Skills In Neighbourhood Work:

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 2013 Completely rewritten and updated this fourth edition retains the practical information but sets it in a contemporary context The authors explain the skills knowledge and techniques needed to work effectively in a neighbourhood setting

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 2022-12-30 Skills in Neighbourhood Work is a practice textbook It explains the skills knowledge and techniques needed by community workers and other practitioners to work effectively in and with communities While the principles and methods it describes have stood the test of time the political economic and social changes which have taken place since the book was first published have made new editions essential Rewritten and updated to include new practice examples this fifth edition retains all the practical information needed by the student or practitioner but sets it in the contemporary context Including a European perspective and views from North America and Australia it covers Starting supporting and ending work with community groups Evaluation Data collection Goals and priorities Making contacts Group work Helping groups work with other organisations This invaluable textbook is essential reading for students and practitioners of community work

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 1987 SKILLS IN NEIGHBOURHOOD WORK Paul Henderson, David N. Thomas, 2005-06-29 Skills in Neighbourhood Work is a practice textbook It explains the skills knowledge and techniques needed by community workers and other practitioners to work effectively in and with communities While the principles and methods it describes have stood the test of time the political economic and social changes which have taken place since the book was first published have made a new edition essential Completely rewritten and updated the third edition retains all the practical information needed by the student or practitioner but sets it in the contemporary context It includes a European perspective and views from America and Australia

Skills in Neighbourhood Work - 2nd Paul Henderson, David N. Thomas, 1987 *Analysing Community Work: Theory and Practice* Keith Popple, 2015-04-16 Community work is a unique and important activity that has the potential to help individuals groups and communities achieve change This brand new update of an established and acclaimed text explores and analyses different theoretical approaches to community work Written in a highly accessible style this book is grounded in practice issues and tackles political and theoretical issues head on New to the second edition Analysis of the work of New Labour Consideration of Coalition government policies for example the Big Society project and the impact of budget cuts A new international dimension throughout the text and an important new chapter on international community work New definitions of community explored to take into account a diverse population Increased emphasis on community work values skills and challenges Updated pedagogy including end of chapter summaries and reflective questions References the latest writings in the field Written by an established international expert this book will be valuable for students on qualifying programmes practitioners policy makers and commentators and those engaged in community work in all capacities Analysing

Community Work provided a key text tackling issues of theory and practice in accessible ways for some two decades This second edition builds upon the strengths of the first updating the book to take account of the major changes that have been taking place since then both in Britain and internationally Popple s critical consideration of the impacts of globalization neo liberalism changing technologies increasing inequalities and increasing concerns with environmental issues will be particularly welcomed This edition will be essential reading for those who read and appreciated the first as well as for a new generation of readers Marjorie Mayo Emeritus Professor of community development Goldsmiths University of London UK Popple s book was one of the key overviews of British community work when it first appeared in 1995 In the last few years the need for a revised and updated version has been increasingly obvious and Popple has now obliged The last twenty years have seen substantial changes in the political economic and organisational context within which community work operates and Popple has fully reflected this whilst remaining clear about its basic tenets and goals This is a highly welcome addition to contemporary community work literature Gary Craig Professor of Community Development and Social Justice Durham University UK **Working in the Community** Rod Purcell,2005-07-29 A book for all those engaged in working for change in communities The book explores the nature of community development and social change in a time of globalisation and post modern culture It proposes and explores a Freirian driven participatory model of practice *Thinking Collectively* Paul Spicker,2019-06-05 What does collectivism mean in social policy What does thinking collectively imply for policy In this book well respected author Paul Spicker lends a complementary voice to his Reclaiming Individualism reviewing collectivism as a dimension of political discourse Breaking down his analysis to examine collectivism through substantive moral and methodological lenses he reviews a series of arguments for cooperative effort solidarity and collective responsibility Taking a dispassionate and methodical approach the author explores what collectivism means in social policy and what value it offers to the field *Community Development, Social Action and Social Planning* Alan C. Twelvetrees,2017-05-12 Now going into its fifth edition Alan Twelvetrees invaluable guide to the theory and practice of community work has been educating students and practitioners alike for over three decades Covering topics such as work with community groups the various dimensions of social action and project planning and how to engage effectively with public bodies this is a truly comprehensive must read for community workers as well as anyone keen to undertake effective work in the community Drawing on the author s wealth of experience and benefiting from the grounded style of writing that has made the previous editions so popular the book considers everyday community work situations to provide readers with a genuine feel for the realities of practice This classic text is essential for anyone studying working or just interested in community work community regeneration and service planning New to this Edition A classic highly regarded textbook substantially updated to reflect new service needs and a tougher economic climate Includes new pedagogic features including chapter overviews practice focus boxes and putting it in to practice features **The Community Development Reader** Craig, Gary,Mayo, Marjorie,2011-05-18 This unique

Reader traces the changing fortunes of community development through a selection of readings from key writers

Tackling Social Exclusion John Pierson, 2003-09-02 The concept of social exclusion is a central focus of government policy and is rapidly moving to the core of practitioner activity This textbook shows how social workers can combat the social exclusion experienced by service users and at the same time promote social inclusion Tackling Social Exclusion covers the meanings of social exclusion and the common elements of practice needed to reverse it the skills needed when working with specific groups of people including children and families young people and vulnerable adults the neighbourhood dimension in social exclusion the link between race and ethnic minorities and social exclusion and the implications of the Macpherson Report for practice how service agencies can change their organisation to promote inclusion how to work with communities to effect change Each chapter is grounded in real practice examples and explores through activities case studies and exercises how the perspective of social exclusion is changing social work today Dictionary of Social Welfare Noel W

Timms, Rita Timms, 2016-06-10 First published in 1982 this dictionary offers a practical aid to students of social work and of social policy in their conversation about social welfare It explains the meaning or range of meanings of common terms and explains their applications in welfare legislation policy and use by welfare practitioners It helpfully cross references terms with similar or related terms that might be considered alongside In addition most entries are concluded by references which introduce the reader to a more extended treatment of the term or an elaboration of its application in the language of social welfare Although first published in 1989 this book will be a valuable resource for students of social work social policy and social welfare **Rebuilding Community Solidarity and Pluralism** Donald G. Reid, 2024-06-03 This book critiques the

traditional practice of community organization change and development and concludes that the present practice of Community Development CD and Social Policy and Planning SP P is no longer capable of meeting the current challenges at the local or national level The aim of this book is to identify the underlying motivations for the individual aggressive and collective antisocial behaviour that we witness in democratic society today and offer changes to the orientation of the current community change practice in order to build a system that can better address the present needs of society This work identifies the factors that are moving society toward extremism and authoritarianism focusing particularly on the community level Given the turmoil in communities that is degrading democracy and leading to authoritarianism today the issues of Community Solidarity and Pluralism CS P must be attended to before the traditional political economic and material issues that are regularly addressed by CD and SP P practice can become the focus for change and development once again This book will have widespread appeal to academics researchers and postgraduate students throughout the social sciences including sociology social work political science economics philosophy environmental studies and international and community development studies It is also intended for the general reader who is interested in understanding the authoritarian forces that are attempting to infiltrate the democratic process *Analysing Community Work* Popple,

Keith,1995-09-01 Beskrivelse af hvad community work er s vel teori som praksis *Practising Social Work* Christopher Hanvey,Terry Philpot,2002-08-26 Practicing Social Work provides a systematic exploration of a range of social work approaches Each chapter focuses on a single theme and explains the practice implications of a particular method **The Short Guide to Community Development** Alison Gilchrist,Marilyn Taylor,2016-03-30 With the topics of community and how local communities can be supported to take control of their lives services and environment still high on the public agenda this second edition of an invaluable guide provides a timely introduction to community development its origins and the different forms it takes Updated to reflect developments in policy and practices current trends and challenges as well as recent debates about the changing nature of community itself it also shows how community development can be applied in a variety of policy areas Accessibly written this guide will remain essential reading for community organizers and students of community development *Community Development for Social Change* Dave Beck,Rod Purcell,2020-03-04 Community Development for Social Change provides a comprehensive introduction to the theory and practice of community development and associated activities discusses best practice from global experience and links that to the UK context The book integrates the realities of practice to key underpinning theories human rights values and a commitment to promoting social justice A range of practice models are described and analysed including UK models popular education and community organising as well as a range of practice issues that need to be understood by community development workers For example strategies to promote individual and community empowerment challenging discrimination building and sustaining groups and critical reflection on practice Finally a range of case studies from the UK and overseas illustrates good practice in diverse contexts These case studies are analysed with reference to the values of community development the promotion of social justice and the underpinning theories It is an essential text for those on community development courses as well as for a range of workers including local government national and local voluntary agencies and community based organisations *Women and Community Action* Lena Dominelli,2019-05-22 Historically women and men have been assigned to different spaces in their communities Although several decades of feminist social action have made significant progress to the social economic and political condition of many women change has been uneven and there remain considerable advancements to be made globally This valuable third edition considers women s changing position in the world today updating some of the perennial challenges that women face and examining new and emerging issues including digital exclusion sustainable community development and environmental justice Published in association with the British Association of Social Workers this book is an invaluable resource for students and practitioners of social work community work sociology and social policy

Community Development as Micropolitics Akwugo Emejulu,2015-01-14 A critical examination of the contradictory ideas and practices that have shaped community development in the US and the UK It exposes a problematic politics that have far reaching consequences for those committed to working for social justice Women and Community Action Lena

Dominelli, 2006-05-17 Including case studies to illustrate the topics discussed this title highlights women's role in a community's growth and development taking into account the considerable changes in society since the first edition
