A Genealogy of the Verse Novel Catherine Addison, 2017-11-06 The present age has seen an explosion of verse novels in many parts of the world Australia is a prolific producer as are the USA and the UK Novels in verse have also appeared in Canada New Zealand India South Africa Jamaica and several other countries A novel written in verse contradicts theories that distinguish the novel as essentially a prose genre The boundaries of prose and verse are however somewhat fluid This is especially evident in the case of free verse poetry and the kinds of prose used in many Modernist novels The contemporary outburst may seem a uniquely Postmodernist flouting of generic boundaries but in fact the verse novel is not new Its origins reach back to at least the eighteenth century Byron's *Don Juan* in the early nineteenth century was an important influence on many later examples Since its first surge in popularity during the Victorian era it has never died out though some fine examples most of them from the earlier twentieth century have been neglected or forgotten This book investigates the status of the verse novel as a genre and traces its mainly English language history from its beginnings The discussion will be of interest to genre theorists prosodists narratologists and literary historians as well as readers of verse novels wishing for some background to this apparently new literary phenomenon

Slavery and the Post-Black Imagination

Bertram D. Ashe, Ilka Saal, 2020-01-06 Honorable Mention for the 2022 Modern Language Association Prize for an Edited Collection Interrogates how artists have created new ways to imagine the past of American slavery From Kara Walker's hellscape antebellum silhouettes to Paul Beatty's bizarre twist on slavery in *The Sellout* and from Colson Whitehead's literal Underground Railroad to Jordan Peele's body snatching *Get Out* this volume offers commentary on contemporary artistic works that present like musical deep cuts some challenging alternate takes on American slavery These artists deliberately confront and negotiate the psychic and representational legacies of slavery to imagine possibilities and change The essays in this volume explore the conceptions of freedom and blackness that undergird these narratives critically examining how artists growing up in the post Civil Rights era have nuanced slavery in a way that is distinctly different from the first wave of neo slave narratives that emerged from the Civil Rights and Black Power Movements *Slavery and the Post Black Imagination* positions post blackness as a productive category of analysis that brings into sharp focus recent developments in black cultural productions across various media These ten essays investigate how millennial black cultural productions trouble long held notions of blackness by challenging limiting scripts They interrogate political as well as formal interventions into established discourses to demonstrate how explorations of black identities frequently go hand in hand with the purposeful refiguring of slavery's prevailing tropes narratives and images A V Ethel Willis White Book

The Oleander Review, 2008

Bad Men Howard Rambsy II., 2020-04-01 How have African American writers drawn on bad black men and black boys as creative touchstones for their evocative and vibrant art This is the question posed by Howard Rambsy s new book which explores bad men as a central recurring and understudied figure in African American literature and music By focusing on how various iterations of the bad black man figure serve as creative muse and inspiration for literary production Rambsy puts a wide variety of contemporary African American literary and cultural works in conversation with creativity research for the first time Employing concepts such as playfulness productivity divergent thinking and problem finding Rambsy examines the works of a wide range of writers including Elizabeth Alexander Amiri Baraka Paul Beatty Ta Nehisi Coates Tyehimba Jess Trymaine Lee Adrian Matejka Aaron McGruder Evie Shockley and Kevin Young who have drawn on notions of bad black men and boys to create innovative and challenging works in a variety of genres Through groundbreaking readings Rambsy demonstrates the fruitfulness of viewing black literary art through the lens of creativity research

Great American Prose Poems David Lehman, 2008-06-18 A prose poem is a poem written in prose rather than verse But what does that really mean Is it an indefinable hybrid An anomaly in the history of poetry Are the very words prose poem an oxymoron This groundbreaking anthology edited by celebrated poet David Lehman editor of The Best American Poetry series traces the form in all its dazzling variety from Poe and Emerson to Auden and Ashbery and on right up to the present In his brilliant and lucid introduction Lehman explains that a prose poem can make use of all the strategies and tactics of poetry but works in

sentences rather than lines He also summarizes the prose poem's French heritage its history in the United States and the salient differences between verse and prose Arranged chronologically to allow readers to trace the gradual development of this hybrid genre the poems anthologized here include important works from such masters of American literature as Gertrude Stein William Carlos Williams e e cummings Hart Crane Ernest Hemingway James Schuyler Allen Ginsberg Frank O'Hara and Elizabeth Bishop Contemporary mainstays and emerging poets Robert Bly John Ashbery Charles Simic Billy Collins Russell Edson James Tate Anne Carson Yusef Komunyakaa and Lydia Davis among them are represented with their best work in the field The prose poem is beginning to enjoy a tremendous upswing in popularity Readers of this marvelous collection must have for anyone interested in the current state of the art will learn why *Black Celebrity* Emily Ruth Rutter, 2021-11-22

Black Celebrity examines representations of postbellum black athletes and artist entertainers by novelists Caryl Phillips and Jeffery Renard Allen and poets Kevin Young Frank X Walker Adrian Matejka and Tyehimba Jess Inhabiting the perspectives of boxer Jack Johnson and musicians Blind Tom Wiggins and Sissieretta Jones along with several others these writers retrain readers' attention away from athletes and entertainers overdetermined bodies and toward their complex inner lives Phillips Allen Young Walker Matejka and Jess especially plumb the emotional archive of desire anxiety pain and defiance engendered by the racial hypervisibility and depersonalization that has long characterized black stardom In the process these novelists and poets and in turn the present book revise understandings of black celebrity history while evincing the through lines between the postbellum era and our own time *Collusions of Fact and Fiction* Ilka Saal, 2021-12-15

Collusions of Fact and Fiction traces a generational shift in late twentieth century African American cultural engagements with the history and legacies of transatlantic slavery With a focus on works by playwright Suzan-Lori Parks and visual artist Kara Walker the book explores how in comparison to the first wave of neo slave narratives of the 1970s and 1980s artists of the 1990s and early 2000s tend to approach the past from the vantage point of a liberal entanglement of fact and fiction as well as a highly playful often humorous and sometimes irreverent signifying on entrenched motifs iconographies and historiographies Saal argues that the attempt to reconstruct or recuperate the experience of African Americans under slavery is no longer at stake in the works of artists growing up in the post Civil Rights era Instead they lay bare the discursive dimension of our contemporary understanding of the past and address the continued impact of its various verbal and visual signs upon contemporary identities In this manner Parks and Walker stake out new possibilities for engaging the past and inhabiting the present and future *Radical as Reality* Peter Champion, 2019-10-17

What do American poets mean when they talk about freedom How can form help us understand questions about what shapes we want to give our poetic lives and how much power we have to choose those shapes For that matter what do we even mean by we In this collection of essays Peter Champion gathers his thoughts on these questions and more to form an evolutionary history of the past century of American poetry Through close readings of the great modernists midcentury objectivists late twentieth century poets his

contemporaries and more Campion unearths an American poetic landscape that is subtler and more varied than most critics have allowed He discovers commonalities among poets considered opposites dramatizes how form and history are mutually entailing and explores how the conventions of poetry its inheritance and its inventions sprang from the tensions of ordinary life At its core this is a book about poetic making one that reveals how the best poets not only receive but understand and adapt what comes before them reinterpreting the history of their art to create work that is indeed radical as reality
