The Sound and the Fury in the Garden of Eden John P. Anderson, 2002 This non academic author brings the Garden of Eden myth alive as sophisticated poetry and a polemic for women and the consciousness of freedom The myth is explored line by line using the tools of literary analysis and modern ideas including Freudian concepts The analysis shows how its J author thought to be a woman in the royal court of Judah around 1000 BCE uses the techniques of sound association puns and other sophisticated means to get her messages across

The analysis probes how after thousands of years this myth still speaks to us about the critical human experiences of sex and death and their bigger brothers freedom and limitation      **Gardeners' Chronicle** ,1878      **Garden & Home Builder**
