Languages of the Americas Thomas Sebeok, 2013-11-11 Thirteen of the chapters that comprise the contents of this first volume of Native Languages of the Americas were originally commissioned by the undersigned in his capacity as Editor of the fourteen volume series 1963 1976 Current Trends in Linguistics All appeared in 1973 under Part Three of the quadripartite Vol 10 subtitled Linguistics in North America Two additional chapters are being held over for the volume to follow shortly devoted to Central and South American languages and linguistics where they more appropriately belong A fourteenth chapter on the Historiography of native North American linguistics was written similarly by invitation for Vol 13 subtitled Historiography of Linguistics published in 1975 Both Volumes 10 and 13 were jointly financed by the United States National Science Foundation and National Endowment for the Humanities with an enhancing contribution to the former by the Canada Council The generosity of these funding agencies was of course previously acknowledged in my respective Editors Introductions to the two books mentioned but cannot be repeated too often without their welcome and timely assistance the global project could scarcely have been realized on so comprehensive a scale The Current Trends in Linguistics series was a long term venture of Mouton Publishers of The Hague under the imaginative in house direction of Peter de Ridder Various spin offs were foreseen and some of them happily realized *The Eastern Band of Cherokees* John R. Finger, 2024-08-09

This volume presents the story of the Eastern Band of Cherokees during the nineteenth century This group the tribal remnant in North Carolina that escaped removal in the 1830 s found their fortitude and resilience continually tested as they struggled with a variety of problems including the upheavals of the Civil War and Reconstruction internal divisiveness white encroachment on their lands and a poorly defined relationship with the state and federal governments Yet despite such stresses and a selective adaptation in the face of social and economic changes the Eastern Cherokees retained a sense of tribal identity as they stood at the threshold of the twentieth century **The Prehistory of Languages** Mary R.

Haas, 2018-12-03 No detailed description available for The Prehistory of Languages *Extending the Rafters* Michael K.

Foster, Jack Campisi, Marianne Mithun, 1984-06-30 To the Iroquois extending the rafters meant adding onto the longhouse both in the literal sense of making room for new families and in the figurative sense of adding adopted individuals or tribes to the League of Five Nations Similarly this book extends Iroquois studies The distinguished contributors represent such diverse areas of anthropology as ethnology ethnohistory and archaeology They address issues that cut across disciplinary lines making this book a significant state of the art survey The topics explored revolve around the influence contributions field work and teachings of anthropologist William N Fenton a founder of the discipline of ethnohistory The essays run the gamut from prehistory to contemporary political issues from individuals to women and nations and from language to ritual

The Social Lives of Land Michael Goldman, Nancy Lee Peluso, Wendy Wolford, 2024-06-15 From the shaping of new

homelands in the Cherokee Nation to the export of sand from Cambodia to shore up urban expansion in Singapore The Social Lives of Land reveals the dynamics of contemporary social and political change The editors of this volume bring together contributions from across multiple disciplines and geographic locations The contributions showcase novel theoretical and empirical insights analyzing how people are living on with and from their land From Mozambique to India Indonesia Ecuador and the colonial United States the scholars in this collection uncover histories and retell stories with a focus on the lived experiences of rural and urban land dispossession and repossession Contributors Kati lvarez Clint Carroll Flora Lu Richard Mbunda Gregg Mitman Paul Nadasdy Robert Nichols Andrew Ofstehage Laura Schoenberger Kirsteen Shields Emmanuel Sulle Erik Swyngedouw Gabriela Valdivia Katherine Verdery Callum Ward Ciara Wirth Emmanuel King Urey Yarkpawolo

The Cherokees Russell Thornton,1990-01-01 The Cherokees A Population History is the first full length demographic study of an American Indian group from the protohistorical period to the present Thornton shows the effects of disease warfare genocide miscegenation removal and relocation and destruction of traditional lifeways on the Cherokees He discusses their mysterious origins their first contact with Europeans prob ably in 1540 and their fluctuation in population during the eighteenth century when the Old World brought them smallpox The toll taken by massive relocations in the following century most notably the removal of the Cherokees from the Southeast to In dian Territory and by warfare predating the American Revolution and including the Civil War also enters into Thornton s calculations He goes on to measure the resurgence of the Cherokees in the twentieth century focusing on such population centers as North Carolina Oklahoma and California

Around the Sacred Fire J. Treat,2016-04-30 Around the Sacred Fire is a compelling cultural history of intertribal activism centered on the Indian Ecumenical Conference an influential movement among native people in Canada and the U S during the Red Power era Founded in 1969 the Conference began as an attempt at organizing grassroots spiritual leaders who were concerned about the conflict between tribal and Christian traditions throughout Indian country By the mid seventies thousands of people were gathering each summer in the foothills of the Rockies where they participated in weeklong encampments promoting spiritual revitalization and religious self determination Most historical overviews of native affairs in the sixties and seventies emphasize the prominence of the American Indian Movement and the impact of highly publicized confrontations such as the Northwest Coast fish ins the Alcatraz occupation and events at Wounded Knee The Indian Ecumenical Conference played a central role in stimulating cultural revival among native people partly because Conference leaders strategized for social change in ways that differed from the militant groups Drawing on archival records published accounts oral histories and field research James Treat has written the first comprehensive study of this important but overlooked effort at postcolonial interreligious dialogue

The Other Side Of The Frontier Linda L Barrington,2018-02-07 A collection of essays by renowned scholars of Native American economic history The Other Side of the Frontier presents one of the first in depth studies of the complex interaction between the history of Native American

economic development and the economic development of the United States at large Although recent trends in the field of economics have encouraged the study of minority groups such as Asians and African Americans little work has been done in Native American economic history This text fills an existing gap in economic history literature and will help students come to a richer understanding of the effects that U S economic policy has had on the culture and development of its indigenous peoples
