**Science** Lee Tang,2018-06-06 Prevention and Reversal of Species Extinction This book is a summary of Resurrection Science Conservation De Extinction and the Precarious Future of Wild Things by M R O Connor Many species are threatened with extinction because of anthropogenic global warming degraded habitats overexploitation disease and invasive species In Resurrection Science journalist M R O Connor introduces us to renowned scientists who try to use expensive high tech and often controversial efforts to save endangered and even extinct species Each chapter focuses on a unique species like the northern white rhinoceros the passenger pigeons and the Tanzanian rainforest spray toads incorporating their natural history and evolutionary biology and raising many ethical environmental and philosophical issues in this new science Read this book to understand the science and ethics of the prevention and reversal of species extinction This guide includes Book Summary helps you understand the key concepts Online Videos cover the concepts in more depth Value added from this guide Save time Understand key concepts Expand your knowledge A Resurrection Like Christ's David W. Cooke,2023-01-17 The book is a refutation of the Intermediate State which teaches a separation of the soul and body of the saint at death and the future bodily resurrection of all mankind at the Final Judgment The Final Judgment is the resurrection of the lost to judgment The Christian is resurrected body and soul to heaven at death thus the title of the book A Resurrection Like Christ s Christ after his time on earth entered heaven to receive glory upon his ascension so shall the saints The author has given the reader the broad arc of redemption history concerning resurrection in a manner which is logical and conforms to the biblical texts The OT and NT are brought together to form a single theme He writes about a difficult topic in a manner that can be read by any person with a basic knowledge of the Bible Although not afraid to tackle the difficult texts he does so in a concise manner to keep the points of the book in the mind of the reader These points are the believer s bodily resurrection to heaven at death and the resurrection of those who rejected Christ on Judgment Day Resurrection Science M. R. O'Connor,2015-09-15 A Library Journal Best Book of 2015 A Christian Science Monitor Top Ten Book of September In a world dominated by people and rapid climate change species large and small are increasingly vulnerable to extinction In Resurrection Science journalist M R O Connor explores the extreme measures scientists are taking to try and save them from captive breeding and genetic management to de extinction Paradoxically the more we intervene to save species the less wild they often become In stories of sixteenth century galleon excavations panther tracking in Florida swamps ancient African rainforests Neanderthal tool making and cryogenic DNA banks O Connor investigates the philosophical questions of an age in which we play god with earth s biodiversity Each chapter in this beautifully written book focuses on a unique species from the charismatic northern white rhinoceros to the infamous passenger pigeon and the people entwined in the animals fates Incorporating natural history and evolutionary biology with conversations with eminent ethicists O Connor s narrative goes to the heart of the

In his best selling classic *It's All God* modern mystic Walter Starcke bridges the gap between our humanity and Divinity as well as our traditional limited perspectives and our emerging Cosmic Consciousness With the insight of a biblical scholar Starcke clarifies the foundational Truths of our Judeo Christian tradition as he takes humanity's spiritual roots forward into the light of the new state of human consciousness that is emerging today His masterful knowledge of Scriptures unlocks the truths laid out in both the Old and New Testament not found in other metaphysical books Starcke calls us to no longer separate God from our humanity and the world With this awareness we understand that the teachings of Jesus have not been fully realized until now as humanity begins the new cycle of the Age of the Gods The awareness that *It's All God* is a requirement for living fully in this new Age of the Gods which is this Golden Cycle we have just begun Starcke wrote that we have been given all the pieces each necessary none missing and if we want to complete the picture it is up to us to stop excluding those parts of ourselves and of our feelings that we have thought did not belong in the picture If God is truly the only Power and Presence then every piece no matter how seemingly negative insignificant or inappropriate has a purpose Instead of discarding those aspects of ourselves that seem faulty or unworthy when we stop judging them and see what they are telling us we can find a right place for those energies and then we can complete the puzzle In Part One his in depth knowledge takes us from the traditional approach through the Gnostics to clear insights on the teachings of Jesus and Paul Uniquely Starcke relates these teachings to modern Quantum Physics and the evolution of Consciousness Starcke is not only a Biblical scholar but also well versed in the workings of consciousness perceptions and reality Part One also includes Starcke's marvelous mystical insights and meditations In Part Two of *It's All God* Starcke gives us the how to's of practical mysticism to apply Divine Truth to our daily lives No matter where a reader is on the path he will find the steps to greater awareness and the clarification of the puzzle humanity has been working on for countless lifetimes We are all on the right path at the right time The time is Now These how to's are not superficial they require that we come to understand our True Self and live the Truth of our Being In part three Starcke takes us beyond our customary perspective into the realms of Higher Consciousness These take us clearly into the new cycle The Age of the Gods The realization that *It's All God* is the key to spiritual healing true transformative forgiveness and the daily expression of our Divine humanity It is a book whose time has come We are now ready as never before to delve into its insights and live its Truths *It's All God* is required reading for many ministerial programs and should now be required reading for us all to live fully during this new cycle far beyond 2012 Starcke was not only ahead of his time but a master for all Ages with tools for the rest of our journey in awareness as we live fully as Divine Humans      **Resurrection Pass** Kurt Anderson,2017-03-28 *IT IS REAL* Some call it a spirit a demon Others

an all consuming force of nature According to Cree legend it goes by the name of Wendigo For a hundred years it has been sleeping Resting beneath the earth Buried in a godless no man s land known as Resurrection Pass IT IS RISING Led by half Cree guide Jake Trueblood a clandestine team of exploratory miners enter a remote valley in the Canadian wilderness Searching for veins of untapped rare earth elements they begin drilling into the spongy soils of the forest and uncover something unbelievably large unspeakably grotesque and inexplicably alive IT IS RAVENOUS Within seconds all hell breaks loose Giant grasping tendrils shoot out of the earth Poisonous spores explode into the air And the horrified miners become a living screaming feast for the biggest hungriest creature the world has ever seen Jake Trueblood and a young ecologist named Rachel barely escape with their lives only to confront the Okitchawa a murderous group of local Cree infuriated by the presence of the mining team But even if they can escape the Okitchawa Jake and Rachel s ordeal is far from over The nightmare is just beginning to feed **Books in Print Supplement** ,2002 Let There Be Light André C.
