The Sykaos Papers, 1988 A leading English historian presents a satirical novel in which the poet gardener and space traveller Oi Paz arrives to take possession of Earth and falls victim to terrestrial bureaucrats and other fumblers The Crisis of Theory Scott Hamilton, 2013-07-19 The Crisis of Theory available in paperback for the first time tells the story of the political and intellectual adventures of E P Thompson one of Britain's foremost twentieth century thinkers Drawing on extraordinary new unpublished documents Scott Hamilton shows that all of Thompson's work from his acclaimed histories to his voluminous political writings to his little noticed poetry was inspired by the same passionate and idiosyncratic vision of the world Hamilton shows the connection between Thompson's famously ferocious attack on the Stalinism in theory of Louis Althusser and his assaults on positivist social science in books like *The making of the English working class* and he produces previously unseen evidence to show that Thompson's hostility to both left and right wing forms of authoritarianism was rooted in first hand experience of violent political repression This book will appeal to scholars and general readers with an interest in left wing politics and theory British society twentieth century history modernist poetry and the philosophy of history Politics in the impasse Bill Martin, 1996-01-10 Develops a radical politics of community that engages with practical issues such as the Gulf War and the 1992 uprisings in Los Angeles set against the context of postmodern capitalism

their and our views of the world From the origins of history writing when such an activity itself seemed revolutionary through to television and the digital age Cohen brings captivating figures to vivid light from Thucydides and Tacitus to Voltaire and Gibbon Winston Churchill and Henry Louis Gates Rich in complex truths and surprising anecdotes the result is a revealing exploration of both the aims and art of history making one that will lead us to rethink how we learn about our past and about ourselves
