## Switchbacks True Stories From The Canadian Rockies:

Switchbacks Sid Marty, 1999 In Switchbacks Sid Marty draws on his own memories and those of friends and former colleagues in relating a series of true mountain tales Among his subjects are the old guide who built a staircase up a cliff the stranded snowshoer who was rescued between rounds of beer in a Banff tavern the man who catered to hungry grizzlies an opinionated packrat with a gift for larceny and a horse named Candy whose heart was as big as a stove Along the way Marty tries to answer the kind of questions that all of us must face some day Do we really have to grow up and abandon adventure as well as youthful ideals Can the mountains draw old friends back together when politics and life styles have set them apart Sid Marty writes gracefully of the land he loves and lampoons a few bureaucrats whose policies sometimes threaten its integrity His portraits of the people and creatures that make their lives in the mountains are affectionate and respectful But above all this is a collection of engaging surprising funny and superbly told true stories by a gifted writer **The Canadian Rockies** Roger Patillo, 2005 This book tells of the larger than life guides mountaineers and adventurers that created the enduring legends and true tales of the Canadian Rockies when the wilderness was still unspoiled Moon Canadian Rockies: With Banff & Jasper National Parks Andrew Hempstead, 2022-11-01 Snowy peaks icy glaciers glittering lakes and alpine meadows Answer the call of the wild with Moon Canadian Rockies Inside you ll find Strategic flexible itineraries in the national parks including a two week Canadian Rockies road trip The best hikes in the Canadian Rockies Find the right trek for you with details on length elevation gains difficulty levels and trailheads Can t miss outdoor experiences Hike to incredible vistas and try to spot moose bighorn sheep wolves and black bears Soak in a natural hot spring after a day on the slopes or wander through meadows of colorful wildflowers Ride across the Columbia Icefield in an Ice Explorer float through the sky in a mountain gondola or white water raft down rivers of snowmelt Go horseback riding though the Tonquin Valley or fish for your own fresh dinner and camp under the stars Expert insight from Banff local Andrew Hempstead on when to go where to eat and where to stay from campgrounds to luxurious mountain lodges Full color photos detailed maps of each park and handy directions including driving times and mileages and coverage of gateway towns Background information on the landscape culture history wildlife and environment In depth coverage of Banff National Park Kootenay National Park Yoho National Park Jasper National Park Waterton Lakes National Park and nearby cities of Banff Canmore Jasper Calgary Radium Hot Springs Golden and Kananaskis Country With Moon s practical tips and local insight you can experience the best of the Canadian Rockies Hitting the road Try Moon U S and Canadian Rockies Road Trip Focusing on the parks Check out Moon Best of Glacier Banff and Jasper About Moon Travel Guides Moon was founded in 1973 to empower independent active and conscious travel We prioritize local businesses outdoor recreation and traveling strategically and sustainably Moon Travel Guides are written by local expert authors with great stories to tell and they can t wait to share their favorite places with you For more inspiration follow moonguides on social media *Moon Banff National Park* Andrew Hempstead, 2018-04-17 Find

**Lawrence Grassi** Elio Costa, Gabriele Scardellato, 2015-01-01 Lawrence Grassi was a trailblazer in every sense of the word A working class man of humble Italian origins who worked as a labourer and a coal miner for most of his life Grassi had a deep passion for the Rocky Mountains He was famous in the region for his commitment as a guide a mountain climber and a builder of greatly admired hiking trails Today in or near Canmore his name graces a mountain two lakes and a school and he is commemorated at Lake O'Hara in Yoho National Park In Lawrence Grassi From Piedmont to the Rocky Mountains Elio Costa and Gabriele Scardellato uncover the deeply private man behind this legend from his birth in the small Italian village of Falmenta to his long and inspirational career in Canada Using previously unexamined family letters and extensive information on Grassi's cohort of Italian immigrants the authors reconstruct his personal and professional life correcting myths and connecting his story to the long history of Italian immigration to Canada The definitive biography of this Canadian mountain hero Lawrence Grassi will be essential reading for those interested in the history of immigration sport and the Rocky Mountains

*Animal Encounters* Tom Tyler, Manuela S. Rossini, 2009 The fast growing field of Animal Studies is a varied and much contested domain Engagement with animals has encouraged both collaboration and conflict between researchers within the arts humanities and social sciences Animal Encounters comprises a series of meetings not only between diverse beasts but also between distinct disciplinary methods theoretical approaches and ethical positions The essays here collected come together from literary and cultural studies sociology and anthropology ecocriticism and art history philosophy and feminism science and

technology studies history and posthumanism to study that most familiar and most foreign of creatures a the animala TM These encounters between leading practitioners in the field highlight the promise and potential of interspecies exchange and mutual provocation *Canadian Rocky Mountain National Parks* Joseph Albino,2008-01-10 No available information at this time Author will provide once available *Mavericks* Aritha Van Herk,2010-01-12 The fifth title in our provincial histories series *Mavericks* is an idiosyncratic and episodic history of what is arguably Canada s most unconventional province From mapmakers to ranchers Stampede Wrestling to Stockwell Day acclaimed writer Aritha van Herk brings the drama and combative beauty of this irascible province to stunning life van Herk s portrait of her home province embraces all its extremes from deadly and spectacular weather to dinosaur graveyards and from oil gushers and geysers to barnstorming social reformers and political haymakers Bronc riders of boom and bust Alberta s people are a beguiling mixture of opinionated extremists hardy pioneers and gentle sinners Alberta is a province that most Canadians simply don t understand the province most Canadians love to hate It is regarded as a land of reckless redneck and ignorant individualists But it is also the province where the Famous Five fought the landmark Person s Case giving Canadian women the same status as men in the eyes of the law a province that truly believes in free speech Albertans tolerate in their midst people whose extreme views on any manner of subjects would make them outcasts elsewhere And Albertans practice the creed of western neighbourliness giving assiduously to charity and always lending a hand where help is needed They are a tough tender bunch squinting into the wind of determined difference If you re an Albertan you ll recognize yourself and your home in this book If you re not an Albertan this book will be an education for you *Mavericks* will open your eyes to the real Alberta as she was and is

**Mountains Figured and Disfigured in the English-Speaking World** Françoise Besson,2020-06-01 The essays in this book written by poets novelists mountain climbers and academics from all over the world evoke the representation of mountains in the English speaking world as artists writers philosophers or mountain climbers have represented them from the sixteenth to the twenty first centuries From the Alps to the Pyrenees from Mount Fuji to Mount Shasta from the Himalayas to the Scottish Highlands from Ikere in Nigeria to Devil s Tower in the United States from Uluru in Australia to the most northern mountain of the Arctic the shapes of the world speak the same language and tell the world its own story This interdisciplinary book weaving together mountaineering literature philosophy painting cinema ecology history palaeontology geography geopolitics toponymy law religion and myth invites people to an innovative reading of mountains it reveals the close relationship existing between the shapes of the world and all forms of writing and at the same time it shows how the representations of the imagination may be instrumental in protecting the natural world The story told by the landscape inscribes a broken line in the shapes of the world tearing the landscape like a fragile page whenever historical and political events wars mining or deforestation leave scars in the landscape but writers and artists representations of mountains constitute a path to awareness as they are not only a painting of beauty but an image of our link to nature and a

warning as well For centuries the image of the mountain has conveyed a symbolism telling the story of human thought and this book shows to what extent literature and art play an essential part in our awareness of nature *Water, Weather and the Mountain West* Robert William Sandford,2011-02-01 Growing populations increasing industrial use and heavy agricultural demand are beginning to tax water supplies in many regions of Canada Since many rivers are already fully allocated to numerous uses future economic and social development will depend upon how much we know about our surface and ground water resources and how effectively we manage them especially in the face of climate change The message to take home from this eloquent book is that it is time to dispel the myth of limitless abundance of water in Canada and throughout North America We all need to be mindful that though our technologically sophisticated society is largely fuelled and lubricated by refined petroleum it ultimately runs on plain water In his conclusion to this authoritative book Robert Sandford chair of Canada s United Nations Water for Life Decade offers a realistic picture of the various issues and threats related to the future availability and quality of fresh water in Canada *Signpost Guide Canadian Rockies* Donald L. Telfer,Don Telfer,Helena Zukowski,2001 People who travel by car have the best opportunities to explore beyond typical tourist destinations but driving in an unfamiliar region can be a daunting prospect New Signpost Guides provide practical information to guide motorists through unfamiliar routes signs traffic laws and parking Hundreds of attractions are described in detail together with recommendations for shopping dining and accommodations Each Signpost Guide features Full color detailed area maps supported by driving directions and route plans Helpful and practical tips including average driving times and distances Individual chapters on major cities that supply information essential to getting around without a car Unique ratings system to help travelers sample the very best of each region **Ya Ha Tinda** Kathy Calvert,2017 An illustrated history celebrating the 100th anniversary of this historic working horse ranch located along the eastern slopes of the Canadian Rockies The story of the Ya Ha Tinda and its evolution into the only continuously operating federal government horse ranch in Canada is much more than the story of the people who worked and lived there Its ancient history is an amalgam of geological evolution with archaeological evidence of ancient indigenous people s use of the land for over 9 400 years and a biophysical inventory of flora and fauna unique to this particular landscape So important is this small footprint that it has been the source of a constant struggle for control between governments and special interest groups since the early 1900s when the Brewster Brothers Transfer Company first obtained a grazing lease in the area for raising and breaking horses for their guiding and outfitting business in Banff and Lake Louise This unique book covers the 100 years since the inception of the ranch its challenges to survive intact to the 2017 centennial celebration and the stories of the men and women who worked and survived on the spread as they fought the elements and the politics to keep it as a home place for both the warden service and Parks Canada *Banff, Jasper & Glacier National Parks* ,2004 **Moon Handbooks** ,2010-04 **Canadian Books in Print 2002** Marian Butler,2002-02 **The Writers Directory** ,2013 **Canadian Geographic**

,2005     Quill & Quire ,2005     The Concise Oxford Companion to Canadian Literature William Toye,2001 The concise version of the critically acclaimed second edition of The Oxford Companion to Canadian Literature offers all the authority of the original in a smaller more affordable format Entries have been updated and over sixty new entries have been added making it an indispensable resource     American Book Publishing Record ,2001
