

Tir Nan Og

The Land of the Young

Tir Nan Og is the legendary Celtic Land of the Young, a world rather like a legendary version of Northern Europe in a time before much of that continent sank beneath the waves. The four Tribes of the Earth Goddess, on whom the Slaine stories concentrate, are threatened on all sides, with the constant risk of the Fomorians sweeping down from the icy north, the Drune Lords encroaching from the south and the ravages of the berserkers of Midgard in the east.

Tir Nan Og is a land full of heroes, and full of great quests for those heroes to do. This supplement aims to provide all you need to know to wander the Land of the Young for decades, whether as a mercenary or cattle-rafter, thief or adventurer, tribal emissary or war-band leader. All the major regions of Tir Nan Og are covered, particularly places of interest and general geography.

Inside You Will Find:

The Sessair: The tribe that stands up. These people consider themselves the strongest, the fiercest and most valiant of the four tribes.

The Finians: The tribe that endures. Both proud and stubborn, Finians do not budge when their beliefs and customs are attacked.

The Fir Domain: The tribe of the growling shields. The Fir Domain have a reputation for civility and sophistication. Their wisdom is not only found in their counsel. The Fir Domain fight using that most unlikely of Celtic weapons – a plan.

The Faliann: The tribe of the shadows. Few things can unite the Sessair, Finians and Fir Domain in a unanimous opinion, but the Tribe of the Shadows, or Faliann, is definitely one of them.

Dinas Emrys and the Cambrian Mountains: Dinas Emrys is known as the Eternal Fortress, because it has always been atop Snowdon and always will be.

The Gaeatae: Information on the gaeatae, the bands of Goddess-worshipping elite mercenaries who wander Tir Nan Og.

Lands of the Drune Lords: Detailing the lands of the enemy, the sourlands and forbidding country of the Drune Lords where they plot to bring about Ragnarok.

The Borderlands: The lands that lie between the Tuatha de Danann and the Drunes are predominantly occupied by two of the world's oldest civilisations, the Titans and the Fir Belg.

Midgard: Wedged between icy seas, towering mountains and the domains of the earth goddess tribes sits Midgard, the land of the Norse tribes that are the children of Yoden.

Scenario Hooks: Scenario hooks and ideas to be used as is, or adapted to your own campaign to help bring the Land of the Young to life.

Encounters in Tir Nan Og: Random encounters particular to Tir Nan Og, certain to liven up any long journey.

Ian Sturrock

Slaine Rpg Tir Nan Og:

Slaine Ian Sturrock, 2002-12-10 The Fir Domain are one of the fiercest and most troublesome Tribes of the Earth Goddess Whereas the Sessair and Finians will go to war as soon as look at you the Fir Domain are just as eager for trouble but always with an eye to the main chance Likewise they can be as cunning as the Tribe of the Shadows but are quite prepared to apply that intelligence and planning to a frontal assault or even an entire war rather than relying on night raids If they cannot profit from war and with minimal casualties they have no great interest in it Of course this could be long term profit taking over fertile farmland can be better in the long run than capturing a rich town or fort The Fir Domain are also known as the Tribe of the Growling Shields for their fearsome battle feat of shield growling when they use specially shaped metal shields to amplify their war cries This feat reveals a great deal about the tribe in general for they are geared towards defense and their warriors make great use of shields Yet they use the shields for offence too the shield growl instills terror into the hearts of any who face them in battle This combination of attack and defense runs through many of the tribe's activities in both peace and war time Even their traders are cautious yet quick to take advantage of any opening However their focus on defense should not be taken as an indication that the Fir Domain are cowards A Fir Domain warrior sees his shield as his most crucial piece of equipment but it is closely followed in importance by his sword or spear Once the Tribe of the Growling Shields has decided they will fight they advance in an implacable well drilled mass almost as well organized as the skull swords The Fir Domain themselves consider that charging into battle is a sign of weakness and fear not strength so far as they are concerned their more considered approach even under a hail of javelins and sling stones demonstrates true courage

Slaine Ian Sturrock, 2003-05-20 One of the great tribes of the Earth Goddess the Falians are regarded as mad by other tribes in the land of the young Yet these Lords of Shadow are sane enough to know exactly what they are doing and mad enough not to care This d20 sourcebook for the Slaine RPG introduces a wealth of information about this tribe of crazy warriors and insane druids
