Spanning nine decades and three continents and incorporating an essay by his mother, his parents' letters and conversations with his father, Jaak Treiman describes his family's journey and life afterward as they sought the American dream. As they settled into their new lives, they kept memories of their homeland alive by engaging in political activities that contributed to the break up of the Soviet Union, including strategizing with dissidents behind the Iron Curtain, engaging in court battles and attending meetings with American presidents. **Hans Christian Andersen** Johan de Mylius, Aage Jørgensen, Viggo Hjørnager Pedersen, 2007. On the occasion of Hans Christian Andersen's bicentenary in 2005, a conference was held in Odense, Denmark. The chosen conference theme was Hans Christian Andersen between Children's Literature and Adult Literature. At previous conferences, focus had been exclusively on Andersen as poet and writer for adults, in which capacity he wrote novels, theatre plays, poems and travel books. But faced with the world wide celebration in 2005, it seemed proper to include the child aspects of his works in the scholarly discussion. In its wide range of themes dealing with both adult and child aspects of Andersen's texts, this volume, consisting of papers presented at the Odense conference, does justice to the whole of Andersen, whose immortal genius has a message for young and old all over the world. *И время и место: Историко-филологический сборник к шестидесятилетию Александра Львовича Осовата* Сборник статей, 2012-04-23. *A Biographical Dictionary of Women's Movements and Feminisms* Francisca de Haan, Krassimira Daskalova, Anna Loutfi, 2006-01-10.
