Kear, 2016-08-31 An infant can drown in as little as an inch of water in less than thirty seconds A bathtub toilet bucket swimming pool hot tub or any other container can be dangerous and water safety should never be taken lightly It's imperative never to leave a child unsupervised near water and because child drowning is preventable with a long term commitment to swimming lessons it's equally important to make sure your child can swim The ability to swim is one of the best life skills you can give your child and the sooner you do it the safer your child will be Statistics show that when water skills and comfort in the water are introduced early children are less likely to develop a fear of swimming Since a child's fear of water might prevent future attempts at learning the necessary water skills it's important to start early and be safe Mommy and Me Go to Swimming Lessons is a must read guide book before starting swimming lessons with your child Written through a child's eyes it helps introduce parents and children to swimming lessons and encourages them to feel comfortable and excited about going Your child will be asked to learn all of the water skills introduced in this book at their own swimming lessons This is an easy fun book that your child will want to read over and over again even after they have started learning to swim About the Author Angela A Kear is the mother of a daughter named Adriana She wrote this story from her personal experiences with her daughter at swimming lessons She believes there is a HUGE need for a book that helps prepare parents and children for swimming lessons and encourages them to feel at ease and energized about going Mrs Kear is the bestselling author of a wedding planning book titled *The Busy Brides Bible for Planning a Fabulous Wedding Without the Expensive Cost of a Wedding Planner* She is originally from Buffalo New York and currently lives in Columbia South Carolina as a freelance writer A magna cum laude graduate from The State University of New York College at Buffalo she also works as a visual merchandiser for a top name brand clothing line      Luca Learns to Swim Barry Shrewsbury, 2007-06 Dear Parent Congratulations Your child is ready to learn to swim As a professional swim instructor I can assure you it will be one of the most exciting adventures in his or her young life Not only will your child learn practical swim skills he or she will also develop a genuine love of the water as well as a real respect for both its joys and potential dangers This book's purpose is to be a companion to formal lessons It is meant to help you and your child prepare for those lessons in several ways To dissolve some of the mystery involved in learning to how to swim To outline the sequence of skills as they may be introduced thereby

enabling you to best aid your child in coping with any questions or concerns that may arise as new skills are introduced To allow you to be involved in your child s process from the beginning It was my intent to write a simple fun and engaging story that parents and their children will want to read over and over again During the many years I have been teaching children to swim I have witnessed many amazing and magical experiences Some of my more memorable and positive recollections involved children who came to me with strong fears and resistance to learning to swim These children taught me to be more patient flexible adaptable and creative and they have inspired me to write this book Happy Safe Swimming For More Information Curious Dolphin Publishing [curiousdolphin.com](http://curiousdolphin.com) [lucalearntoswim.com](http://lucalearntoswim.com) *Swim, Duck, Swim!* Anne Giulieri,2020 **I Love to Swim** Rita Goldberg,2010-06-30 I Love to Swim is a delightful rhyme told from the perspective of a little boy whose mother brings him to swimming lessons He shares his love of swimming in water since before he was born At each level of swimming from playing in the bath to Mommy and Me classes all the way through Big classes without parents he proclaims I love to swim My day is made I Love to Swim is a children s educational book that helps young children and their parents discover the joy of swimming It shares the basic guidelines of swim safety to help prevent drowning Enjoy reading I Love to Swim with the children in your life and allow the natural love of water become part of your lives with safety first Tuck in the Pool Martha Weston,1995 The only thing Tuck doesn t like about swimming lessons is the water He worries that water might get in his ears and feel awful Or it might get in his eyes You ll get used to that says his mom Your eyes are waterproof says his swim teacher I m not going swimming says Tuck So no one is more surprised than Tuck when he heroically takes the plunge and finds out he can get into the swim of things after all Copyright Libri GmbH All rights reserved
