Legends of the Strait Bruce Robinson, 2011-05-31 The setting Prohibition Era Benicia California a major terminal on the Transcontinental Railroad where giant ferries carry 35 passenger trains a day across the Carquinez Strait connecting Sacramento to Oakland and all points south a five mile strip of waterfront property populated by Chinese and Greek fishermen Italian fruit farmers Portuguese cannery and tannery workers itinerant gypsies and a small minority of Anglo Americans who own the most valuable property and run the local government with graft and intimidation a town of opposites where fires and floods are seasonal events where Dominican nuns educate at one end of First Street and brothels at the other The characters and plot A one armed African American auto mechanic who adopts a run away white boy and raises him to be the leader of a bootleg distribution ring a deeply troubled woman who drives her doting millionaire husband to suicide and tries to murder her own children a powerful and corrupt county supervisor who conspires to sabotage the first west coast Democratic National Convention a ruthless bootlegger who hires Baby Face Nelson to murder law enforcement officers and rival gang members a talented young woman attorney who must defend the man accused of murdering her own father The historical background It was during Prohibition that George Santayana wrote Those who cannot learn from history are doomed to repeat it These words resonate in our own time as Americas political leaders continue to push their agendas for change The Prohibition Era 1919 1933 was also a time of change when new technologies like the electric light the telephone and the combustion engine transformed society worldwide when broadcast radio and motion pictures began homogenizing Americas cultural values when the Scopes monkey trial challenged the basic precepts of religious tradition and when Margaret Sangers crusade for birth control and eugenics forecast some of the most compelling political issues of the 21st Century The central plot of Legends of the Strait involves two childhood friends growing up in a small California town This novel is more than a coming of age story though Its about the growing pains of a nation suddenly thrust onto the world stage as a great power and about the quiet desperation of individuals struggling with a host of new cultural and economic changes as well as with the age old conflict between good and evil Like all legends Legends of the Strait is a moral tale *The Warrior's Path* Louis L'Amour, 2003-09-30 Filled with exciting tales of the frontier the chronicle of the Sackett family is perhaps the crowning achievement of one of our greatest storytellers In *The Warrior's Path* Louis L'Amour tells the story of Yance and Kin Sackett two brothers who are the last hope of a young woman who faces a fate worse than death When Yance Sackett's sister in law is kidnapped he and Kin race north from Carolina to find her They arrive at a superstitious town rife with rumors and learn that someone very powerful was behind Diana's disappearance To bring the culprit to justice one brother must sail to the exotic West Indies There among pirates cutthroats and ruthless businessmen he will apply the skills he learned as a frontiersman to an unfamiliar world a world where one false move means instant death **Nemarluk** Ion Idriess, 2018-10-01 Nemarluk one of the most feared Aboriginal renegades in the north of Australia had vowed to rid his land

of all intruders This is the story of the last three years of his life and his extraordinary battle with the tracker Bul Bul brought in by the Northern Territory police in a final desperate attempt to put an end to Nemarluk s fight Ion L Idriess had already brought Lasseter and Flynn to the public s attention with his action packed stories He had first hand knowledge of the courage of Nemarluk and wanted to immortalise the man he called the King of the Wilds Jack Idriess understood the depth of Nemarluk s hatred for the Japanese and the white intruders who had come unasked into his people s tribal lands of which he was chief It was not only Nemarluk s desire to protect his people and their lands from the invaders it was also his obligation and duty Beverley Eley biographer of Ion L Jack Idriess **Chronicle of That Which Will Order Chaos** Titus

Wallace,2021-07-12 This is a tale that spans the beginning of time till the end of days and beyond Imagine for a second if Milton and Dante collaborated and everything from Paradise Lost to the final battle between God and Lucifer was encompassed within that text along with all that is implied between the heights of redemption and the circles of Hell It is a pictograph of human nature where we came from how we got here and most importantly why we are here I am known as keeper of the stories of time and have much to share with thee Due to the fact that I am not a prevalent character in this tale I have chosen to remain unknown I am only the narrator of this story and although I may show up from time to time within said compilation of this tale I prefer to remain a mysterious stranger to this universe It all begins in a time of the Christ when a secret pact was made between Judas and Jesus forming a tidal wave of emotion and thunder during a climatic behind the scenes knowledge of Lucifer s deception from God How a new god was forged by the two who set the stage for an answer to end the war between Light and Darkness His name is M bius Kain the god of truth and when this tale concludes an empire of balance must be forged to order the chaos that coexists within our world [The Complete Harvard Classics \(2022 Edition\)](#)
