Herrick,1991-07 This is the memoir taped and edited by his cousin of a 108 year old man who died in 1990 Daniels lived mostly between the Missouri and Mississippi rivers He was born in Iowa and farmed and bred all manner of livestock with a particular love of horses More than a review of his life this is an oral recounting of over half the history of America taking in the Civil War the persecution of the Indians Henry Ford s first motorcar and the evolution of the United States of today **Tales of an Old Horsetrader** Leroy Judson Daniels,Helen S. Herrick,1987 *Horse Trading in the Age of Cars* Steven M. Gelber,2008-10-01 The trading selling and buying of personal transport has changed little over the past one hundred years Whether horse trading in the early twentieth century or car buying today haggling over prices has been the common practice of buyers and sellers alike Horse Trading in the Age of Cars offers a fascinating study of the process of buying an automobile in a historical and gendered context Steven M Gelber convincingly demonstrates that the combative and frequently dishonest culture of the showroom floor is a historical artifact whose origins lie in the history of horse trading Bartering and bargaining were the norm in this predominantly male transaction with both buyers and sellers staking their reputations and pride on their ability to negotiate the better deal Gelber comments on this point of sale behavior and what it reveals about American men Gelber s highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century in the process adding a colorful and interesting chapter to the history of the automobile *Horse Tradin'* Ben K. Green,2011-01-05 Here are the yarns of a true cowboy for those who have in their blood either a touch of larceny an affection for the Old West or better yet both These twenty tales add up to a true account of Ben K Green s experiences around the corrals livery stables and wagon yards of the West Green was a veterinarian who took down his shingle and went into horse trading in what he imagined would be retirement No stranger to the saddle Green claims to have with these bloodshot eyes and gnarled hands measured over seventy thousand horses His tales range from tricks to make an old horse seem young at least until the poor creature died from the side effects of the scam to a recipe for making a dapple gray mule from a bucket of paint and a chicken s egg

So you want to go into the horse business You can learn the knavery skill salesmanship and pure con man hokum of horse trading here in a book every westerner or horse fancier should have on hand **Mule Trader** William R. Ferris,2010-12-01
A mule trader s tales from a culture enriched by his fascinating presence **Tales Of Yore** D. Cameron,2011-01-14 Ten days of storytelling adapted for young readers from the fourteenth century original One hundred wonderful lusty tales Shipwrecks abductions tricks played by wives on their husbands tricks played by husbands on their wives secret meetings in the dark cheating merchants tricks played on the clergy or by the clergy on their parishioners Each has a message as valid today as it was six hundred years ago Tales of a Vanishing River Earl Howell Reed,1920
