Symbols of Our Celto-Saxon Heritage William Holmes Bennett, 1976 **Judah's Scepter and the Sacred Stone** D. A. Brittain, 2016-08-01 Princess Teia daughter of Judah's last king begins a harrowing journey after she's rescued by the Prophet Jeremiah from the burning city of Jerusalem. They flee to Egypt where amid Teia's efforts to cope with devastating loss comes an unexpected awakening of her heart when she meets Eochaid a foreign prince. The two young nobles fall in love but are soon forced to part and follow their preordained destinies of ruling separate nations. Against the backdrop of daring escapes on land and sea, raging sword battles and deadly sorcerers, an emotional journey ensues across multiple continents for both Teia and Eochaid. All the while they're unaware that God's steady hand guides their paths as part of his plan to restore Judah's everlasting throne as symbolized by the sacred stone that Israel's patriarch Jacob once used as a pillow in the wilderness. Keywords: Adventure, Romance, Inspirational, Biblical, Christian, Historical, Fiction, Religious, Fantasy Series.

2300 Days of Hell Joseph F. Dumond, 2014-09-16 **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example, in 1861 John Mason Neale translated an ancient twelfth-century Latin hymn, and its title was "O Come O Come Emmanuel." Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878 Edward Hine wrote an article titled "Seven Eighths of the Bible Misunderstood" wherein he explains that seven eighths of the Bible is about national salvation, i.e., the national salvation of True Israel, whereas only one eighth of the Bible is about personal salvation. Did you know that? In the 1960s Pastor Sheldon Emery wrote an article titled "An Open Letter to Any Minister Who Teaches the Jews Are Israel" wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998 Arnold E. Kennedy wrote a book titled "The Exclusiveness of Israel" wherein he legally proves, using the King James Version of the Bible, that the Bible in general is only about True Israel. So here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshua and His disciples, i.e., the Gospel of the Kingdom. So where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So what was the original meaning of the words used in the original languages, i.e., the etymology of the words? Once that is determined, then we can go onto the next phase and discuss types in the Bible. From

there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Judah Scepter** Brian Arundell of Wardour Howard,2010-06 The royal family of Judah had a tremendous impact on history and played a role in shaping who we are today In Judah Scepter author Brian Arundell Howard provides a refreshing perspective about this family who migrated from one continent to the next guiding the populace to a better life Filled with timelines graphs and maps Judah Scepter contains both descriptions of tradition and historical facts about individuals within a royal genealogical line from biblical times to the present documenting their contribution during the ages to the divine will In addition Howard discusses how the inherited scepter of Judah is used to uphold precedence over time Judah and the Trojans seek out to do the will of God Zeus and Justice the Franks and descendants of Charlemagne seek out to spread Christianity and the Arundell Howards seek to do duty for their faith How each scepter holder maintained their precedence is captivating and informative as it progresses from biblical times continents genealogies and governments Gleaned from years of research Judah Scepter educates and enlightens by introducing the transformation of Judah Scepter in relation to history Jesus Christ Immanuel of Nazareth, Messiah, and Saviour of the Whole World Darrell Mowat,2022-05-09 This book is about Jesus Christ of Nazareth and how the Old Testament scriptures are fulfilled in His life This book uses New and Old Testament scriptures to describe the life of Jesus Israel's Lost 10 Tribes; Migrations to Britain and United States Vaughn E. Hansen,2023-02-02 Learn exciting and

often little known information about what happened to the children of Israel when they were scattered Vaughn E Hansen pieces together fact and legend to show how the Israelites came to European countries specifically Great Britain and laid a foundation of nobility and faith that has survived for over 2 400 years With this timely book identify significant past events focus more clearly on the future and find a deeper appreciation for your personal ancestry and heritage as a member of the House of Israel Freemasonry Birth Mod Science Pb Robert Lomas,2004 In 1660 within a few months of the restoration of Charles II a group of twelve men including Robert Boyle and Christopher Wren met in London to set up a society to study the mechanisms of nature At a time when superstition and magic governed reason the repressive dogma of Christian belief silenced many and where post war loyalties ruined careers these men forbade the discussion of religion and politics at their meetings The Royal Society was born and with it modern experimental science This situation seems unlikely enough but the fact that the founding members came from both sides of a brutal Civil War makes its origins all the more astonishing Freemasonry and the Birth of Modern Science is a fascinating study of the turbulent political economic and religious background to the formation of the Royal Society an era of war against the Dutch the Great Plague and the Great Fire of London In particular it reveals the ambitions of one man Sir Robert Moray the key driving force behind the society Building on his detailed experience of another organization and the principles on which it was based Moray was able to structure and gain finance for the Royal Society This other organization the Invisible College as Boyle called it is known today as Freemasonry Freemasonry and the Birth of Modern Science will make you reassess many of the key events of this period and will show how Freemasonry supported by Charles II was the guiding force behind the birth of modern science under the cover of the Royal Society **The Islands of Destiny** William Walker,2011-03-10 From as early as 2000 BC the islands of Great Britain and Ireland attracted the migrating Hebrew people Many students of early European history have been puzzled by the persistent westward trek as though some irresistible magnetism drove those tribes with wanderlust toward the islands of the west It was not that they were seeking new pastures for there were rich lands on the way It was an inner power and their calling as Gods people that compelled them to seek the islands of their destiny In The Islands of Destiny author William Walker reveals the British peoples glorious identity and explains Isaiahs writings in connection with its history Originally prepared as a series of lectures this historical study complete with illustrations explores the ancient Chronicles of Eri the history of Gaal Sciot of Iber early Britons and the British Irish Spanish Scottish and American connection to the birth of the Anglo Saxon Celtic nations focusing on the British Isles and Ireland *The Day Star and Us* Darrell Mowat,2021-08-23 This book is about the possible 1000 year time period of Christ s rule with His saints also referred to as the Messianic Age

More Than Free James Jensen,2023-11-29 About the Book More Than Free Exposing the Lies Hidden in History is a unique look at 4000 years of history through the eyes of the author s family tree This text builds the case for a new world view whose foundation is that of truth and morality never described in another publication It shows us that our history is not

what we've been taught and indoctrinated to believe. In fact, we are supposed to believe that we don't know where we came from and who our ancient forefathers and mothers really were. People are hungry for the truth, and this book delivers plenty of it. We have to ask ourselves why. Why was our history disconnected to anything that was taught to us in high school and college? What is the root cause of hiding and obfuscating our past? And who did these things? How did the settlement of Europe happen, and where did these people originate? Why did they migrate, and who expelled or chased them? How did America become the land of exceptional people with a unique and free perspective? Where did the idea of personal freedoms originate, and how did the people of America regather in this land? This book explores all of these questions, and upon exhaustive examination, research, and sagacity, a mind open to connecting the dots has found and documented the answers.

About the Author: James Jensen was born in Rapid City, South Dakota. He currently resides in Weatherford, Texas, where he runs a small hay farm. He is also an archer, upland game hunter, a researcher, and a writer. Jensen has four children and eight grandchildren. He is retired from the practice of landscape architecture in a global engineering and environmental consulting business, focusing on utility-scale electrical projects. Jensen achieved technical writing expertise in preparing dozens of Environmental Impact Statements and related public review documents.

[Middle East: Blueprint for the Final Solution](#)

Mike M. Joseph, 2004-05-14. The Middle East conflict originated literally in the womb of a beautiful woman, Rebekah Isaac's wife. Her struggling twins from their mother's womb have often engaged in a love-hate embrace, scorching their lands with periodic eruptions of bloody conflicts. Their descendants, though gradually losing their identity, have spread their struggle for the global inheritance into Europe, the Americas, and elsewhere. The march of Islam, of Muhammad, the man of the sword, the present Jew-Arab conflict, the Persian Gulf menace, fanatic Islamic world terrorism, and their main target, the West, are a direct result of the twins' struggle, which began while in their mother's womb. Human history and its future can't be fully comprehended without correct understanding of the roots and turbulent history of the struggling twins. You, the reader, are destined regardless of your ethnic background and religion to soon experience the final consequences and glorious triumph of this age-long bloody conflict. Through the pages of this work, the author takes you on a fascinating journey of the Biblical and historic records, which faithfully traced the stormy, blazing trails of the struggling twins from the inception of the conflict to its glorious final solution.

Art and Artists, 1982

America and Great Britain, William F. Dankenbring, 2005. Identifies America and Great Britain/Anglo-Saxon people as descendants of the Lost Ten Tribes of Israel, specifically Ephraim and Manasseh, sons of Joseph, through their heraldry, history, Bible prophecy, and their future in the End of Days, and the need for national repentance and revival. Written from a Biblical, historical, and prophetic point of view, the book reveals the stark dangers and perils facing our nations, including coming economic collapse, tribulation, slavery, captivity, and divine punishment, because of our departing from the statutes and laws of God, and because of our government embracing corruption, treason, idolatry, Muslim influence, and sodomy and immorality. America is like a prodigal son, but will return to God and be saved.
