Mulford,William MacLeod Raine,B. M. Bower,2020-09-28 Welcome to the Essential Western Novels book series where you will find a selection of endless tales about deadly shootouts gunslingers seeking revenge love stories with beautiful women in peril and of course cowboys and their trusty steeds For this book the literary critic August Nemo has chosen the 5 novels by authors who created memorable stories that shaped the foundations of Western fiction This book contains the following novels The Sheriff s Son by William MacLeod Raine The Spirit of the Border by Zane Grey Way of the Lawless by Max Brand The Man From Bar 20 by Clarence E Mulford Cow Country by B M Bower If you appreciate good books be sure to check out the other Tacet Books titles The Athenaeum ,1846 The Rise and Fall of the Victorian Three-Volume Novel Troy J. Bassett,2020-02-07 Utilizing recent developments in book history and digital humanities this book offers a cultural economic and literary history of the Victorian three volume novel the prestige format for the British novel during much of the nineteenth century With the publication of Walter Scott s popular novels in the 1820s the three volume novel became the standard format for new fiction aimed at middle class audiences through the support of circulating libraries Following a quantitative analysis examining who wrote and published these novels the book investigates the success of publisher Richard Bentley in producing three volume novels the experiences of the W H Smith circulating library in distributing them the difficulties of authors such as Robert Louis Stevenson and George Moore in

writing them and the resistance of new publishers such as Arrowsmith and Unwin to publishing them Rather than faltering the three volume novel stubbornly endured until its abandonment in the 1890s Athenaeum and Literary Chronicle ,1908

Sensational Novels: pt. 1-2. The coral pin Fortuné Du Boisgobey,1886 *Forest Leaves* ,1917 **Six Out Seven** Jess Mowry,2017-03-13 Thirteen year old Corbitt Wainwright s adolescence is abruptly cut short when his father is imprisoned for attacking a white man Tragically dreams of success through good grades and hard work are wiped aside as white society shows him out of both kindness and malice that poor black kids in Mississippi don t have much of a hand in creating their own destinies Refusing to accept this allotted role and after a deadly confrontation with his father s accuser Corbitt sets out for California the land of opportunity and supposed racial equality But upon his arrival in Oakland a whole other world awaits a world populated by gangs and crack dealers violent cops and gun toting kids where the future seems even bleaker than it does back home Against the odds he helps some of the local homeboys overcome one of their many predators and discovers his own strength *The Complete Novels* George Orwell,2022-11-13 In *The Complete Novels* George Orwell offers a compelling collection that showcases his incisive political critique and profound humanism These novels explore themes of totalitarianism social injustice and the complexities of individual consciousness against the backdrop of a tumultuous 20th century Orwell s lucid prose marked by meticulous clarity and a commitment to truth immerses readers in dystopian realities and societal struggles reflecting his deep understanding of the socio political landscape of his time Each narrative whether a satirical allegory or a poignant reflection on war and oppression invites readers to question the nature of power and humanity s moral compass George Orwell born Eric Arthur Blair in 1903 was a British writer and journalist whose experiences in the Spanish Civil War as well as his anti totalitarian convictions deeply influenced his works His background in diverse cultures and political ideologies shaped his understanding of the human condition and the societal implications of authoritarianism This awareness manifests vividly in his novels such as *1984* and *Animal Farm* which serve as cautionary tales about the dangers of unchecked power and the erosion of personal freedoms Readers seeking to engage with the intricacies of political power and ethical dilemmas will find *The Complete Novels* an indispensable addition to their literary repertoire Orwell s timeless insights resonate with contemporary issues making this collection not just a reflection of a bygone era but a clarion call to vigilance and awareness in today s world Engage with Orwell s masterful storytelling and critical thought and equip yourself with a deeper understanding of the human experience

Novel insights in rehabilitation of neglect Tanja Nijboer ,Stefan Van der Stigchel,2014-09-03 Hemispatial neglect is the failure to report respond to or orient to novel or meaningful stimuli presented in the contralesional visual field It constitutes one of the most invalidating neurological disorders that can occur after stroke It is therefore important to treat neglect as adequate as possible and much of the research dedicated to neglect therefore focuses on rehabilitation In this special topic you will find 29 articles on the rehabilitation of neglect This Research Topic has opened new perspectives and

has given us an indication of where the field is going Although some of the current rehabilitation techniques have proven to be beneficial there is limited agreement on the most valuable technique or the mechanisms underlying the ameliorating effects *Book Bulletin* Chicago Public Library,1912

Gender Bias in Mystery and Romance Novel Publishing Anna Faktorovich,2015-04-27 Examines gender bias from the perspective of readers writers and publishers with a focus on the top two bestselling genres in modern fiction It is a linguistic literary stylistic and structurally formalist analysis of the male and female sentences in the genres that have the greatest gender divide romances and mysteries The analysis will search for the historical roots that solidified what many think of today as a natural division Virginia Woolf called it the fabricated feminine sentence and other linguists have also identified clear sexpreferential differences in AngloAmerican Swedish and French novels Do female mystery writers adopt a masculine voice when they write mysteries Are femalepenned mysteries structurally or linguistically different from their male competitors and vice versa among male romance writers The first part can be used as a textbook for gender stylistics as it provides an indepth review of prior research The second part is an analysis of the results of a survey on readers perception of gender in passages from literature The last part is a linguistic and structural analysis of actual statistical differences between the novels in the two genres considering the impact of the author s gender *Chicago Tribune Index* ,1994

The Columbia Guide to Contemporary African American Fiction Darryl Dickson-Carr,2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as

All in the Family and Charlie's Angels offered Americans both a reflection of and an escape from the problems gripping the country
