The Scourges of the South? Essays on "The Sickly South" in History, Literature, and Popular Culture Thomas Ærvold Bjerre, Beata Zawadka, 2014-10-17 In this book eleven scholars take their stand on the controversial issue of disease as it occurs in the context of the American South Playing on the popular vision of the South as an ill region on several levels the European and American contributors interpret various aspects of the regional sickly culture as not so much southern problems but rather southern opportunities or else springboards to yet another of the South's cultural revitalizations health As Thomas Ærvold Bjerre and Beata Zawadka note in their introduction the so called Healthy South has never been an easy topic for scholars dealing with the region One reason for this is that researchers have been taught to approach so formulated a topic no further than to the point when it turns out it is a contradiction in terms and indeed there is much in southern history and the present situation that justifies such an approach This volume however comprises a collective effort of southernist historians literature experts and culture critics to transcend the contradictory concept of the Healthy South and

does so by reinventing the notion of the southern disease and consequently the role of the South as a scourge in American culture in terms of this culture's bountiful gift

Consumer Sourcebook Matthew Miskelly, 2007-06-20 P IConsumer Sourcebook I provides a comprehensive digest of accessible resources and advisory information for the American consumer.
