Swiss Army Knives A Collectors Companion:

Swiss Army Knives Derek Jackson, 2018-10-23 Swiss Army Knives is the comprehensive guide for Swiss Army Knives no collector should live without This fascinating colorfully illustrated book is a celebration of one of the great icons of Swiss culture Swiss Army Knives catalogs each gadget beginning with the simple Soldier s knife later developed into the Student Knife the Cadet Knife and Farmer s Knife Each model is accompanied with a narrative For example the Soldier s knife was heavy which led developers to create the lighter Officer s knife with an added second blade and a corkscrew The book includes hundreds of illustrated examples of Swiss Army Knives and anecdotes from military personnel and other owners and a comprehensive model identification system for the dedicated collectors This fascinating colorfully illustrated celebration of one of the great icons of Swiss culture in France it s the Couteau Swiss in Germany the Schweizer Messer and to the English speaking world it s the Victorinox Swiss Army Knife used by military programs the world over and given away as gifts to guests by the White House Lyndon Johnson did it first Switzerland is not a country we associate with war Nor is it a major steel producing country Yet the Swiss Army Knife originally produced by a Swiss master cutler for the Swiss armed forces is now recognized throughout the world Like the Rolls Royce or the Zippo lighter it has become part of mythology an icon that represents a standard of quality and versatility which has carried through from the nineteenth into the twenty first century The basic design of the knife has changed little since Karl Elsener patented the first Swiss Officer s Knife in 1897 but the context within which the knives are now used would have astonished him Elsener s knives have been used at the top of Mount Everest and on coral reefs astronauts carry them in the Space Shuttle and they have saved lives on the ocean in the air and in the desert Charles Elsener the fourth son of a hat maker decided not to enter the family business but to become a cutler After serving his apprenticeship in south Germany he opened his own business near Schwyz in Switzerland Soon after in 1891 he formed the Swiss Cutlery Guild with the main aim of producing soldiers knives for the Swiss Army which had to date been bought from German sources By the end of the year the first batch had been delivered and Elsener s plan proved a success the first knife known by name rather than type number the Soldier s knife had a blade awl can opener and screwdriver Then the development started as well as the simple Soldier s knife he quickly developed the Student Knife the Cadet Knife and Farmer s Knife Because the Soldier s knife was heavy Elsener developed the lighter Officer s knife with an added second blade and a corkscrew On 26 April 2005 Victorinox acquired Wenger its historic rival and the other official supplier of the Swiss Army knife It also started expanding its product range to include fragrances travel gear and watches Victorinox has since licensed the Swiss Army brand and shield logo to companies producing watches writing tools luggage and clothing Victorinox produces some 34 000 Swiss Army knives 38 000 multi tools and 30 000 household kitchen and knives per workday Approximately 90 percent of its production is exported to more than 100 countries With a wide reach and diverse product development it s no wonder their knives are so popular

Victorinox Swiss Army Knives Derek

Jackson,1999 Drawing on the collection of Robert McDougall this is a fascinating portfolio of contemporary illustrations portraying this famous ill fated liner Compiled by Robert Gardner an expert on the TITANIC the images represent a graphic reminder of the impact the vessel and its loss had on society With an introduction detailing the Olympic class of liner and design of the TITANIC plus descriptions of the voyage and disaster 209 b w and colour photos postcards 128 pages Hardback

Swiss Army Knife Companion Rick Wall,1986 **A Collectors Guide to Vintage Wenger Knives** Dave

Arnold,2021-04-18 In this long overdue book Dave Arnold shares the rarest knives ever produced in Delemont and unravels the uncertainties of the evolution of Wenger knives Fully illustrated with photographs of the rarest Wenger knives from around the world he has assembled the most complete reference tool for Coutellerie Suisse and Wenger knives from 1900 to the 1960s that has ever been compiled With seven chapters about officer knives along with individual chapters on Wenger soldier farmer fixed blade and gentleman knives plus chapters other Swiss Solingen and commonly mistaken as Wenger knifemakers A Collectors Guide to Vintage Wenger Knives is a resource that no Swiss Army knife collector should be without
