The Cross Is Not Enough Ross Clifford,Philip Johnson,2012-01-01 If Christ had not risen from the dead if God s plan for redemption had ended at the cross what would our faith look like Have we become so fixated on the cross that we have lost an understanding of the centrality of the resurrection And if we ignore the resurrection what effect does that have on our worldview our evangelism and our Christian practice In *The Cross Is Not Enough* Ross Clifford and Philip Johnson explore how the resurrection of Christ has been understood in times past and restore this linchpin doctrine to its rightful place as the basis of our hope our worldview and the way we live our lives They compare Christianity s unique understanding of resurrection to other world religions and explore why the resurrection connects so readily with the human psyche Pastors teachers students and anyone involved in ministry will benefit from this insightful and engaging treatment of

Christianity's most important doctrine Fire and Rain, Answering the Rune's Call Sara Annon, 2019-01-18 This series rises out of my personal journey with the Runes that began during a Mask Dance workshop in Northern Germany the birthplace of the runes During the week I spent in a lovely seminar house secluded in among the trees bordering the heather of the Lunebergerheide I found myself tasked with telling the story of the Runes as one of creation not destruction We used shamanic drumming and rattling to drive the visionary state and a specific body posture to guide our experience My time was spent deep in a philosophical discussion with the energetic field of the Runes It was impressed on me that the two fundamental distortions in the historical practice of Runes were the suppression of sexual energy in Christianity and the Germanic tribe's practice of ritual killing to gain personal power I was shown how this combination inherently leads to atrocities My first step was to seek out any creation stories I could find that were related to the runes Somewhat to my surprise I did not find any direct or obvious correlations between the runes names and the stories In fact the use of the runes as an alphabet turned out to be driven by the Christian Church Then I looked into the current practice of Rune Stances and found their origins were both recent and suspect Along the way I had to admit that if the creation story of the runes was readily accessible they would not have had to grab hold of an ignorant mixed blood New Mexican to tell their tale What I had to offer was my own idiosyncratic view of the situation Since I had experience with ecstatic trance postures I wondered if rune shapes corresponded with ancient ecstatic body postures Once I turned towards the much older and more mysterious visionary roots of the Runes my path to a runic story of creation began to open I ended up with a mosaic of a sacred World Tree made of ancient bits and pieces I hope they can open creative experiential doors for those drawn to work in the runic realms Keywords Ancestry Creation Myths Ecstatic Trance Postures Epigenetics Rune Stances Runes Sacred Speech World Tree Shamanism Sustainable Paperbound Books in Print ,1991 *Chrysalis* ,1977 International Dictionary of Films and Filmmakers Tom Pendergast, Sara Pendergast, 2000 Contains over two thousand entries arranged alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes American Book Publishing Record ,2005 The New Statesman and Nation ,1957 Fantasy Review ,1986 New Statesman and Nation ,1957 **The New Encyclopaedia Britannica** ,1974 **Truth Seeker** ,1949 **Arts Review** ,1987 **The New Encyclopaedia Britannica: Macropaedia: knowledge in depth. 19 v** ,1981
