## **Swords Of Night Day:**

**The Swords of Night and Day** David Gemmell, 2005-03-14 With mythic sweep and epic scope David Gemmell's bestselling novels of magic and adventure feature brooding heroes who fight to preserve all that is good and honorable in themselves and in the worlds through which they stride like lonely giants. In times of terror and despair, theirs are the swords that carve a shining path inspiring others to follow. Even after their deaths, their names live on. A thousand years after they fell in battle, two heroes, Druss and Skilgannon, are revered throughout the war-torn lands of the Drenai. Yet men and women live in abject fear of the Joinings, abominable meldings of man and beast, and of their mistress, the dark sorceress known as the Eternal None, who can stave off these ruthless foes. But what if the soul of one such hero could be called back from the void, his bones housed again in flesh? An ancient prophecy foretold that Skilgannon would return in his people's darkest hour. To most, this is a foolish hope. But not so to Landis Kan. For years, as the power of the Eternal grew, Kan searched for the tomb of Skilgannon the Damned. And at last he found it, gathering up the bones and performing the mystic ritual. But the reborn hero is an enigma, a young man whose warrior skills are blunted and whose memories are fragmented. This Skilgannon is a man out of time, marooned in a world as strange to him as a dream, remote from all he knew and loved. Or nearly all. Before bringing Skilgannon back, Landis Kan experimented upon other bone fragments found in the hero's tomb. That ritual resulted in a surly giant who possessed astounding strength but no memories. To Kan, he was a dangerous failure. But to Skilgannon, this giant represented their last hope. For as the ageless evil of the Eternal threatens to drown the Drenai lands in blood, two legendary heroes will once again lead the way to freedom.

**The Swords of Night and Day: A Novel of Skilgannon the Damned** David Gemmell, 2005-03-01 Resurrected one thousand years after his famed battles alongside Druss, the Legend Skilgannon the Damned struggles with fragmented memories in order to fulfill a prophecy that he will save war-torn Drenai from an evil sorceress and her half-man, half-beast.

**The Stick of Joseph in the Hand of Ephraim**, 2020-06-16 The ancient House of Israel consisted of 12 families or tribes named for the 12 sons of Jacob. Israel, Ten of those tribes were conquered, driven from their homelands, and scattered throughout the world. Although their bloodlines continue, they have lost their identity with the House of Israel. The remaining two tribes have retained their identity and are now known as the Jewish people, named for the tribe of Judah. Over 2500 years ago, the prophet Ezekiel foretold a day when the spirit of YHWH would stir the scattered remnants of Israel and restore them to life. Ezekiel 37:11-14. He also prophesied of a second scriptural record to come forth from the tribe of Joseph to Judah, in the hand of Joseph's son Ephraim. This is that prophesied record, *The Stick of Joseph in the Hand of Ephraim*, a sacred First Temple period Israelite text written by a

prophetic family from the tribe of Joseph who fled Jerusalem in 601 BCE YHWH led them for years in the wilderness and finally brought them over the wall to ancient America in fulfillment of Jacob's final blessing to Joseph Genesis 49:22 For 1000 years these ancient Israelites kept sacred records When their civilization ended in destruction 420 CE their final prophet M. roni hid this record in the ground to come forth in the future for the prophesied restoration of scattered Israel to its former glory This record is all of the following unique and extraordinary things The shofar sounding to scattered Israel as YHWH's final attempt to gather His people A dire warning to the USA and a cry of repentance to the state of Israel Any nation that does not honor the God of Israel will not survive An independent witness of the prophets Mashiach and the covenants given by YHWH to Israel A record of the means whereby all mankind can as Moses ascend to stand in the presence of YHWH An invitation to believe and receive the promises YHWH extends to those who will be His people This is the only Hebrew Messianic ascension document in existence that has not been influenced by entanglements with Babylon Greece or Rome because those who kept the record left Jerusalem and the Eastern Hemisphere prior to the Babylonian captivity It is the most sublime and direct Jewish ascension text available This annotated Hebrew roots English edition restores the ancient Hebraic nature of the record to provide a clear understanding of Israel's God His work now underway and the coming age of Mashiach Whether you study religion in the Torah Tanakh Talmud NIV Bible Zohar New Testament Book of Mormon Catholic writings LDS scriptures biblical commentary or other holy books this volume will inspire you to greater prophetic literacy gifts in spirituality understanding of history and theology and most importantly immerse your soul in a conversation and relationship with that God who loves forgives guides and reconnects honest searchers with the tree of life The Stick of Joseph is a greater discovery than the Dead Sea Scrolls or the Nag Hammadi library though it has received far less attention It is the preeminent Messianic document in the world untwisting the false Greek caricature known as Jesus Christ of Nazareth It restores the basics of the complete ancient Israelite faith and culture largely absent from modern rabbinic Judaism The ten commandments temples altars Passover the law of Moses patterns evidence and much lost understanding all come together in this invaluable journal record of wandering Israeli Hebrews who founded a great civilization
