## **Sir Harry Vane His Life And Times 1613 1662:**

**Sir Harry Vane: His Life and Times (1613-1662)** Jack H. Adamson, H. F. Folland, 1973 Emissary of Charles the First second governor of Massachusetts pillar of the Protectorate and victim of Charles the Second servant to a God of his own definition humble and arrogant atypical Puritan and passionate lover Sir Harry Vane was a man of peace who initiated genocide in the New World and found martyrdom in the Old His life in New and Old England and on the continent spanned eras of conformity revolution and libertinism His experience reaches from Indian wigwam to royal palace This is an unparalleled picture of a formative age which is with us yet Vane served Charles I well if not wholly faithfully and yet was one of the leaders of the parliamentary rebellion that led to the king's execution and the establishment of the Protectorate Then second only to Cromwell and there were those who said he was even more powerful Vane pursued his devious and dangerous path through the years of the Protectorate until he finally acquiesced in the restoration of Charles II When Vane himself was executed in 1662 clearly the victim of judicial murder the age of Puritan revolt was over Sir Harry is one of the most elusive and tantalizing figures ever to have played an important part in both English and American history He was as much a puzzle to his contemporaries as he has been to historians Anthony Wood described him as the Proteus of his Age Clarendon less charitably declared that he was chosen to cozen and deceive a whole nation which excelled in craft and cunning and a commemorative statue of him in New England calls him a true friend and a man of noble and generous mind The few threads of consistency in his life emerge as belief in freedom of conscience personal horror of violence and loyalty to the integrity of Parliament Adamson and Folland approach the paradox of Sir Harry face on and placing their subject against a detailed background of his times present us with a subtly shaded portrait that is both dramatic and convincing Sir Harry lived in an age of great intellectual ferment and naked violence of momentous political upheavals in England and the formation of an American character By reflecting these turmoils in the life of their subject the authors do much to resolve the enigma of his career and to rescue from the past one of the most fascinating and imposing figures of his time Publisher **Sir Harry Vane** Jack H. Adamson, 1973 *Sir Henry Vane, Theologian* David Parnham, 1997 Well known to students of history as a leading political figure during the English Civil War and beyond Vane is presented in this book as a formidable and articulate thinker Author David Parnham sees Vane as a fascinating occupant of the rich intellectual world of the mid seventeenth century *The English Atlantic in an Age of Revolution, 1640-1661* Carla Gardina Pestana, 2009-06-30 Between 1640 and 1660 England Scotland and Ireland faced civil war invasion religious radicalism parliamentary rule and the restoration of the monarchy Pestana offers a sweeping history that systematically connects these cataclysmic events and the development of the infant plantations from Newfoundland to Surinam **Inventing a Republic** Sean Kelsey, 1997 The character and appearance of English governance were changed utterly in 1649 when Charles I was executed and the monarchy abolished At a stroke legitimate authority in the nation was stripped of the charismatic focus from whence it had derived much of its

apparently ageless dignity This volume provides a study of how England's political culture was reinvented by the new parliamentary republic It describes how government members colonized and revived the abandoned royal palace at Whitehall and describes the imaginative and consistently iconographic and ceremonial languages with which they replaced the imagery and spectacle of the monarchy It makes a case for the comprehensive revision of the historical graphical preconceptions surrounding England's only lengthy period of kinglessness First Among Friends : George Fox and the Creation of Quakerism H. Larry Ingle Professor of History University of Tennessee-Chattanooga, 1994-03-03 In *First Among Friends* the first scholarly biography of George Fox 1624-91 H. Larry Ingle examines the fascinating life of the reformation leader and founding organizer of the Religious Society of Friends more popularly known today as the Quakers Ingle places Fox within the upheavals of the English Civil Wars Revolution and Restoration showing him and his band of rude disciples challenging the status quo particularly during the Cromwellian Interregnum Unlike leaders of similar groups Fox responded to the conservatism of the Stuart restoration by facing down challenges from internal dissidents and leading his followers to persevere until the 1689 Act of Toleration It was this same sense of perseverance that helped the Quakers survive the only religious sect of the era still existing today Firmly grounded in primary sources and enriched with gripping detail this well written and original study reveals hitherto unknown sides of one who was clearly First Among Friends *John Lambert, Parliamentary Soldier and Cromwellian Major-general, 1619-1684* David Farr, 2003 The biography of one of the most prominent soldiers in the New Model Army John Lambert 1619-1684 who made Cromwell Lord Protector but prevented him from becoming king *Life of Sir Henry Vane the Younger* John Willcock, 1913 **A Trial of Witches** Ivan Bunn, Gilbert Geis, 2005-11-04 In 1662 Amy Denny and Rose Cullender were accused of witchcraft and in one of the most important of such cases in England stood trial and were hanged in Bury St Edmunds *A Trial of Witches* is a complete account of this sensational trial and an analysis of the court procedures and the larger social cultural and political concerns of the period In a critique of the official process the book details how the erroneous conclusions of the trial were achieved The authors consider the key participants in the case including the judge and medical witness their institutional importance their part in the fate of the women and their future careers Through detailed research of primary sources the authors explore the important implications of this case for the understanding of hysteria group mentality social forces and the witchcraft phenomenon as a whole

**Literature and Utopian Politics in Seventeenth-Century England** Robert Appelbaum, 2002-04-04 Hundreds of writers in the English speaking world of the seventeenth century imagined alternative ideal societies Sometimes they did so by exploring fanciful territories such as the world in the moon or the nations of the Antipodes but sometimes they composed serious disquisitions about the here and now proposing how England or its nascent colonies could be conceived of as an Oceana or a New Jerusalem This book provides a comprehensive view of the operations of the utopian imagination in literature from 1603 to the 1660s Appealing to social theorists literary critics and political and cultural historians this volume

revises prevailing notions of the languages of hope and social dreaming in the making of British modernity during a century of political and intellectual upheaval      **Damnable Heresy** David M. Powers,2015-01-19 Misunderstandings between races hostilities between cultures Anxiety from living in a time of war in one's own land Being accused of profiteering when food was scarce Unruly residents in a remote frontier community Charged with speaking the unspeakable and publishing the unprintable All of this can be found in the life of one man William Pynchon the Puritan entrepreneur and founder of Springfield Massachusetts in 1636 Two things in particular stand out in Pynchon's pioneering life he enjoyed extraordinary and uniquely positive relationships with Native peoples and he wrote the first book banned and burned in Boston Now for the first time this book provides a comprehensive account of Pynchon's story beginning in England through his New England adventures to his return home Discover the fabric of his times and the roles Pynchon played in the Puritan venture in Old England and New England      **Too Dangerous To Let Live** David Cuckson,2011 This biography provides a fresh look at the life and work of an outstanding radical figure in 17th century England Sir Henry Vane the Younger was an idealist both politically and theologically A youthful Governor of Massachusetts he became the leading Parliamentarian in England during the Commonwealth period He led attempts to introduce a written constitution based on the supremacy of Parliament and he campaigned for religious toleration After the Restoration Charles II declared him to be too dangerous a man to let live

**The Puritan Gentry** J. T. Cliffe,2020-12-16 Originally published in 1984 this was the first detailed study of the impact of Puritan influences on the wealthy county families of early Stuart England It discusses one of the central issues in the history of the English Civil War what motivated those men and women who risked all in opposition to King Charles I The book looks at the role played by gentry families in the advancement or defence of true religion and considers the reasons why powerful families which helped to govern the counties were to be found among the godly It explores the conflict between class values and the exacting demands of an austere religious philosophy and examines the relationship between the Puritan gentry and the clerical Puritans who included authors university dons schoolmasters lecturers and parish clergy      Regicide and Republicanism Sarah Barber,2020-03-31 This study of seventeenth century monarchy suggests that the arguments which were used to attack the potentially absolutist monarchy of Charles I were not all that different from those used against the constitutional monarchy of today The seventeenth century arguments were based on the fiction that the person who fulfilled the office could be distinguished from the office itself Personal morality and behaviour were vital factors in assessing the value of government From 1646 onwards there developed two parallel strands of thought Those who believed in government by laws developed a republican response to the crisis of the 1640s Those who believed that people made laws attacked Charles I rather than the monarchy itself supported the regicide and subsequently approved of the rule of Cromwell

*Routledge Library Editions: Puritanism* Various Authors,2021-08-31 Originally published between 1930 and 1988 many of the volumes in this set are based upon years of painstaking archival research in private and published papers They provide

many insights into the Puritan world of the early 17th Century and Analyse the economic depression in the mid 1600s and the resultant unemployment and poverty which caused social upheaval Discuss the importance of the divisions among the Puritans for political processes within both the church and wider society Examine the motivation of the Puritans who emigrated Discuss the impact the Puritan family had on the spiritual development of the Anglo American world *American Jezebel* Eve LaPlante,2009-04-25 In 1637 Anne Hutchinson a forty six year old midwife who was pregnant with her sixteenth child stood before forty male judges of the Massachusetts General Court charged with heresy and sedition In a time when women could not vote hold public office or teach outside the home the charismatic Hutchinson wielded remarkable political power Her unconventional ideas had attracted a following of prominent citizens eager for social reform Hutchinson defended herself brilliantly but the judges faced with a perceived threat to public order banished her for behaving in a manner not comely for her sex Written by one of Hutchinson s direct descendants *American Jezebel* brings both balance and perspective to Hutchinson s story It captures this American heroine s life in all its complexity presenting her not as a religious fanatic a cardboard feminist or a raging crank as some have portrayed her but as a flesh and blood wife mother theologian and political leader The book narrates her dramatic expulsion from Massachusetts after which her judges still threatened by her challenges promptly built Harvard College to enforce religious and social orthodoxies making her the mid wife to the nation s first college In exile she settled Rhode Island becoming the only woman ever to co found an American colony The seeds of the American struggle for women s and human rights can be found in the story of this one woman s courageous life *American Jezebel* illuminates the origins of our modern concepts of religious freedom equal rights and free speech and showcases an extraordinary woman whose achievements are astonishing by the standards of any era **Milton's Century** Michael R. Collings,2013-03-20 No artist creates his works in a vacuum Beyond the conscious influence of books read artwork seen minds probed through conversation or exchange of letters writers are in no small part products of everything that surrounds them people places things events MILTON S CENTURY is designed to place one particular genius John Milton arguably the finest poet the English nation perhaps even Western civilization has produced in the context of his time And what a remarkable time it was a century of revolutions of discoveries of literary and artistic efflorescence of religious turmoil and political turbulence of plagues and fires and ultimate rebuilding and of the first adumbrations of the Modern Age MILTON S CENTURY becomes vital and alive for twenty first century readers through the vast network of connections and interconnections that Professor Collings articulates *Borgo Literary Guides No 15* **Catalogue** Bernard Quaritch (Firm),1912 **Biographical Directory of American Colonial and Revolutionary Governors, 1607-1789** John Raimo,1980 Come celebrate the magic of fall The leaves are falling count them all Three Restoration Divines Irène Simon,1967
