The Family Jewels John Prados,2014-09-01 In December 1974 a front page story in the New York Times revealed the explosive details of illegal domestic spying by the Central Intelligence Agency This included political surveillance eavesdropping detention and interrogation The revelation of illegal activities over many years shocked the American public and led to investigations of the CIA by a presidential commission and committees in both houses of Congress which found evidence of more abuse even CIA plans for assassinations Investigators and the public soon discovered that the CIA abuses were described in a top secret document agency insiders dubbed the Family Jewels That document became ground zero for a political firestorm that lasted more than a year The Family Jewels debacle ultimately brought about greater

congressional oversight of the CIA but excesses such as those uncovered in the 1970s continue to come to light The Family Jewels probes the deepest secrets of the CIA and its attempts to avoid scrutiny John Prados recounts the secret operations that constituted Jewels and investigators pursuit of the truth plus the strenuous efforts by the agency the executive branch and even presidents to evade accountability Prados reveals how Vice President Richard Cheney played a leading role in intelligence abuses and demonstrates that every type of Jewel has been replicated since especially during the post 9 11 war on terror The Family Jewels masterfully illuminates why these abuses are endemic to spying shows that proper relationships are vital to control of intelligence and advocates a system for handling Family Jewels crises in a democratic society With a new epilogue that discusses former CIA employee Edward Snowden s revelation of massive covert surveillance by the NSA this powerful accounting of intelligence abuses committed by the CIA from the Cold War through the war on terror reveals why such abuses and attempts to conceal them are endemic to spying and proposes how a democratic nation can rein in its spymasters
