The Lethal Target Jim Eldridge,2013-04-11 Jake s girlfriend Lauren has been exiled to New Zealand by MI5 who ensure that the two of them never speak about the missing books of the Order of Malichea The information in these books could destroy mankind if they fall into the wrong hands but Jake and Lauren want to get to them first and use the wisdom for good Then Lauren goes missing When Jake follows the instructions of a mystery caller to go to a Scottish Island he knows he could be in danger the Russian government will do anything to get hold of one book in particular a book that holds the secret to spontaneous human combustion Jake has to race against time to intercept the book and prevent global warfare Can he do it and at last give Lauren her freedom

Battle of Britain Target London Dilip Sarkar MBE,2025-02-13 Dilip Sarkar s fifth volume examines September 1940 in the Battle of Britain challenging myths with detailed research and firsthand accounts In this unprecedented series exploring the big story of the Battle of Britain renowned historian Dilip Sarkar investigates the wider

context and intimate details of the epic aerial conflict in the summer of 1940 from all sides In so doing he gives due acknowledgement to the roles of Bomber and Coastal Commands in addition to the fabled Few of Fighter Command This unique narrative draws upon a lifetime of research the author having enjoyed a long relationship with survivors and the relatives of casualties his innumerable interviews and first hand accounts collated in addition to privileged access to personal papers providing essential human interest to this inspirational story In this the fifth volume Battle of Britain Target London Dilip continues to examine the fighting on a day by day combat by combat basis from 7 September to 17 September 1940 It was on 7 September that the Luftwaffe changed tack and instead of continuing its successful strikes on 11 Group and its airfields switched its focus to the round the clock bombing of London According to popular narrative this move lost the Germans the Battle of Britain providing Fighter Command an opportunity to recover This however is not necessarily the opinion of certain German scholars all of which is explored by the author The events of 7 September also saw the 12 Group Duxford Wing go into action for the first time the effects of which are analysed This review confirms that the formation massively over claimed and was not therefore as successful as believed at the time by certain senior commanders and politicians Likewise the events of 15 September 1940 long accepted as Battle of Britain Day are often stated to represent a great turning point in the aerial fighting of the summer of 1940 but is this correct Two days later Hitler postponed Operation Sealion the invasion of the United Kingdom indefinitely Could therefore this day be considered the date the Battle of Britain really ended Through diligent research combined with crucial official primary sources and personal papers Dilip unravels many myths often challenging the accepted narrative This is not simply another dull record of combat losses and claims far from it Drawing upon unique first hand accounts from a wide range of combatants and eyewitnesses along with Daily Home Intelligence Reports and numerous other primary sources this book forms part of what is likely to be the first and last such comprehensively woven account of this epic air battle
