Wed To The Wrong Wayne Maureen Reil, 2015-05-10 What do you do when you are in the private chapel of an Irish castle ready and willing to marry the man of your dreams but the groom is missing Well you do what any other reality star marrying a rock star does in

those circumstances when the world is watching and waiting for you to fall from grace and him to fall on his arse drunk You fake it This is what you do It is the only way out of a bad situation if you do not want the humiliation of being jilted at the altar Not to mention a potential lawsuit from the magazine deal and Callie Temples does not want any of it so she is truly grateful when the perfect replacement is on hand to stand in for her absent partner At least this way it buys them some time to find the real Rocco and switch the husbands on honeymoon before anyone outside of a select few is any the wiser Sounds like a plan and it just might work a treat if it were not for Callie having doubts that she wed the wrong Wayne Callie later learns a secret that puts their very future in jeopardy What makes it more upsetting is the fact that her long lost father wants to have his say and he will go to any lengths to make that happen While her new hubby has a real life girlfriend that they are trying to keep in the dark so as not to hurt her but will she hurt him if the truth comes out Will Callie get the fairy tale ending to her story Even a psychic pet pig cannot predict that one Why not read this British heart warming and humorous chick lit novel to find out if it all turns to tears or cheers for the bride The Hog William Youatt, William Charles Linnaeus Martin, 1856
