Pierscieniak,2013-12-13 East Before South is the tale of a very long trip that began innocently enough with a fabulous party in Rio de Janeiro The journey will take you on

a ride in rattletrap buses dugout canoes camel trucks army convoys sea ferries and clapped out trains It will take you through places not on any map With hundreds of sometimes irreverent travel anecdotes of the kind you just won't find in any other travel book it's the unvarnished truth It will show you the world the way it really is From Rio the road took me across the heartland of Brazil to Belem at the mouth of the mighty Amazon and upriver into the heart of the jungle Then down the coast for the Carnaval and further down still hugging the beaches toward Argentina and Buenos Aires Tango To the very tip of the continent wind blasted Patagonia Up again a yoyo trip north to Salta and through the unofficial border to Bolivia's wild west Then a transcontinental flight to Europe family and friends in Poland then Quickly across the Baltic Republics to the Russian border where I was arrested and deported before I could properly enter the country Two days later back again toward Moscow again and farther east still always east on the Trans Siberian Express bound for Ulan Bator A weeklong journey across the wasteland of Siberia to Mongolia there are roads there yes like there are tracks on Mars The Mongolians have a saying Two Chinese are worth one Korean Two Koreans are worth one Japanese Two Japanese are worth one Mongolian But that of course is a lie South then toward Beijing and then more south to Shanghai and more south still to Hong Kong stopping in places for reasons that are never specifically clear the road taking me ever farther from the beginning Hot air balloon over Guilin Then Bangkok in a blur after a day of intensive culinary tuition I can now burn Thai food with as much efficiency as I burn everything else Then an island where I've been before Ko Samui which is no longer the same Back to Bangkok To Borneo Back to Bangkok To Manila Then Alaska Then half neglected half lost the ancient city of Leh prophetic words on the roof of the world their truth distilled to its crudest essence Then finally South Korea The Soul of Asia as proclaim the tourist slogan slapped across the fleet of taxis that cruise the wide boulevards of Seoul From Korea from Japan around the Ring of Fire Taipei albeit ever so quickly touch and go really KL for a massage Singapore for the Singapore Sling Then from the coffee plantations and volcanoes of Java to the primary rainforests and spiritual smorgasbord of Sulawesi and Bali surfers paradise Indonesia encompasses over 13 000 islands with 336 ethnic groups and a borderless rainbow babel of different languages cultures and traditions In addition to coffee colored Hindus Christians and Buddhists this is the home of more Muslims than all the Middle East Linking the islands is the lingua franca of Bahasa and an underlying songline of history animist religions are uniting threads that cross oceans adding layers of meaning to the word multicultural Here some Muslims drink beer and arak in addition to java some worship Buddha Vishnu Krishna and Jesus in addition to Allah while others leave offerings to good and evil pagan spirits tourists included In fact clutched in the talons of the mythical Garuda the national airline and state crest is the motto Unity in Diversity I muse about that in an undertaker's shop where he sells coffins and Coca Cola side by side and at the same time it seems There was much more I hitched rides on logging trucks and dugout canoes traveling often alone crisscrossing language zones and time zones transfixed by an idea of the world a way around it The fourth book of the Travelogues East Before South is a story of that trip
