Sweet Gothic Colette Tennant,2023-11-07 The poems in *Sweet Gothic* weave together themes of adoption motherhood yearning family and teaching in an intricate pattern that might leave one quivering as one reviewer attests As the title *Sweet Gothic* infers the book is filled with binaries light and dark life and death lost and found known and unknown music and silence The poem *In Between* suggests we all live somewhere in the middle This poetry collection negotiates that middle ground Like her necklace making ancestor celebrated in the last poem of the book Tennant strings together these images and narratives in a way that celebrates the power of art and helps us find our place in the midst of the contradictions around us

Food for Thought Simona Stano,Amy Bentley,2021-09-18 This volume offers new insights into food and culture Food habits preferences and taboos are partially regulated by ecological and material factors in other words all food systems are structured and given particular functioning mechanisms by specific societies and cultures either according to totemic sacrificial hygienic rationalist aesthetic or other symbolic logics This provides much food for thought The famous expression has never been so appropriate not only do cultures develop unique practices for the production treatment and consumption of food but such practices inevitably end up affecting food related aspects and spheres that are generally perceived as objectively and materially defined This book explores such dynamics drawing on various theoretical approaches and analytical methodologies thus enhancing the cultural reflection on food and at the same time helping us see how the study of food itself can help us understand better what we call culture It will be of interest to anthropologists philosophers semioticians and historians of food

contemporary or historical Christian. I pray with all my heart. Psalm 119:145 **The Great Evil** Chris Mato Nunpa,2020-10-01 In this account of the history between Indigenous Peoples and the United States government, readers will learn the role of the Bible played in the perpetration of genocide, massive land theft, and the religious suppression and criminalization of Native ceremonies and spirituality. Chris Mato Nunpa, a Dakota man, discusses this dishonorable and darker side of American history that is rarely studied, if at all. Out of a number of rationales used to justify the killing of Native Peoples and theft of their lands, the author will discuss a biblical rationale including the Chosen People idea, the promised land notion, and the genocidal commands of the Old Testament. God. Mato Nunpa's experience with fundamentalist and evangelical missionaries when he was growing up, his studies in Indigenous Nations history at the University of Minnesota, and his affiliation with the International Association of Genocide Scholars (IAGS) were three important factors in his motivation for writing this book. **King James Version Bible Commentary** Thomas Nelson,2005-09-18 The King James Version Bible Commentary is a complete verse-by-verse commentary, comprehensive in scope, reliable in scholarship, and easy to use.
