Dorfman, 1988 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Narrative Means to Sober Ends** Jonathan Diamond, 2002-08-19 Working with clients who abuse drugs or alcohol poses formidable challenges to the clinician Addicted persons are often confronting multiple complex problems from the denial of the addiction itself to legacies of early trauma or abuse to histories of broken relationships with parents spouses and children Making matters more confusing the treatment field is too often splintered into different approaches each with its own competing claims This eloquently written book proposes a narrative approach that builds a much needed bridge between family therapy psychodynamic therapy and addictions counseling Demonstrated are innovative flexible ways to help clients form new understandings of what has happened in their lives explore their relationships to drugs and alcohol and develop new stories to guide and nourish their recovery

Integrative Counselling & Psychotherapy Ariana Faris, Els van Ooijen, 2011-10-18

This is an accessible and user friendly guide to the theory and practice of relational counselling and psychotherapy. It offers a meta theoretical framework for the integration of the three most popular counselling and psychotherapy modalities: humanistic, psychodynamic and Cognitive behavioural, including mindfulness and compassion based approaches. This exciting new text outlines the history of integration in the field of psychotherapy and counselling, clarifies the nature of psychotherapeutic integration, defines different models of integration, provides a clear and rich discussion of what it means to work relationally, outlines a coherent and flexible framework for practice in terms of theory as well as technique, demonstrates how this framework can be successfully utilised both in brief and long term therapy for a wide range of client issues and problems, provides a detailed guide to working with the Relational Integrative Model (RIM) for a range of professional issues including ethics, research, supervision, therapist self care and personal development. Brimming with vivid case examples, mind maps and therapeutic dialogue, this invaluable book will help develop the theoretical knowledge and skills base of students, trainers and practitioners alike. *Giving Counsel* Donald Capps, 2001-11-01. For most ministers, pastoral counseling is a part of daily ministry, whether it is in an office counseling session or in a chance meeting with a parishioner outside the church. Whatever the setting, ministers are often called on to provide counsel, and by virtue of their calling and training are expected to do so. This how to guide for seminary students and ministers explores the role of the minister as counselor and provides a method for giving counsel. Renowned pastoral care expert Donald Capps equips readers with basic knowledge and skills and helps them to create a framework to ensure that all conversations where counsel is given will be valuable and not harmful to the person involved. Using a problem resolving approach, Capps leads readers through: How to Create a Listening Environment, How to Construct a Conversation, How to Think Systemically, How to Interpret Stories, How to Manage Boundaries. *Giving Counsel* is the perfect resource for seminary students and ministers of all faiths, whether you are beginning your study or looking for a single resource to serve your ministry. *Township Spiritualities and Counseling* Christina Landman, 2009.
