## Sword Of Flame:

Sword of the Flame Maggie Furey, 1996-04-01 The magnificent epic that Maggie Furey began in Aurian and continued in Harp of Winds soars to new heights of enchantment as Aurian and Anvar face unforeseen peril in their quest for a lost artifact of power At last the lovely Lady Aurian has regained her powers and golden spring unlocks the iron bonds of a sorcerous winter But still the corrupt Archmage Miathan s curse follows her And as she and her beloved soulmate Anvar quest northward toward the ravaged city of Nexis they are pursued to the very gates of death by betrayal madness and forbidden spellcraft Only by invoking the highest magic can they hope to find the Sword of Flame last of the four great weapons fashioned eons ago Only by awakening its might can they save a world newly threatened by a dark Mage as powerful as Miathan and even more vicious     *The Sword and the Flame* Stephen Lawhead, 2011-05-30 Sometimes the greatest evil lies within When Prince Gerin King Quentin s son is kidnapped the kingdom is thrown into chaos and Quentin is forced to search inward for faith and hope But is faith enough At the dawn of a new era where religious unrest is rampant and uncertainty of the kingdom s future threatens everyone it takes courage to stand From an orphaned servant to a war hero respected leader and a fierce man of faith Quentin has slowly transformed into The Dragon King But even the powerful can fall prey to weakness The world is turned upside down when the dark sorcerer Nimrood long thought dead after a battle with the previous Dragon King returns with a fearsome plan Shattered by the death of a dear and trusted friend the abduction of his beloved son and the loss of his enchanted sword Quentin finds his faith tested like never before At the dawn of a new era where faith clashes and old evils rear their heads Quentin and his friends must lead the way despite their own flaws and uncertainty With the fate of the world hanging on by a thread their decisions slice through religious unrest and restore hope in what is to come In *The Sword and The Flame* readers will find Christian allegory and themes A sweeping Arthurian styled epic fantasy about hope destiny and faith Crossover appeal for young adult and adult readers In *The Sword and the Flame* the final volume of Stephen R Lawhead s captivating Dragon King Trilogy the fate of the entire world depends on the outcome of this climactic battle between good and evil     The Sword of Bheleu Lawrence Watt-Evans, 2015-02-25 The sword that Garth had stolen from Dusarra marked him as the chosen of Bheleu god of destruction and gave him immense power This power could only be used to destroy and Garth wanted to build He chose to refuse the god s gift Bheleu did not intend to allow that     *Sword of Flame* Maggie Furey, 1997-12-01     **Vandermine: the Sword's Errand** Murray R. mysteriously into his possession Before he can return it the ancient weapon spirits him away to its own world Gritty pain and true fear soon convince him that he is not simply dreaming when he finds himself in what appears to be medieval Europe Captured by the kings soldiers a wizard of the Holy Order reveals that the stranger carries the legendary sword Vandermine and that it is dead iron in the hands of anyone else Jon is soon pressed into service joining a desperate quest to slay Cravos the would be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magic power that once loosed threatens to bring to pass the prophesied second apocalypse Jons companions on the quest are a veritable dream team the kings champion the best in their respective disciplines The further the reluctant hero travels the more he sees things that seem to have leapt straight out of books of mythologynot history It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough Thrust into a life or death struggle in a world he cant understand Jon relies on his faithful comrades to give him the skills he needs to command Vandermines full power before the reality of this impossible world catches up with him The journey for Jon is not merely physically daunting and dangerous but mentally and emotionally taxing as well Before he was torn out of the world he once knew he was accustomed to being one of the stronger and more competent members of his team However the harsh realities of the ancient world that has called for him soon humiliate him making him feel like the weakest link Through training suffering and conquering with the kings picked men as he strives to fulfill the swords errand Jon gains the respect due a battle hardened veteran earning it the hard way

**Fox Elvensword and the Sword of Bhaal** George Allen Butler II, 2014-08-18 Bhaal sat on his most prized possession a golden and ivory throne bought with the money he had earned during the adventures of his youth It rose up from the floor like the stump of a once magnificent tree Two huge armrests flanked each side of the seat fanning out at the top to end in a smooth flat surface Gold etched with runes spiraled and swirled through the structure everywhere The sides were as the bark of a tree rippled and pitted as if worn by time and water damage The back reached up high enough to support his slender shoulders and bent back into a curl like the edge of aged parchment Bhaal however was in stark contrast to the throne His once statuesque body had wasted away He was nothing more than skin and bones The stench of his breath was that of a carcass The dark black orbs that were his eyes stared straight ahead from his skull into the hallway before him He had the look of someone seeing into eternity A tarnished bronze crown sat on filthy dusty black hair His tunic had rotted away to nothing more than tatters A rusted shirt of chain

mail rested upon it torn away at the waist His leather breeches had dry rotted away from the knees down A rusted chain skirt covered his thighs Its links were broken and jagged at the seams High top plate boots rusted from years of neglect covered his feet The heavy coating of dust upon him told those who looked at him that he had not moved in years It was hard to tell that Bhaal was still alive but alive he was He had somehow managed to live far beyond his own time existing without eating or moving The physicians had given up long ago on trying to figure out what it was that kept him so Theologians had inspected him Philosophers debated his refusal to die in his present state In truth he had not spoken in twenty years even though the wilderness and upstart usurpers carved away at his vast empire until all he still owned was the small town of Nineveh that rested at the base of his small keep And then there was the sword An elegant bronze and Damascus steel broadsword reaching up from the base of the throne to the palm of Bhaal s hand Its point made a gouge in the floor Red rubies adorned the hilt and pommel and even through years of non use the whole sword was immaculately polished and clean It was the sword that had carved out Bhaal s once mighty empire and thousands of legends were attributed to the revered artifact Forged from pure dark iron found only on the plains of the Abyss it was rumored to have dispatched more than one daemon from existence
