Swords Of The Legion:

Swords of the Legion Harry Turtledove, 2011-03-23 In Videssos the city tribune Marcus Scaurus was bored The legion that had been magically transported to this strange world was far away But the Emperor's niece Alypia was near and willing When their secret trysts were betrayed Emperor Thorisin Gavras was forced to condemn Marcus as a traitor but with a promise of freedom and Alypia if he could reclaim a rebel province from a fanatic usurper with no military aid With only centurion Gaius Philippus Marcus set out to try the seemingly impossible task But the fates conspired against them driving them further westward into the innermost sanctum of Videssos great enemy Yezd and toward the torture chambers of the evil deathless wizard prince Avshar But behind them without orders the men of the legion were on the march From the Paperback edition Videssos Cycle: Volume Two Harry Turtledove, 2013-04-16 The classic fantasy series from one of alternative history's stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove's brilliant reimaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSION Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor's niece But consorting with her could lead to exile or worse SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march
