

Reading John Holman's *Squabble* makes me wonder if he can see in the dark — the stories are wonderfully daffy, tough and true, and exceptionally real — they're so surprising you think that stuff like this must happen when you're not looking, or when you're asleep. The stories in *Squabble* are as good as fiction gets, so don't waste time reading the outside of the book, open it and try out 'The Story of Art History,' in which people dance on lingerie, or 'Sooff,' or 'Hard Lights, Water, and Wink.' These are stories chock-full of nuts, in the absolutely best sense."

— Frederick Barthelme

Squabble And Other Stories:

Squabble, and Other Stories John Holman,1990 In his remarkable debut collection John Holman probes the slightly surreal lives of blacks in the New South

Diary of a Madman and Other Stories Lu Xun,2021-05-25 Here at last is an accurate and enjoyable rendering of Lu Xun s fiction in an American English idiom that masterfully captures the sardonic wit melancholy pathos and ironic vision of China s first truly modern writer Michael S Duke University of British Columbia The inventor of the modern Chinese short story Lu Xun is universally regarded as twentieth century China s greatest writer This long awaited volume presents new translations of all Lu Xun s stories including his first Remembrances of the Past written in classical Chinese These new renderings faithfully convey both the brilliant style and the pungent expression for which Lu Xun is famous Also included are a substantial introduction by the translator and sufficient annotation to make the stories fully accessible enabling readers approaching Lu Xun for the first time to appreciate why these stories occupy a permanent place not only in Chinese literature but in world literature as well

Anaro and Other Stories M. Bhagat,2001 This Collection Of Manjul Bhagat S Stories Translated From Hindi By The Author Herself Deals With The Experiences Of Women Children And Men Wrestling With Life Not From Positions Of Strength But Nevertheless Wrenching Bits And Pieces Of Their Dreams Anaro Winner Of The Yashpal Award Is The Story Of A Bold Woman Authoritatively Sketched In Brave Strokes Who Keeps Fighting To Keep Her Dreams Alive In The Face Of Mounting Debts

The Lever of Riches Joel Mokyr,1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation s creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even

nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The *Lever of Riches* with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential

Vaquita and Other Stories Edith Pearlman, 1996-11-15 Winner of the 1996 Drue Heinz Literature Prize When asked to describe her short stories Edith Pearlman replied that they are stories about people in peculiar circumstances aching to Do The Right Thing She elaborated with the same wit and intimacy that make her stories a delight to read Before I was a writer I was a reader and reading remains a necessary activity occupying several joyous hours of every day I like novels essays and biographies but most of all I like the short story narrative at its most confiding My own work and particularly the stories in *Vaquita* aims at a similar intimacy between writer and reader My imagined reader wants to know who loves whom who drinks what and mostly who answers to what summons Thank Heavens for Spike Lee Before his movies writers and critics had to natter about moral stances now I can say with a more tripping tongue that my characters are people in peculiar circumstances aching to Do The Right Thing if only they can figure out what The Right Thing is If not they ll at least Do Their Own Right Thing Right And I m drawn to heat sweltering Central American cities a steamy soup kitchen Jerusalem in midsummer the rekindled passion of an old historian the steady fire of terminal pain I like solitaires oddities charlatans and children My characters are secretive in almost every story somebody harbors a hidden love dread regret or the memory of an insult awaiting revenge When I stop writing stories I plan to write letters short and then shorter My mother could put three sentences onto a postcard and make the recipient think he d read a novel I m working towards a similar compression

Ancestral House Charles Rowell, 2021-11-18 An anthology of 70 short stories by writers of African descent The authors are from Europe and the Americas about half of them from the United States and they include Alice Walker Hal Bennett and John Edgar Wideman

The Blind Spot and Other Stories of the Supernatural Saki - H H Monroe, 2016-10-17 Saki The *Blind Spot and Other Stories of the Supernatural* Hector Hugh Munro is perhaps the most graceful spokesman for England s golden afternoon those slow and peaceful years prior to the outbreak of World War I The good wit of bad manners elegantly spiced with irony and deftly controlled malice has made Saki stories small perfect gems of the English language The *Blind Spot and Other Stories of the Supernatural* contain all his short stories about the supernatural

The Metamorphosis and Other Stories Franz Kafka, 2015-12-01 A man awakens to find himself transformed into a giant vermin a performer starves himself to death as a circus attraction a fiendish engine of capital punishment engraves the letter of the law into the body of the condemned Such are the nightmare scenarios that emerge in the short stories of Franz Kafka one of the twentieth century s most formative mystifying literary figures Though immediate in their impact Kafka s stories invite endless angles of interpretation

from Freudian psychology and existentialist philosophy to animal studies This volume presents *The Metamorphosis* together with several other of Kafka's best and best known stories in a nuanced clear and powerful translation by Ian Johnston The appendices provide philosophical literary and cultural context as well as valuable selections from Kafka's own letters and drawings *Blood-money, and other stories* Charles Gibbon, 1889 **A Teacher of the Holocaust and Other Stories** Milton Teichman, 2015-02-12 Martin Greenfield the middle aged professor in *A Teacher of the Holocaust* enters into a romantic relationship with Rachel Klein a therapist with children and a Holocaust survivor Gradually Greenfield confronts the unhealed wounds of the survivor and more disturbing the limits of his own compassion In another story Michael Arnold returning to Jewish observance after an aimless life fills his days with acts of loving kindness and then makes a decision that costs him the wife he loves Indifference to human suffering guilt and repentance the loss of a son in war and its impact on family the failed attempt to repair broken intimacy these are some of the themes that receive moving expression in this collection of stories Teichman's characters feel the pull of Jewish values They have good intentions and want to lead good lives but like many of us often lack the inner strength to become their best selves Milton Teichman speaks to us as a modern day Bernard Malamud In these stories Teichman raises issues of shame fear love failure and courage and the deep personal challenges that lead to understanding and growth *A Teacher of the Holocaust* is a thinking person's page turner Kathleen Spivack author of *With Robert Lowell and His Circle* and *Unspeakable Things*

Enjoying the Track of Expression: An Psychological Symphony within **Squabble And Other Stories**

In a global taken by monitors and the ceaseless chatter of immediate conversation, the melodic elegance and mental symphony developed by the published term often fade into the background, eclipsed by the persistent sound and disturbances that permeate our lives. However, set within the pages of **Squabble And Other Stories** a stunning fictional treasure overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that fascinating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden melodies and profound affect resonating within each carefully crafted phrase. Within the depths of this emotional examination, we will discover the book is key harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
