came out she would start feeling sorry for the coyote and asked the warden not to shoot it Finally she had five sheep left She called the warden and once again told him she wasn't ready to have him hunt down the coyote The warden looked at the little flock of sheep and said Mrs Jones whatever you say but we've only got five more days anyway As you read this book there will be tears and sunshine The good news is you don't have to sit down and read it all at once Life Really Is Like That **A**
