who though armed with only a knife survived a 30 minute nightmare with a cougar of the backcountry snowboarder buried alive by an avalanche saved with only minutes to spare of the outdoorsman pinned by an 800 pound boulder who freed himself by amputating his own arm And there are the unexplainable senseless tragedies the little girl whose mysterious disappearance at a national park was never solved the inexperienced charter pilot who crashed trying to beat curfew in a snowstorm and the veteran backwoods camper who despite every precaution fell victim to a fatal bear attack What does it take to endure the impossible Dare to Survive tackles that question as it vividly reminds us that when danger strikes survival becomes the ultimate human challenge This frightening but enjoyable book reveals that Mother Nature has more ways to kill than even the toughest Mafia godfather Ted Schwarz author of Hollywood Confidential How the Studios Beat the Mob at Their Own Game Rick Rinehart is a publisher writer and former Colorado Humanities Scholar whose honors include recognition by the National Park Service for contributions to wolf recovery in Yellowstone National Park His wife Amy Rinehart is a former publisher of endurance sports books who consults with outdoor retail and environmental organizations in the development of publishing programs Rick and Amy live in Lafayette Colorado
