Sweet Surrender Second Chance At Love:

Sweet Surrender Diana Mars,1983 Passion's Sweet Surrender Ronica Black,2020-09-15 Cam Santiago might live in paradise on a private beach in Mexico but wealth and success mean very little to her after the death of her partner Now she puts her heart into her friends and family while keeping everyone else at bay That is until she runs into a very beautiful but very rude woman in town who turns out to be her new neighbor Blake Livingstone is a family physician about to take over her parents practice No one knows about her secret dream of opening her own medical clinic in Mexico When a friend invites her to stay at their beach house Blake is keen to check out the area If only she wasn't living next door to a woman as beautiful and mysterious as she is impossible Cam and Blake are unable to deny their passion for each other but surrendering to love is a whole different matter **Sweet Surrender** Christine Young,1900 Ripped from her family at the top of Infinity Cliff Kimi McKenna finds herself thrust somewhere into the future Dark elements threaten to destroy the earth unless Kimi can work together with the white witch to stop the destruction Confused by her mate's role in the conspiracy she refuses to acknowledge the connection But amidst raging fire and attacks on the people she is coming to hold dear she allows Maska O'Keefe into her heart Maska O'Keefe has loved the beautiful shapeshifter for years Unable to save her life years ago he vows to watch over her as he is given a second chance to convince her that even though he is a witch and not a shifter they are indeed soul mates Kimi's divided loyalties between her family and the cause she is now a part of will determine their relationship Only the part she plays as the messiah can bring this to a conclusion in the final battle Sweet Surrender Mary Moody,2010 Pan Macmillan has been on a long and very successful journey with Mary Moody The trilogy of books describing her escape from mid life crises *Au Revoir* *Last Tango in Toulouse* and *The Long Hot Summer* has reached a generation of Australian women In her book *Sweet Surrender* after all of her escapades and adventures Mary has come full circle and has embraced surrendering to the inevitable Surrendering to ageing to the pull of family to the happiness derived from a life that is centred on others as well as herself and to the undeniable influence of her parents and her family on the person she is It's been a journey that has taught her a lot but in the end the needs of her family her four children and her grandchildren turned out to be a lot more important than her French affairs At the heart of *Sweet Surrender* Mary challenges the illusion of eternal youth that's attributed to the baby boomer generation and the idea that she can obtain complete happiness by living life putting her own needs first Yet like in her other books she does so in a very personal way describing how she herself was drawn in by the notion of denying the ageing process and by living life without the burden of obligation to the needs of others That was until events in her life conspired to make her realise that you can't just run away from the essence of who you are and that the most satisfying moment in life can be experienced when fulfilling the needs of those who you love **Returning for Love: A Sweet Second Chance Romance** Erin K.
