from Humphrey Bogart's tough hood in *The Petrified Forest* to Russell Crowe's hard nosed cop in *L.A. Confidential* **A Companion to British-Jewish Theatre Since the 1950s** Jeanette R. Malkin, Eckart Voigts, Sarah Jane Ablett, 2021-03-25 The first of its kind this companion to British Jewish theatre brings a neglected dimension in the work of many prominent British theatre makers to the fore Its structure reflects the historical development of British Jewish theatre from the 1950s onwards beginning with an analysis of the first generation of writers that now forms the core of post war British drama including Tom Stoppard Harold Pinter and Arnold Wesker and moving on to significant thematic force fields and faultlines such as the Holocaust antisemitism and Israel Palestine The book also covers the new generation of British Jewish playwrights with a special emphasis on the contribution of women writers and the role of particular theatres in the development of British Jewish theatre as well as TV drama Included in the book are fascinating interviews with a set of significant theatre practitioners working today including Ryan Craig Patrick Marber John Nathan Julia Pascal and Nicholas Hytner The companion addresses not only aesthetic and ideological concerns but also recent transformations with regard to institutional contexts and frameworks of cultural policies *Race and Religion in the Postcolonial British Detective Story* Julie H. Kim, 2005-07-15 In 1929 Ronald Knox a prominent member of the English Detection Club included in his tongue in cheek *Ten Commandments for Detective Novelists* the rule that No Chinaman must figure in the story In 1983 Ruth Rendell published *Speaker of Mandarin* reflecting not only a change in British detective fiction but also a dramatic change in the British cultural landscape Like much of the rest of British popular culture the detective novel became more and more ethnically diverse and populated by characters with increasingly varied religious backgrounds Ten essays examine the changing nature of British detective fiction focusing on the shifting view of otherness of such authors as Ruth Rendell Elizabeth George Peter Ackroyd Caroline Graham Christopher Brookmyer Denise Mina and John Mortimer Unlike their American counterparts British detective writers have been until recently overwhelmingly white and the essays here explore how these authors delve into ethnic diversity within a historically homogeneous culture Religion has also played an important role in the genre ranging from the moral certainty of the early part of the 20th century to the skepticism and hostility that is part of contemporary fiction How this transition was made and how it reflects the changing nature of British culture are detailed here **Narratives of Enclosure in Detective Fiction** M. Cook, 2011-10-12 The locked room mystery is one of the iconic creations of popular fiction Michael Cook's critical study reveals how this archetypal form of the puzzle story has had a significant effect in shaping the immensely popular genre of detective fiction The book includes analysis of texts from Poe to the present day **Sleuthing Ethnicity** Dorothea Fischer-Hornung, Monika Mueller, 2003 Table of contents **Detective Fiction and the Ghost Story** M. Cook, 2014-07-15 Detective Fiction and the Ghost Story is a lively series of case studies celebrating the close relationship between detective fiction and the ghost story It features many of the most famous authors from both genres including Conan Doyle Agatha Christie M.R. James and Tony Hillerman *Inspecting Jews* Laurence

Roth, 2004 In this book Laurence Roth argues that the popular genre of Jewish detective stories offers new insights into the construction of ethnic and religious identity Roth frames his study with the concept of kosher hybridity to look at the complex process of mediation between Jewish and American culture in which Jewish writers voice the desire to be both different from and yet the same as other Americans He argues that the detective story located at the intersection of narrative and popular culture in modern America examines the need for order in a disorderly society and thus offers a window into the negotiation of Jewish identity differing from that of literary fiction The writers of these popular cultural texts which are informed by contradiction and which thrive on intended and unintended ironies formulate idioms for American Jewish identities that intentionally and unintentionally create social ethnic and religious syntheses in American Jewish life Roth examines stories about American Jewish detectives including Harry Kemelman's Rabbi Small Faye Kellerman's Peter Decker and Rina Lazarus Stuart Kaminsky's Abe Lieberman and Rochelle Krich's Jessica Drake not only as a genre of literature but also as a reflection of contemporary acculturation in the American Jewish popular arts

The Thriller and Northern Ireland since 1969 Aaron Kelly, 2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci Louis Althusser and Slavoj Žižek to his interdisciplinary study of Irish culture and the crime novel Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation On the contrary Kelly's examination of authors such as Jack Higgins Tom Clancy Gerald Seymour Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form
