**Through Painted Words** Coralia Vallas, 2013-08 Through Painted Words is a collection of poems created throughout the seasons of my life The first collection is spiritual poems created during a dark time in my life when I was struggling with the impending death of a parent During this time I discovered that God is with us even in our dark times that he is the light that shines in the darkness and that no matter how difficult things may appear he does not leave Although all of us experiences dark times in life it does not mean that we are forgotten but rather let's learn from the dark times and seek out the light As we walk along this journey of life let us remember it is a gift to be alive and let us each seek to use that gift wisely We all stumble and we all fall at times in our lives but let us not judge ourselves based on where we have been but rather let us embrace each day as a gift and see the beauty in the simplicity of this gift Most of my poetry was written from emotion I have experienced in my lifetime as we all are born with emotion Let us embrace the emotion within our hearts to grow better and to know that we are not alone in this world For there is a garden of flowers blooming each day in the hearts of each of us and our neighbors My poetry is simply meant to speak to your heart to seek out what is good Let us take a journey Through the hour glass of time When poetry was an art And the heart was a rhyme

**Life and Poetic Emotions** LadyBlue2000, 2011-07-28 I started writing many years ago At first it was just mental therapy for me My doctor very great psychologist told me that if I wrote my feelings down on paper that it would help me feel better and cope with what's bothering me in my head I suffered many horrors in my life and I needed a way cope and live a normal life Well my life isn't exactly normal as you will read And neither are some of my poems The question for me to ask is anyone's life really normal I wanted my life to be written so that the future generations of my family will know about me And will know of how I became the person that I ended up to be By accident I realized that I could write poems of many kinds A guarantee that you will laugh and sometimes cry and even learn from my poems Of how to love

heal cope laugh cry live and get even through my poems Many of my friends online around the world give me subjects to write about To be their words for them to speak to others To help to Heal to dream reasons to live and reasons to want to pray And reasons to not want to die I thought to myself that if Im going to be a writer that I dont want to let one subject to be untouched To speak out words that I feel need to be heard through my poems I want my book to be of help to others for whatever needs they have And I pray with my whole heart that you get something good out of what you are about to read And whether you believe it or not you will find in my book of something that you might need written in one or more of my poems And the life story is to help you know that your life is better than you may have thought In my poems there is something for everyone And that means you My e mail is written in my book if you would like to write me or even comment on my book Weather good or bad happy or sad I would like to know of how you feel      Music: A Social Experience Steven
