old Testament constitutes the majority of the Christian Bible and provides much of the language of Christian faith However many churches tend to neglect this crucial part of Scripture This timely book details a number of ways the Old Testament is showing signs of decay demise and imminent death in the church Brent Strawn reminds us of the Old Testament's important role in Christian faith and practice criticizes current misunderstandings that contribute to its neglect and offers ways to revitalize its use in the church

Sociocultural and Historical Contexts of African American English Sonja L. Lanehart, 2001-10-10 This volume based on presentations at a 1998 state of the art conference at the University of Georgia critically examines African American English AAE socially

culturally historically and educationally It explores the relationship between AAE and other varieties of English namely Southern White Vernaculars Gullah and Caribbean English creoles language use in the African American community e g Hip Hop women s language and directness and application of our knowledge about AAE to issues in education e g improving overall academic success To its credit since most books avoid the issue the volume also seeks to define the term AAE and challenge researchers to address the complexity of defining a language and its speakers The volume collectively tries to help readers better understand language use in the African American community and how that understanding benefits all who value language variation and the knowledge such study brings to our society **What Language Is** John

McWhorter,2013-02-12 New York Times bestselling author and renowned linguist John McWhorter explores the complicated and fascinating world of languages From Standard English to Black English obscure tongues only spoken by a few thousand people in the world to the big ones like Mandarin What Language Is celebrates the history and curiosities of languages around the world and smashes our assumptions about correct grammar An eye opening tour for all language lovers What Language Is offers a fascinating new perspective on the way humans communicate From vanishing languages spoken by a few hundred people to major tongues like Chinese with copious revelations about the hodgepodge nature of English John McWhorter shows readers how to see and hear languages as a linguist does Packed with Big Ideas about language alongside wonderful trivia What Language Is explains how languages across the globe the Queen s English and Surinam creoles alike originate evolve multiply and divide Raising provocative questions about what qualifies as a language so called slang does have structured grammar McWhorter also takes readers on a marvelous journey through time and place from Persian to the languages of Sri Lanka to deliver a feast of facts about the wonders of human linguistic expression **Communication**

Development and Disorders for Partners in Service Cheryl D. Gunter,Mareile A, Koenig,2010-09-15 **Resources in Education** ,2000-10 **Garner on Language and Writing** Bryan A. Garner,2009 The essays in this volume represent the author s views not those of the American Bar Association Title page verso *A Dictionary of Varieties of English* Raymond Hickey,2014-02-03 A Dictionary of Varieties of English presents a comprehensive listing of the distinctive dialects and forms of English spoken throughout the contemporary world Provides an invaluable introduction and guide to current research trends in the field Includes definitions both for the varieties of English and regions they feature and for terms and concepts derived from a linguistic analysis of these varieties Explores important research issues including the transportation of dialects of English the rise of New Englishes sociolinguistic investigations of various English speaking locales and the study of language contact and change Reflects our increased awareness of global forms of English and the advances made in the study of varieties of the language in recent decades Creates an invaluable informative resource for students and scholars alike spanning the rich and diverse linguistic varieties of the most widely accepted language of international communication
