Sylvia Plath Eine Biographie:

Sylvia Plath Linda Wagner-Martin,1990 **Sylvia Plath** ,1997 **Sylvia Plath a Biography** Linda Wagner-Martin,1988 *Sylvia Plath* Linda Wagner-Martin,2013-04-15 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 **The Image and Influence of America in German Poetry Since 1945** Gregory Divers,2002 Examines the image of the US in German poetry and the reception and influence of American poetry in Germany since 1945 This book focuses on the image of the US in German poetry and the reception of American poetry in Germany since 1945 Gregory Divers examines poems by major figures in 20th century German literature Benn Brecht Bachmann Jandl and Grass among others and by other poets who shaped America s postwar image in Germany Divers traces America s postwar status in Germany from the prisoner of war poems of G nter Eich to the pop poetry of Rolf Dieter Brinkmann and Peter Handke Continuing he finds that although the 1960s protest poems of Erich Fried and others reflect the tarnishing of America s image due to Vietnam 1970s travel poems by Brinkmann Kunert and Kunze confirm the resiliency of that image Finally Divers looks at poems by Hartung Delius and Kling to illustrate the new heights reached by America s image within German literary circles during the 1980s and the status of America in Germany after reunification In charting these developments in postwar German poetry Divers also shows how American influences are crucial to its understanding not only surveying postwar German reception of Whitman Eliot Pound and William Carlos Williams but also examining the influence of such figures as Charles Olson and Robert Creeley Allen Ginsberg and the Beats Frank O Hara and John Ashbery and Robert Lowell and Sylvia Plath Gregory Divers is Assistant Professor of German at Saint Louis University **Sylvia Plath** ,1964*

Sylvia Plath Linda Wagner-Martin,1999-09-11 Linda Wagner Martin s emphasis in this study is the way Sylvia Plath made herself into a writer In keeping with the critic s early ground breaking work on American poet William Carlos Williams she here studies elements of Plath s work with dedication to discussions of style and effect Her close analysis of Plath s reading and her apprenticeship writing both in fiction and poetry sheds considerable light into Plath s work in the late 1960s The book concludes with a section assessing Sylvia Plath s current standing Behind the Great Wall James Whitlark,1991 This work explores what lies behind the fantastic barrier in a borderland that C G Jung called the unconscious the avant garde writer Kafka termed incomprehensible and Whitlark argues is an entire spectrum of muted awareness Interior Landscape ,2011 **Du wolltest deine Sterne** Diane Middlebrook,2014-08-24 Sylvia Plath und Ted Hughes verliebten sich 1956 und heirateten schon nach wenigen Monaten Dass sie beide dichteten war wesentlich f r die Anziehung zwischen ihnen Beide waren ehrgeizig getrieben zu ihrer Kunst und von Herzen gewillt sich gegenseitig zu f rdern und zu fordern Sechs Jahre lang Bis Hughes mit einer anderen Frau ein Kind zeugte und Plath zerm rbt von dem Balanceakt zwischen Muttersein

und Schreiben in Depressionen versank und sich schließlich im Februar 1963 mit 30 Jahren das Leben nahm Diane Middlebrook führt die Geschichte des Künstlerpaares weit über Sylvias Tod hinaus fort. Die letzten Kapitel widmet sie Ted Hughes, den die Bedeutung dieser großen Liebe und seiner Rolle als Sylvias Ehemann bis zu seinem Tod 1998 nicht losließ. Der Autorin gelingt das Kunststück die Beziehung der beiden ohne Fragen nach Schuld und ohne voyeuristische Details darzustellen. Klug und voller Umsicht arbeitet sie die Faszination wie die Nähe heraus, die ein Paar erlebt, wenn es sich im Geist so nahe ist und gleichzeitig Kunst, Alltag und Familienleben zu bewältigen hat. **Sylvia Plath** Linda Wagner-Martin, 1997 Sylvia Plath 1932-63 American poet and novelist established her reputation by the courageous and controlled treatment of extreme and painful states of mind. The volume covers the period 1960-1985. *Sylvia Plath* Linda Wagner-Martin, 1997-01-01 Heal into time and other people Dorothea Kupferschmidt-Neugeborn, 1995 *Claiming Sylvia Plath* Marianne Egeland, 2013-02-14 Over the years Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow, the middlebrow and the popular. *Claiming Sylvia Plath* is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010. Academic and popular interest in her seems incessant, verging on a public obsession. The story of Sylvia Plath is not only the story of a writer and her texts but also of the readers who have tried to make sense of her life and work. A religious tone and a rhetoric of accountability dominate among the devoted. Questing for the real or true Sylvia, they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet. In order to offer a new and more nuanced perspective on Plath's public image, the reception has been organized into interpretive communities composed of critics, feminists, biographers, psychologists and friends. Pertinent questions are raised about how the poet functions as an exemplary figure and how and by whom she is used to further theories, politics, careers and a number of other causes. Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath*. The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa. Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide. *Claiming Sylvia Plath* suggests a host of possible answers. It includes an extensive Plath bibliography. *Geschriebenes Leben* Michaela Holdenried, 1995-01-01 Der Sammelband versteht sich als Bestandsaufnahme und schildert zum ersten Mal in zusammenhängender Darstellung die weibliche Autobiographik vom Mittelalter bis in die Gegenwart. *Ted Hughes' Birthday letters vor dem Hintergrund der Plath-Hughes-Kontroverse* Sabine Kruse, 2000 *Metzler Autorinnen Lexikon* Ute Hecht, Renate Hof, Inge Stephan, Flora Veit-Wild, 2017-02-18 Von der Mystik bis zum postmodernen Experiment, von der Staatsdichterin bis zur inhaftierten Regimegegnerin, von Korea bis Kanada und von Skandinavien bis Peru: dieses Lexikon zeigt die Vielfalt weiblichen Schreibens von den Anfängen bis zur unmittelbaren Gegenwart. Orientiert am erfolgreichen Muster des Metzler Autoren Lexikons bietet dieses Nachschlagewerk Porträts von etwa 400 Autorinnen aus der ganzen Welt.

Sylvia Plath , Handbuch Biographie Christian Klein,2009-11-09 Biographie als allgegenwärtiges Phänomen Das Handbuch informiert über die verschiedenen Formen und Felder biographischen Erzählens und macht mit Merkmalen und Funktionen mit Geschichte regionalen Entwicklungen und kulturellen Traditionen der Biographik vertraut Daneben stellt es biographisches Arbeiten als wissenschaftliche Methode in den Geistes Sozial und Kulturwissenschaften sowie in der Medizin vor Eine Einführung in die Analyse biographischen Erzählens und Antworten auf grundlegende Praxisfragen runden die disziplinen übergreifende Darstellung ab Constraints and Creativity Feiwel Kupferberg,2021-07-29 This book presents a new theoretical model constraint theory for how to study creativity using scientific methods and clarifying concepts
