# LOSE THE ACQUISITION GAME

## THE SYNERGY TRAP

MARK L. SIROWER

THE BOSTON CONSULTING GROUP

**BM King** 

The Synergy Trap, Asia-Pacific Edition Mark L. Sirower, 2010-06-15 Every CEO and Corporate Director who has been in the path of the WOW GRAB IT acquisition locomotive should read this book Charles R Shoemate Chairman and CEO Bestfoods With global acquisition activity running into the trillions of dollars the acquisition alternative continues to be the favorite corporate growth strategy of this generation's executives Unfortunately creating shareholder value remains the most elusive outcome of these corporate strategies After decades of research and billions of dollars paid in advisory fees why do these major decisions continue to destroy value Building on his groundbreaking research first cited in Business Week Mark L Sirower explains how companies often pay too much and predictably never realize the promises of increased performance and competitiveness in their quest to acquire other companies Armed with extensive evidence Sirower destroys the popular notion that the acquisition premium represents potential value He provides the first formal and functional definition for synergy the specific increases in performance beyond those already expected for companies to achieve independently Sirower's refreshing nuts and bolts analysis of the fundamentals behind acquisition performance cuts sharply through the existing folklore surrounding failed acquisitions such as lack of strategic fit or corporate culture problems and gives managers the tools to avoid predictable losses in acquisition decisions Using several detailed examples of recent major acquisitions and through his masterful integration and extension of techniques from finance and business strategy Sirower reveals The unique business gamble that acquisitions represent The managerial challenges already embedded in current stock prices The competitive conditions that must be met and the organizational cornerstones that must be in place for any possibility of synergy The precise Required Performance Improvements RPIs implicitly embedded in acquisition premiums and the reasons why these RPIs normally dwarf realistic performance gains The seductiveness and danger of sophisticated valuation models so often used by advisors The Synergy Trap is the first expose of its kind to prove that the tendency of managers to succumb to the up the ante philosophy in acquisitions often leads to disastrous ends for their shareholders Sirower shows that companies must meticulously plan and account for huge uncertainties before deciding to enter the acquisition game To date Sirower's work is the most comprehensive and rigorous yet practical analysis of the drivers of acquisition performance This definitive book will become required reading for managers corporate directors consultants investors bankers and academics involved in the mergers and acquisitions arena **Advances in Mergers and** Acquisitions Sydney Finkelstein, Cary L. Cooper, 2012-12-05 Advances in Mergers and Acquisitions offers a unique perspective that will help scholars think about mergers and acquisitions in new ways building our knowledge base on this critical topic Far Eastern Economic Review ,2000 Video and DVD Industries Paul McDonald, 2019-07-25 When the videocassette recorder was launched on the consumer market in the mid 1970s it transformed home entertainment Bringing together complementary but also competing interests from the consumer electronics industry and the film television and

other copyright industries video created a new sector of media business Two decades later DVD reinvented video media for the digital age DVD provided consumers with an innovative form of entertainment technology and almost instantaneously became the catalyst for a huge boom in the video market Although the VCR and DVD created major markets for video hardware and software the video business has been continually shaped by industry conflicts and tensions Repeatedly the video market has become divided when faced with the introduction of competing formats Easy reproduction of films and other works on cassette or disc made video software a lucrative market for the copyright industries but also intensified struggles to combat the effects of commercial piracy Video and DVD Industries examines the business of video entertainment and provides the first study looking at DVD from an industrial perspective Detailing divisions in the video business the book outlines industry battles over incompatible formats from the Betamax VHS war to competing laserdisc systems alternatives such as video compact disc or Digital Video Express and the introduction of HDDVD and Blu ray high definition systems Chapters also look at the formation of international markets in the globalization of video media the contradictory responses of the Hollywood studios to video and DVD and the legal and technological measures taken to control industrialized video American Book Publishing Record ,2000-07 The Synergy Trap Mark L. Sirower, 1997 This groundbreaking study cited in Business Week explains how companies often pay too much and never realize goals of increased performance and market strength in their quests to acquire other companies By examining such variables as method of payment and strategic relatedness Sirower provides the first formal definitions for synergies 10 illustrations .1997 **Popular Mechanics**, 2000-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Synergy Solution** Mark Sirower, Jeff Weirens, 2022-02-15 The new MA bible Few other actions can change the value of a company and its competitive future as quickly and dramatically as an acquisition Yet most companies fail to create shareholder value from these deals and in many cases they destroy it It doesn't have to be this way The Synergy Solution will change how companies think about and approach their M A strategies and realize the performance promises they make to their shareholders Beginning with a clear and well accepted foundation of the economics of the M A performance problem Deloitte's Mark Sirower and Jeff Weirens show acquirers how to develop and execute an M A strategy end to end that not only avoids the pitfalls that so many companies fall into but also creates real long term shareholder value This includes How to develop an M A strategy and a pipeline of deals How to test the investment thesis of a deal How to decide what premium to pay How to plan for a successful Announcement Day How to properly communicate performance promises to stakeholders and shareholders How to realize those promised synergies through integration planning and post close execution How to build a new combined organization How to anticipate the questions of an informed board How to sustain long term shareholder

value Sirower and Weirens provide invaluable background to those considering M A laying out the issues they have to consider how to analyze them and how to plan and execute the deal effectively They also show those who have already started the process of M A how to maximize their chances of success There is an art and a science to getting mergers and acquisitions right and this powerful resource provides the insights and strategies acquirers need to find success at every stage of this often complex and perilous process

Whispering the Techniques of Language: An Psychological Quest through **Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game** 

In a digitally-driven world wherever screens reign supreme and immediate interaction drowns out the subtleties of language, the profound strategies and emotional nuances concealed within words usually get unheard. However, located within the pages of **Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game** a interesting literary value blinking with raw thoughts, lies a fantastic quest waiting to be undertaken. Published by an experienced wordsmith, this enchanting opus encourages viewers on an introspective journey, softly unraveling the veiled truths and profound impact resonating within the material of every word. Within the emotional depths with this poignant review, we can embark upon a genuine exploration of the book is key subjects, dissect their fascinating writing design, and fail to the strong resonance it evokes heavy within the recesses of readers hearts.

### Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Synergy Trap Asia Pacific Edition How Companies Lose The Acquisition Game free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
