Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as  
portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the  
original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be  
made available for future generations to enjoy     **Paddy and Mr. Punch** Robert Fitzroy Foster,1995 Elizabeth Bowen one  
of the writers considered in this book described the relationship of Ireland and England as a mixture of showing off and  
suspicion nearly as bad as sex In these essays Roy Foster explores the patterns of resentment exploitation dependence and  
rejection which were created by centuries of proximity colonization and emigration Often seen through the individual  
experiences of people caught between England and Ireland a varied gallery including Randolph Churchill Thackeray Trollope  
Yeats Parnell and the notorious Mrs O Shea these intersections also cut across subjects like the representation of the Irish in  
Victorian journalism and fiction the roots of constitutional nationalist agitation and the making of literary reputations The last  
essay Marginal Men and Micks on the Make is a wide ranging discussion of the uses of exile both to and from Ireland Against  
the cut and dried stereotypes of Anglo Irish relations an overall ambiguity is asserted here whether the topic examined is the  
flawed structure of the Act of Union the way words are used in Irish political rhetoric or the divided allegiances of Parnell  
Yeats and Bowen These closely linked essays stress assonances as well as dissonances and provide a commentary on  
neglected aspects of literary history and national identity     *The Writings* Mary Augusta Ward,1911     **Oxford public**
